SENATE BILL NO. 713**

A bill to amend 1974 PA 258, entitled
"Mental health code,"
by amending section 226 (MCL 330.1226), as amended by 2009 PA 103.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 226. (1) The board of a community mental health services
2 program shall do all of the following:

3 (a) Annually conduct a needs assessment to determine the
4 mental health needs of the residents of the county or counties it
5 represents and identify public and nonpublic services necessary to
6 meet those needs. Information and data concerning the mental health
7 needs of individuals with developmental disability, serious mental
8 illness, and serious emotional disturbance shall be reported to the
9 department in accordance with procedures and at a time established

1 by the department, along with plans to meet identified needs. It is
2 the responsibility of the community mental health services program
3 to involve the public and private providers of mental health
4 services located in the county or counties served by the community
5 mental health program in this assessment and service identification
6 process. The needs assessment shall include information gathered
7 from all appropriate sources, including community mental health
8 waiting list data and school districts providing special education
9 services.

10 (b) Annually review and submit to the department a needs
11 assessment report, annual plan, and request for new funds for the
12 community mental health services program. The standard format and
13 documentation of the needs assessment, annual plan, and request for
14 new funds shall be specified by the department.

15 (c) In the case of a county community mental health agency,
16 obtain approval of its needs assessment, annual plan and budget,
17 and request for new funds from the board of commissioners of each
18 participating county before submission of the plan to the
19 department. In the case of a community mental health organization,
20 provide a copy of its needs assessment, annual plan, request for
21 new funds, and any other document specified in accordance with the
22 terms and conditions of the organization's inter-local agreement to
23 the board of commissioners of each county creating the
24 organization. In the case of a community mental health authority,
25 provide a copy of its needs assessment, annual plan, and request
26 for new funds to the board of commissioners of each county creating
27 the authority.

1 (d) Submit the needs assessment, annual plan, and request for
2 new funds to the department by the date specified by the
3 department. The submission constitutes the community mental health
4 services program's official application for new state funds.

5 (e) Provide and advertise a public hearing on the needs
6 assessment, annual plan, and request for new funds before providing
7 them to the county board of commissioners.

8 (f) Submit to each board of commissioners for their approval
9 an annual request for county funds to support the program. The
10 request shall be in the form and at the time determined by the
11 board or boards of commissioners.

12 (g) Annually approve the community mental health services
13 program's operating budget for the year.

14 (h) Take those actions it considers necessary and appropriate
15 to secure private, federal, and other public funds to help support
16 the community mental health services program.

17 (i) Approve and authorize all contracts for the provision of
18 services.

19 (j) Review and evaluate the quality, effectiveness, and
20 efficiency of services being provided by the community mental
21 health services program. The board shall identify specific
22 performance criteria and standards to be used in the review and
23 evaluation. These shall be in writing and available for public
24 inspection upon request.

25 (k) Subject to subsection (3), appoint an executive director
26 of the community mental health services program who meets the
27 standards of training and experience established by the department.

1 (l) Establish general policy guidelines within which the
2 executive director shall execute the community mental health
3 services program.

4 (m) Require the executive director to select a physician, a
5 registered professional nurse with a specialty certification issued
6 under section 17210 of the public health code, 1978 PA 368, MCL
7 333.17210, or a licensed psychologist to advise the executive
8 director on treatment issues.

9 (2) A community mental health services program may do all of
10 the following:

11 (a) Establish demonstration projects allowing the executive
12 director to do 1 or both of the following:

13 (i) Issue a voucher to a recipient in accordance with the
14 recipient's plan of services developed by the community mental
15 health services program.

16 (ii) Provide funding for the purpose of establishing revolving
17 loans to assist recipients of public mental health services to
18 acquire or maintain affordable housing. Funding under this
19 subparagraph shall only be provided through an agreement with a
20 nonprofit fiduciary.

21 (b) Carry forward any surplus of revenue over expenditures
22 under a capitated managed care system. Capitated payments under a
23 managed care system are not subject to cost settlement provisions
24 of section 236.

25 (c) Carry forward the operating margin up to 5% of the
26 community mental health services program's state share of the
27 operating budget for the fiscal years ending September 30, 2009,

1 2010, and 2011. As used in this subdivision, "operating margin"
2 means the excess of state revenue over state expenditures for a
3 single fiscal year exclusive of capitated payments under a managed
4 care system. In the case of a community mental health authority,
5 this carryforward is in addition to the reserve accounts described
6 in section 205(4)(h).

8 individuals or organizations to provide mental health services.

9 (e) Share the costs or risks, or both, of managing and
