January 24, 2012, Introduced by Reps. Agema, Yonker, Potvin, Goike, Johnson, Rogers, Dillon, Glardon, Franz, MacMaster, Cotter, Somerville, Olson, Kowall and Genetski and referred to the Committee on Appropriations.

A bill to authorize a program that rewards state employees for economies in state spending; and to prescribe the powers and duties of certain state departments and agencies.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the
2 "efficient spending rewards act".

3 Sec. 2. As used in this act:

4 (a) "Amount appropriated" means a line-item appropriation.

5 (b) "Employee" means an employee of the executive branch of
6 state government.

7 Sec. 3. (1) The civil service commission may establish by rule
8 and administer a program to encourage efficient and economical use
9 of state funds, in which 30% of savings, calculated as the
10 difference between the amount appropriated for particular purposes

1 and the amount actually spent in the fiscal period, is distributed
2 to the employees in the administering agency.

3 (2) The amount of the savings distributed to each employee in
4 the administering agency shall be calculated and allocated using a
5 point system. Points shall be assigned to each employee equal to
6 the number of the employee's civil service classification grade or
7 the equivalent classification grade for an unclassified employee
8 plus the employee's number of years of service. The total number of
9 points for all employees in the administering agency shall be
10 divided into 30% of the total agency savings to determine the
11 dollars distributed per point per employee.
