Fr. Anthony Kathawa, Father of Our Lady of Chaldeans Catholic Church in Southfield, offered the following invocation:

“Almighty God, You have given us this good land for our heritage. We humbly ask You that we may always prove ourselves a people mindful of Your favor and glad to do Your will. Bless our land with honorable endeavor, sound learning and pure manners. Save us from violence, conflict and confusion, from pride and arrogance, and from every evil way.

Defend our liberties and fashion into one united people the multitude brought here out of many nations and tongues. Endow with the Spirit of wisdom those to whom in Your name we entrust the authority of government, that there may be justice and peace, and that through obedience to Your law we may show forth Your praise among the nations on earth. In time of prosperity fill our hearts with thankfulness, and in the day of trouble do not allow our trust in You to fail.

Merciful Lord, bless our country. Enlighten with Your grace the government officials of the state of Michigan as well as those of the United States, that in all things we may be governed in justice and equality. Grant us not only such outward prosperity as is Your will, but, above all things, such faith, hope and charity that Your name will always be glorified in our midst.

God of all, make us aware that You want all nations to be Your one family. Help us to be concerned about the welfare of every individual You have put on this earth. May all nations allow themselves to be guided by a common standard of justice and truth, while respecting the rich variety of many cultures. Amen.”

### Announcements by the Clerk

The Clerk received the following dissent on **Senate Bill No. 16**, from Rep. Irwin:

I continue to object to the use of procedural tricks to subvert the Constitutional rights of citizens to know accurately the actions of the House of Representatives. Motions for immediate effect are routinely gavelled through without even a pretense of vote counting. This motion requires support from 2/3rds of the members and there is no genuine effort to ascertain the level of support for immediate effect. I object to this practice and I object to the erroneous assertions printed in the House Journal that suggest an authentic counting of votes occurred on the House floor.
