(3) Subject to subsection (9), a person or entity to whom information described in subsection (2) is disclosed shall make the information available only to a person or entity described in subsection (2). This subsection does not require a court proceeding to be closed that otherwise would be open to the public.

(4) If the department classifies a report of suspected child abuse or child neglect as a central registry case, the department shall maintain a record in the central registry and, within 30 days after the classification, shall notify in writing each person who is named in the record as a perpetrator of the child abuse or child neglect. The notice shall be sent by registered or certified mail, return receipt requested, and delivery restricted to the addressee. If the hearing request is made within 180 days of the notice, the department shall hold a hearing to determine by a preponderance of the evidence whether the report or record in whole or in part should be amended or expunged from the central registry. The hearing shall be held before a hearing officer appointed by the department and shall be conducted as prescribed by the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. The department may, for good cause, hold a hearing under this subsection if the department determines that the person who is the subject of the report or record submitted the request for a hearing within 60 days after the 180-day notice period expired.

(7) If the investigation of a report conducted under this act does not show child abuse or child neglect by a preponderance of evidence, or if a court dismisses a petition based on the merits of the petition filed under section 2(b) of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2, because the petitioner has failed to establish that the child comes within the jurisdiction of the court, the information identifying the subject of the report shall be expunged from the central registry. If a preponderance of evidence of child abuse or child neglect exists, or if a court takes jurisdiction of the child under section 2(b) of chapter XIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2, the department shall maintain the information in the central registry as follows:

(a) Except as provided in subdivision (b), for a person listed as a perpetrator in category I or II under section 8d, either as a result of an investigation or as a result of the reclassification of a case, the department shall maintain the information in the central registry for 10 years.

(b) For a person listed as a perpetrator in category I or II under section 8d that involved any of the circumstances listed in section 17(1) or 18(1), the department shall maintain the information in the central registry until the department receives reliable information that the perpetrator of the child abuse or child neglect is dead. For the purpose of this subdivision, "reliable information" includes, but is not limited to, information obtained using the United States social security death index database.

(c) For a person who is the subject of a report or record made under this act before March 31, 2015 the following apply:

(i) Except as provided in subparagraph (ii), for a person listed as perpetrator in category I or II under section 8d either as a result of an investigation or as a result of the reclassification of a case, the department may remove the information for a person described in this subparagraph after 10 years without a request for amendment or expunction.

(ii) For a person listed as a perpetrator in category I or II under section 8d that involved any of the circumstances listed in section 17(1) or 18(1), the department shall maintain the information in the central registry until the department receives reliable information that the perpetrator of the child abuse or child neglect is dead. For the purpose of this subparagraph, "reliable information" includes, but is not limited to, information obtained using the United States social security death index database.

(8) In releasing information under this act, the department shall not include a report compiled by a police agency or other law enforcement agency related to an ongoing investigation of suspected child abuse or child neglect. This subsection does not prohibit the department from releasing reports of convictions of crimes related to child abuse or child neglect.

(9) A member or staff member of a citizen review panel shall not disclose identifying information about a specific child protection case to an individual, partnership, corporation, association, governmental entity, or other legal entity. A member or staff member of a citizen review panel is a member of a board, council, commission, or statutorily created task force of a governmental agency for the purposes of section 7 of 1964 PA 170, MCL 691.1407. Information obtained by a citizen review panel is not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(10) Documents, reports, or records authored by or obtained from another agency or organization shall not be released or open for inspection under subsection (2) unless required by other state or federal law, in response to an order issued by a judge, magistrate, or other authorized judicial officer, or unless the documents, reports, or records are requested for a child abuse or child neglect case or for a criminal investigation of a child abuse or child neglect case conducted by law enforcement.

(11) Notwithstanding subsection (2) and section 5, information or records in the possession of the department or the department of licensing and regulatory affairs may be shared to the extent necessary for the proper functioning of the department or the department of licensing and regulatory affairs in administering child welfare or child care facility licensing under this act or in an investigation conducted under section 43b of the social welfare act, 1939 PA 280, MCL 400.43b. Information or records shared under this subsection shall not be released by either the department or

the department of licensing and regulatory affairs unless otherwise permitted under this act or other state or federal law. Neither the department nor the department of licensing and regulatory affairs shall release or open for inspection any document, report, or record authored by or obtained from another agency or organization unless 1 of the conditions of subsection (10) applies.
