26 is only for capital maintenance improvements is executed, the  
27 general form of the lease is approved by concurrent resolution of

1 the legislature concurred in by a majority of the members elected  
2 to and serving in each house. The form of the lease approved by the  
3 legislature need not contain a description of the capital  
4 maintenance improvements to be leased or the rental or a rental  
5 range. However, before this state executes the lease, the  
6 description of the capital maintenance improvements to be leased  
7 and the rental shall be approved by the state administrative board.

8 (5) The building authority shall retain title to capital  
9 maintenance improvements during the term of a lease approved under  
10 subsection (4). The building authority shall not be required to  
11 have any ownership interest in the structure to which a capital  
12 maintenance improvement is made. Title to the capital maintenance  
13 improvement shall be evidenced by a bill of sale.

14 (6) The actual rental to be paid under a lease approved under  
15 subsection (4) for a capital maintenance improvement shall be  
16 determined by an appraiser or by an alternate method and, after the

22 improvements to institutions of higher education.

23 (7) The state shall pay to the building authority or its

27 of the state for each year an amount fully sufficient to pay the

1 true rental required to be paid by this state to the building  
2 authority or its assignee required by any lease under this act.

3       Sec. 8. (1) By resolution or resolutions of its board, the  
4 building authority may provide for the issuance of revenue  
5 obligations, which may include revenue bonds, revenue notes, or  
6 other evidences of revenue indebtedness, and refunding revenue  
7 bonds or notes, or other refunding evidences of indebtedness, the  
8 obligations for which shall not become a general obligation of this  
9 state or a charge against this state, but all revenue obligations  
10 and the interest on the revenue obligations and the call premiums  
11 for the revenue obligations shall be payable solely from true  
12 rental, except to the extent paid from the proceeds of sale of  
13 revenue obligations and any additional security provided for and  
14 pledged, or from other funds as provided in this act, and each  
15 revenue obligation shall have such a statement printed on the face  
16 of the revenue obligation. If the resolution of the building  
17 authority provides for interest coupons to be attached to a revenue  
18 obligation, each interest coupon shall have a statement printed on  
19 the coupon that the coupon is not a general obligation of this  
20 state or the building authority but is payable solely from certain  
21 revenues as specified in the revenue obligation. Revenue  
22 obligations may be issued for the purpose of paying part or all of  
23 the costs of the facilities or for the purpose of refunding or  
24 advance refunding, in whole or in part, outstanding revenue  
25 obligations issued pursuant to this act whether the obligations to  
26 be refunded or advance refunded have matured or are redeemable or  
27 shall mature or become redeemable after being refunded. The cost of

1 the facilities may include an allowance for legal, engineering,  
2 architectural, and consulting services; interest on revenue  
3 obligations becoming due before the collection of the first true  
4 rental available for the payment of those revenue obligations; a  
5 reserve for the payment of principal, interest, and redemption  
6 premiums on the revenue obligations of the authority; and other  
7 necessary incidental expenses including, but not limited to,  
8 placement fees; fees or charges for insurance, letters of credit,  
9 lines of credit, remarketing agreements, or commitments to purchase  
10 obligations issued ~~pursuant to~~ **UNDER** this act; fees or charges  
11 associated with an agreement to manage payment, revenue, or  
12 interest rate exposure; or any other fees or charges for any other  
13 security provided to assure timely payment of the obligations.

14 (2) The proceeds of a revenue obligation issue may be used to  
15 pay the cost of facilities that are subject to more than 1 lease if  
16 either subdivision (a) or (b) is true:

17 (a) Both of the following are true:

18 (i) The resolution authorizing the revenue obligations provides  
19 for the use of a specific allocable portion of the revenue  
20 obligation proceeds to pay the estimated cost of each of the  
21 facilities, together with the allocable portion of the reserves,  
22 discount, interest on the obligations becoming due before the first  
23 true rental available for payment of the obligations, and  
24 obligation issuance expense with respect to each facility.

25 (ii) The true rental and other funds of the building authority  
26 and other security as provided in this act available for the  
27 revenue obligations including other funds as provided in this act

1 are sufficient to pay the allocable portion of the revenue  
2 obligation issue for which the true rental and other funds and  
3 security are pledged.

4 (b) The obligation is part of an interim financing pool  
5 described in subsection (20).

6 (3) Revenue obligations that refund outstanding obligations  
7 may include the payment of interest accrued, or to accrue, to the  
8 earliest or any subsequent date of redemption, purchase, or  
9 maturity of the revenue obligations to be refunded, redemption  
10 premium, if any, and any commission, service fee, and other expense  
11 necessary to be paid in connection with revenue obligations that  
12 refund outstanding obligations. Proceeds of refunding revenue  
13 obligations may also be used to pay part of the cost of issuance of  
14 the refunding revenue obligations, interest on the refunding  
15 revenue obligations, a reserve for the payment of principal,  
16 interest, and redemption premiums on the refunding revenue  
17 obligations, and other necessary incidental expenses including, but  
18 not limited to, placement fees; fees or charges for insurance,  
19 letters of credit, lines of credit, remarketing agreements, or  
20 commitments to purchase obligations issued pursuant to this act;  
21 fees or charges associated with an agreement to manage payment,  
22 revenue, or interest rate exposure; or any other fees or charges  
23 for any other security provided to assure timely payment of the  
24 obligations. The building authority may also provide for the  
25 withdrawal of any funds from a reserve created for the payment of  
26 principal, interest, and redemption premiums on the refunded  
27 obligations and for the deposit of those funds in the reserve for

1 the payment of principal, interest, and redemption premiums on the  
2 refunding obligations or may provide for use of that reserve money  
3 to pay principal, interest, and redemption premiums on the  
4 obligations to be refunded. Obligations issued to refund

7 obligations to be refunded, and subject to the maximum rate of  
8 interest provided in subsection (8), may bear interest rates that  
9 are higher than, the same as, or lower than the interest rates of  
10 the obligations to be refunded. If obligations are issued to refund  
11 outstanding obligations of the authority, a lease whose rental has  
12 been pledged for repayment of the obligations to be refunded shall  
13 not be terminated solely by reason of the payment or provision for  
14 payment of the obligations to be refunded, and the lease and all of  
15 the rights and obligations under the lease remain in full force and  
16 effect in accordance with its terms.

17 (4) Except as otherwise provided in this section, the building  
18 authority shall use income or profit derived from the investment of  
19 money in a fund or account of the building authority, including the  
20 proceeds of sale of the revenue obligations, only for the purpose  
21 of paying principal, interest, and redemption premiums on the  
22 revenue obligations of the building authority, or for any purpose  
23 for which the proceeds of the revenue obligations may be used under  
24 this act, as determined by the resolution of the board authorizing  
25 the issuance of revenue obligations.

26 (5) Within limits considered appropriate and established by  
27 the board, the board may authorize by resolution a member of the

1 board or the person appointed by the building authority as its  
2 chief operating officer or chief staff person, if the authorization  
3 limits or prescribes the maximum interest rates, minimum price,  
4 maximum principal amount, and the latest maturity date of the  
5 obligations, to do any of the following:

18 obligations of the building authority.

19 (c) Take any other action on behalf of the board within  
20 limitations established by the board as the board considers  
21 necessary in connection with the issuance of obligations of the  
22 building authority.

23 (6) To the extent provided by resolution of the board,  
24 principal of, and interest and redemption premiums on, revenue  
25 obligations issued for the purpose of paying all or part of the

2 acquired with the proceeds of the revenue obligations.

6 obligations.

8 of credit acquired as security for the revenue obligations.

9 (e) The proceeds of obligations issued to refund the revenue

16 other obligations of the authority, including funds of the  
17 authority derived from rentals and other revenues, investment  
18 income or profit, or funds or accounts relating to other  
19 facilities, and payments received pursuant to an agreement to

21 subsection (19).

22 (h) Investment earnings and profits on any or all of the  
23 sources described in subdivisions (a) to (g).

24 (7) To the extent provided by resolution of the board,

26 revenue obligations shall be secured by and payable only from any  
27 or all of the following sources:

1 (a) The true rental derived from the facilities constructed or  
2 acquired with the proceeds of the obligations being refunded.

3 (b) The proceeds of the refunding obligations.

4 (c) The reserve, if any, established for the payment of the  
5 principal of, or interest and redemption premiums on, the refunding

12 mortgage, security interest, or deed of trust on the facilities  
13 financed from the proceeds of the obligations being refunded,  
14 granted by the authority as security for the refunding obligations.

15 (g) Other funds of the authority not previously pledged for  
16 other obligations of the authority, including other funds of the

20 manage payment, revenue, or interest rate exposure as provided in  
21 subsection (19).

22 (h) Investment earnings or profits on any of the sources  
23 described in subdivisions (a) to (g).

24 (8) Obligations issued under this act may be either serial

26 term obligations. The obligations shall mature not more than 40  
27 years from their date, and in any event not more than 1 year from

27 and take the actions authorized under subsection (5).

1           (10) The board in the resolution or resolutions authorizing

20 resolutions may provide for the appointment of a trustee for the  
21 holders of the obligations, may give to the trustee the appropriate  
22 rights, duties, remedies, and powers, with or without the execution  
23 of a deed of trust or mortgage, necessary and appropriate to secure  
24 the obligations, and may provide that the principal of and interest  
25 on any obligations issued under this act shall be secured by a  
26 mortgage, security interest, or deed of trust covering the  
27 facility, which mortgage, security interest, or deed of trust may

1 contain the covenants, agreements, and remedies as will properly  
2 safeguard the obligations as may be provided for in the resolution  
3 or resolutions authorizing the obligations, including the right to  
4 sell the facility upon foreclosure sale, not inconsistent with this  
5 act.

6 (12) All obligations and the interest coupons, if any,  
7 attached to the obligations are declared to be fully negotiable and  
8 to have all of the qualities incident to negotiable instruments  
9 under the uniform commercial code, 1962 PA 174, MCL 440.1101 to  
10 440.11102, subject only to the provisions for registration of the  
11 obligations that may appear on the obligations. The obligations and  
12 interest on the obligations are exempt from all taxation by this  
13 state or any of its political subdivisions.

14 (13) The obligations may be sold at private or at public sale  
15 under the procedures and subject to the conditions prescribed by  
16 resolution of the board.

17 (14) The building authority may issue additional obligations  
18 of equal standing with respect to the pledge of the true rentals  
19 and additional security provided pursuant to this act with  
20 previously issued obligations of the building authority issued to  
21 acquire or construct a facility or facilities, or to refund the  
22 obligations, for the purpose of completing, or making additions,  
23 improvements, or replacements to, the facility or facilities for  
24 which the previous obligations of the authority were issued or to  
25 refund all or part of obligations previously issued for such a  
26 facility, under the terms and conditions provided in the resolution  
27 authorizing the previous issue of obligations.

1           (15) The authority shall not have obligations outstanding at  
2 any 1 time for any of its corporate purposes in a principal amount  
3 totaling more than \$2,700,000,000.00, which limitations shall not  
4 include principal appreciation as provided in subsection (17) or  
5 obligations or portions of obligations used to pay for any of the  
6 following:

7           (a) Amounts set aside for payment of interest becoming due  
8 before the collection of the first true rental available.

9           (b) Amounts set aside for a reserve for payment of principal,  
10 interest, and redemption premiums.

11           (c) Costs of issuance of the obligations and the discount, if  
12 any, on sale.

13           (d) The sums expected to be set aside for the purposes  
14 provided in this subsection for any obligations authorized by the  
15 authority but not sold. The amount set aside or expected to be set  
16 aside for the purposes provided in this subsection shall be  
17 conclusively determined by a certificate setting forth the amounts  
18 executed by the executive director of the building authority. In  
19 addition, there shall be excluded from the limitation obligations  
20 issued to refund prior obligations if those prior obligations will  
21 not be retired within 90 days after the date of issuance of the  
22 refunding obligations. If an obligation is issued to retire a prior  
23 obligation within 90 days after the date of issuance of the  
24 refunding obligation, the obligation is counted against the  
25 limitation when the refunded obligation is retired.

26           (16) The authority may apply and pledge, if not already  
27 pledged, all or any unpledged part of the true rental and other

1 revenues of a facility; income and profit from the investment of  
2 money pertaining to a facility; and money in a fund or account of  
3 the authority pertaining to a facility to pay the principal,  
4 interest, and redemption premiums on revenue obligations of the  
5 authority other than those to which the true rental and other  
6 revenues, investment income, or profit or funds or accounts  
7 pertain; to pay amounts due under an agreement to manage payment,  
8 revenue, or interest rate exposure regardless of the obligations or  
9 investments to which the agreement relates; or to pay part or all  
10 of the cost of additional facilities to be acquired by the  
11 authority for the use of the state. The authority may establish a  
12 separate fund into which the rental and other revenues, investment  
13 income or profit, or money of such a fund or account shall be  
14 deposited to be used to pay principal, interest, and redemption  
15 premiums on outstanding obligations of the authority or to acquire  
16 facilities for the use of this state. The authority shall not  
17 acquire a facility unless the acquisition is approved by the state  
18 administrative board and ~~by a concurrent resolution of the~~  
19 ~~legislature approved by a majority of the members elected to and~~  
20 ~~serving in each house.~~ **IN AN APPROPRIATIONS ACT.** The authority may  
21 pledge any or all of the foregoing to the payment of revenue  
22 obligations of the authority other than those to which they  
23 pertain. If the true rental and other revenues, investment income  
24 or profit, or the money in funds or accounts to be applied as  
25 specified in this subsection pertain to a facility leased to the  
26 state and an institution of higher education pursuant to a lease  
27 executed and delivered before January 1, 1983, no application or

1 pledge thereof may be made unless approved by the institution of  
2 higher education.

3 (17) If the authority issues an obligation that appreciates in  
4 principal amount, the amount of principal appreciation each year on  
5 that obligation, after the date of original issuance, shall not be  
6 considered to be principal indebtedness for the purposes of the  
7 limitation in subsection (15) or any other limitation. The  
8 appreciation of principal after the date of original issue shall be  
9 considered interest and shall be within the interest rate  
10 limitations set forth in this act.

11 (18) Of the \$2,700,000,000.00 authorized under subsection  
12 (15), priority shall be determined by the joint capital outlay  
13 committee.

14 (19) In connection with an obligation issued previously or to  
15 be issued under this act or an investment made previously or to be  
16 made, the board may by resolution authorize and approve the  
17 execution and delivery of an agreement to manage payment, revenue,  
18 or interest rate exposure. The agreement may include, but is not  
19 limited to, an interest rate exchange agreement, an agreement  
20 providing for payment or receipt of money based on levels of or  
21 changes in interest rates, an agreement to exchange cash flows or  
22 series of payments, or an agreement providing for or incorporating  
23 interest rate caps, collars, floors, or locks. Subject to a prior  
24 pledge or lien created under this act, a payment to be made by the  
25 building authority under an agreement described in this subsection  
26 is payable, together with other obligations of the building  
27 authority, from those sources described in subsections (6) and (7),

1 all with the parity or priority and upon the conditions set forth  
2 in the board's resolution. An agreement entered into under this  
3 subsection is not a general obligation of this state or the  
4 building authority, and the agreement does not count against the  
5 limitation on outstanding obligations contained in subsection (15).

6 (20) The building authority may authorize by resolution a pool  
7 of obligations to meet interim financing needs. A pool may be  
8 issued in 1 or more series, may relate to 1 or more projects, and  
9 is subject to all of the following:

10 (a) The board's resolution approving the pool shall state at  
11 least all of the following:

12 (i) The name or designation of the pool to distinguish it from  
13 any other pool issued under this subsection.

14 (ii) The latest date by which an obligation issued under the  
15 pool must mature, which shall not be later than 5 years after the  
16 date on which the pool is established. The duration of the pool  
17 shall be the time from the date on which the pool is established to  
18 the latest possible maturity date of obligations issued pursuant to  
19 the pool, or sooner as provided by resolution.

20 (iii) The maximum par amount of obligations that may be  
21 outstanding at any time during the duration of the pool. The  
22 resolution may state the maximum par amount of obligations that may  
23 be issued pursuant to the pool.

24 (iv) Other terms of the obligations as provided in subsection  
25 (8) or the limits within which the chief operating officer, chief  
26 staff person, or member of the board shall determine those terms as  
27 provided in subsection (5).

1 (v) The security for obligations issued pursuant to the pool.

2 (vi) Other provisions, not inconsistent with the terms of this  
3 act, that the board determines to be necessary or appropriate to  
4 the pool.

5 (b) Proceeds of obligations issued as part of a pool  
6 established under this subsection may be used for any of the  
7 purposes for which revenue obligations of the building authority  
8 may be used as described in subsection (1). However, an obligation  
9 shall not be issued with respect to a facility unless all of the  
10 following are true:

11 (i) The board approves the financing of the facility pursuant  
12 to the pool, which approval may be made at the same time as or  
13 after the establishment of the pool.

14 (ii) The board approves the proposed form of lease for the  
15 facility, which approval may be made prior to, at the same time as,  
16 or after the establishment of the pool.

17 (iii) The state administrative board, an institution of higher  
18 education, if applicable, and the legislature have approved the  
19 form of the lease as required by section 7, which approval may be  
20 made prior to, at the same time as, or after the establishment of  
21 the pool.

22 (iv) The aggregate amounts of obligations issued and  
23 outstanding with respect to a facility under a pool, together with  
24 other obligations that may have been issued and are outstanding  
25 with respect to the facility under this act do not exceed the cost  
26 of the facility, including allowable interest costs, as approved by  
27 the state administrative board, an institution of higher education,

1 if applicable, and the legislature.

2 (v) On or before the issuance of obligations the proceeds of  
3 which are to finance the acquisition, construction, renovation, or  
4 rehabilitation of the facility, the building authority and the  
5 state, and, if applicable, an institution of higher education,  
6 enter into the lease or an agreement to construct or acquire the  
7 facility, which lease or agreement sets forth the terms and  
8 conditions under which the building authority will finance the  
9 construction or acquisition of the facility for lease to the state  
10 or to the state and any applicable institution of higher education.

11 (21) Bonds and notes issued under this act are not subject to  
12 the revised municipal finance act, 2001 PA 34, MCL 141.2101 to  
13 141.2821.

14 (22) The issuance of bonds and notes under this act is subject  
15 to the agency financing reporting act, 2002 PA 470, MCL 129.171 TO  
16 129.177.
