

SENATE BILL No. 1529

September 23, 2008, Introduced by Senator STAMAS and referred to the Committee on Health Policy.

A bill to amend 1978 PA 368, entitled
"Public health code,"
by amending section 17048 (MCL 333.17048), as amended by 1996 PA
355.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 17048. (1) Except as otherwise provided in this
2 subsection and section 17049(5), a physician who is a sole
3 practitioner or who practices in a group of physicians and treats
4 patients on an outpatient basis shall not supervise more than 4
5 physician's assistants. If a physician described in this subsection
6 supervises physician's assistants at more than 1 practice site, the
7 physician shall not supervise more than 2 physician's assistants by
8 a method other than the physician's actual physical presence at the

1 practice site.

2 (2) A physician who is employed by, under contract or
3 subcontract to, or has privileges at a health facility or agency
4 licensed under article 17 or a state correctional facility may
5 supervise more than 4 physician's assistants at the health facility
6 or agency or state correctional facility.

7 (3) To the extent that a particular selected medical care
8 service requires extensive medical training, education, or ability
9 or pose serious risks to the health and safety of patients, the
10 board may prohibit or otherwise restrict the delegation of that
11 medical care service or may require higher levels of supervision.

12 (4) A physician shall not delegate ultimate responsibility for
13 the quality of medical care services, even if the medical care
14 services are provided by a physician's assistant.

15 (5) The board may promulgate rules for the delegation by a
16 supervising physician to a physician's assistant of the function of
17 prescription of drugs. The rules may define the drugs or classes of
18 drugs the prescription of which shall not be delegated and other
19 procedures and protocols necessary to promote consistency with
20 federal and state drug control and enforcement laws. Until the
21 rules are promulgated, a supervising physician may delegate the
22 prescription of drugs other than controlled substances as defined
23 by article 7 or federal law. When delegated prescription occurs,
24 both the physician's assistant's name and the supervising
25 physician's name shall be used, recorded, or otherwise indicated in
26 connection with each individual prescription.

27 (6) A supervising physician may delegate in writing to a

1 physician's assistant the ordering, receipt, and dispensing of
2 complimentary starter dose drugs other than controlled substances
3 as defined by article 7 or federal law. When the delegated
4 ordering, receipt, or dispensing of complimentary starter dose
5 drugs occurs, both the physician's assistant's name and the
6 supervising physician's name shall be used, recorded, or otherwise
7 indicated in connection with each order, receipt, or dispensing. As
8 used in this subsection, "complimentary starter dose" means that
9 term as defined in section 17745. It is the intent of the
10 legislature in enacting this subsection to allow a pharmaceutical
11 manufacturer or wholesale distributor, as those terms are defined
12 in part 177, to distribute complimentary starter dose drugs to a
13 physician's assistant, as described in this subsection, in
14 compliance with section 503(d) of the federal food, drug, and
15 cosmetic act, ~~chapter 675, 52 Stat. 1051, 21 U.S.C. 21 USC 353.~~
