Major Boilerplate Changes From FY 2008-09

Sec. 6(4)(r). Kindergarten Membership – REVISED

Executive provides that beginning in FY 2009-10 to receive a full foundation allowance for pupils in a developmental kindergarten program, the number of instructional hours will need to match that of grades 1-12, but clarifies that this pertains to instructional hours for developmental kindergarten. Maintains additional kindergarten instruction hours required for full reimbursement for FYs 2010-11 and 2011-12.

House postpones implementation dates for funding changes for 2 years, so the developmental kindergarten changes would take effect for 2011-2012 and the required kindergarten instructional hours for a full foundation allowance would move to 60% for 2012-2013 and 70% for 2013-2014. Also includes intent that districts increase parent-school contact.

Senate deletes language requiring that beginning with 2009-10, to receive a full foundation allowance for developmental kindergarten students, the instructional hours scheduled need to equal the hours required for grades 1-12 and language requiring kindergarten instructional hours for a full foundation allowance to equal 60% of the hours required for grades 1-12 for FY 2010-11 and 70% for FY 2011-12.

House and Senate concur with similar language included in **HB 4721** (FY 2008-09 supplemental) to delete language requiring that beginning in 2009-10, to receive a full foundation allowance for developmental kindergarten students, the instructional hours scheduled need to equal the hours required for grades 1-12 and language requiring kindergarten instructional hours for a full foundation allowance to equal 60% of the hours required for grades 1-12 for FY 2010-11 and 70% for FY 2011-12.

Sec. 6(4)(y). Pupil Membership Definition for Small Districts – REVISED

Executive revises the definition of pupil membership for small rural districts from a three-year average blend to a two-year average blend resulting in a \$5.3 million reduction in Sec. 22a payments.

House maintains current law.

Senate deletes this subsection resulting in savings of \$10.6 million.

Sec. 6(4)(cc). Pupil Membership Definition for United States Olympic Education Center – NEW

House and Senate allow a district that educates a pupil who attends a United States Olympic Education Center to count pupils in membership if they are not a resident of Michigan.

Major Boilerplate Changes From FY 2008-09

Sec. 6(6). Instructional Sites Within the Boundaries of Another District – REVISED

Executive prohibits a district from counting pupils in membership at an instructional site within the boundaries of a first class district unless given approval by the first class district. This is the only remaining subsection in the School Aid Act that defines a first class district as it is defined in the Revised School Code with a membership greater than 100,000 pupils. The Executive removes this definition, thereby allowing the definition in Sec. 6(11) to stand which defines a school district of the first class as a district with greater than 60,000 pupils.

House prohibits any district after 2008-2009 from counting pupils in membership at an instructional site within the boundaries of another district unless given approval by the resident district.

Senate deletes paragraph which will allow district to count pupils in memberships at an instructional site within the boundaries of another district without the approval of the resident district.

Sec. 20j. Hold Harmless Districts – REVISED

Executive reduces funding for section 20j payments by \$10.0 million or almost 20% through a formula that reduces funding for districts with higher foundation allowances more than those with lower foundation allowances.

House maintains current law.

Senate creates an item of difference by adding \$0.01 for FY 2009-10.

Sec. 24. Court Placed Pupils – REVISED

Senate adds intent language stating if a court placed pupil is counted in membership in one district or ISD and is then educated by another district or ISD after the count day the funding associated with that pupil should also follow proportionately to the number of school days remaining.

Sec. 32a. Great Start Strategic Fund Intent – NEW

House provides intent language stating the department along with early childhood investment corporation (ECIC) study the feasibility of consolidating early childhood funds and distributing early childhood grants through a centralized process. Creates a great start strategic fund in the Department of Treasury and appropriates \$100.

Senate does not include section.

Sec. 32d. Great Start School Readiness – District Grants – MAINTAINED

Executive provides appropriations for school district preschool programs and moves the appropriation for private competitive preschool grants from Sec. 32l into this section. Eliminates the Parents Involved in Education (PIE) option as an allowable use for the grants. Merges language from Sec. 32l and Sec. 37 into this section to eliminate duplication between sections. Allows the department to promulgate administrative rules for required teacher and paraprofessional credentials.

House provides appropriations for school district preschool programs and moves the appropriation for private competitive preschool grants from Sec. 32l into this section. Maintains the Parents Involved in Education (PIE) option as an allowable use for the grants. Merges language from Sec. 32l and Sec. 37 into this section to eliminate duplication between sections. Maintains the current language or required teacher and paraprofessional credentials.

Senate maintains current law.

Sec. 32l. Great Start School Readiness – Competitive Grants – REPEALED

Executive and House retains certain requirements for competitive grant recipients but transfers duplicative language and the appropriation to Sec. 32d.

Senate repeals section.

Secs. 37 and 38. Great Start School Readiness Eligibility and Eligibility Formula – REPEALED

Executive repeals these sections and merges much of the current language into Sec. 32d and Sec. 39. The teacher and paraprofessional requirements have been deleted and are now left to the department to determine through administrative rules under Sec. 32d.

House repeals these sections and merges much of the current language including the teacher and paraprofessional requirements into Sec. 32d and Sec. 39.

Senate repeals sections.

Sec. 39. Great Start School Readiness Application and Formula – REPEALED

Executive and House includes the application and formula language formerly under Sections 37 and 38. Allows for a consortium of 2 or more districts or ISDs to be eligible to apply for a school readiness grant. The consortium may allow any child residing in any district in the consortium to be served at any location and allows the consortium to allocate slots based either on participating district allocations or the allocation for the consortium as a whole.

Senate repeals section.

Major Boilerplate Changes From FY 2008-09

Sec. 51a(7)(c). Special Education Lapse for Itinerant Staff Reimbursement – MAINTAINED

Executive provides language that allows unspent Sec. 51a funds at bookclosing to be allocated as additional reimbursements in certain situations for FY 2007-08.

House and Senate maintains current law.

Sec. 64. Health/Science Middle College Grants – REPEALED

Executive and House provides grants to intermediate districts or Detroit Public Schools that are in consortium with a community college or state university and a hospital to create and implement a middle college focused on health sciences and adds new language allowing consortia for "other fields" and with entities other than hospitals as approved by the State Superintendent to apply for a grant.

Senate maintains current law.

Secs. 98 and 99. Michigan Virtual University (MVU) and Math and Science Centers – REVISED

Executive, House and Senate add new language that requires both the MVU and Math and Science Network in conjunction with the Department to implement an "Algebra 4 All" initiative to offer online and face-to-face professional development opportunities for mathematics teachers in grades 8 to 12 that promote best practices for teaching algebra to all students.

Sec. 101. Hours Requirement and Online Education Program Waiver – REVISED

House adds to the current 1,098 hours requirement that a district must provide at least 170 days of instruction. A day is defined as at least 5 hours of student contact time.

Senate adds to the current 1,098 hours requirement that a district must provide at least 165 days beginning in 2010-11 and 170 days in 2012-13, however districts may not provide fewer days than were provided in 2008-09. A day is not defined. Adds new language to mandate that the Department approve an alternative education on-line program if it meets certain criteria.

Sec. 147. MPSERS Retirement Rate – REVISED

Executive, House and Senate estimates percentage of payroll districts must pay for public school employee retirement at 16.94%.
