Minister David LaGrand, Pastor of Eastern Avenue Christian Reformed Church in Grand Rapids, offered the following invocation:

“Creator God, we come before You today in a space designed to inspire awe and respect. Those of us who were elected to serve here, spend our days being consulted and deferred to. It’s easy for us to feel important here. This is a seat of power and we have seats at the table. Help us to remember how much we do not and cannot know. You see all ends, we can see none. Help us to remember that we are weak fragile creatures prone to error and pride. Give us the grace to see and acknowledge our own mistakes and to forgive the mistakes of our colleagues. Lord, we confess that too often we give our allegiance to the false idols of safety and security and woefully forget the truth that we cannot save or secure; only You can do that. Help us to remember in humility that the messier mundane task we are called to, is to love our neighbor as ourselves. That task is hard, but it is within our power. Help us to remember that commandment as we listen to and talk about each other. Help us to hold all of our laws, policies and spending up to the light of this challenge. Help us to reason together in love. Help us to build a state where shared sacrifice honors the value and dignity of those who don’t win capitalism’s contests, who don’t have charms and popularity. Help us to listen to the small voices of those whose pain turns to defeat and despair. Lord, help us to build a community with real opportunities for forgiveness, reconciliation and solidarity. Lord, God, You have brought us here to these desks, these seats, help us to make room for all of Your children at the table. In Your name, Amen.”

**House Resolution No. 75.**

A resolution to declare April 28, 2017, as Worker Memorial Day in the state of Michigan.

Whereas, Every year on April 28, communities and worksites around the world honor friends, family members, and colleagues who have been killed or injured on the job; and

Whereas, The Federal Bureau of Labor Statistics has reported that more than 4,800 workers suffered fatal workplace injuries in 2015, the highest count since 2008. Nearly 3 million individuals suffered nonfatal work-related injuries and illnesses in 2015, including almost 110,000 workers in the Michigan. Experts estimate that at least 50,000 deaths occur annually as a result of occupational diseases; and

Whereas, One hundred thirty-four workers were lost through fatal workplace accidents in Michigan in 2015; and

Whereas, It is appropriate to honor the memory of the courageous and dedicated members of Michigan's labor force who have been injured or disabled or have died as a result of workplace accidents; and

Whereas, We remember those who have died in workplace catastrophes, suffered occupational-related diseases, or have been injured because of dangerous conditions; and

Whereas, Recognition of the integrity of Michigan's workforce and its achievements on behalf of the economic growth of our state is necessary; and

Whereas, The Michigan House of Representatives wishes to pay tribute to workers who have died or who have been injured or disabled in workplace accidents, to honor the contributions of Michigan's work force, and to call for increased workplace safety; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 28, 2017, as Worker Memorial Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Green, Sowerby, Yanez, Lucido, Chirkun, Hertel, Farrington, Yaroch, Marino, Brinks, Clemente, Cochran, Crawford, Faris, Geiss, Greig, Hornberger, Howrylak, Kelly, Liberati, Maturen, Moss, Sabo, Schor, Singh and Sneller offered the following resolution:

**House Resolution No. 76.**

A resolution to declare May 2017 as Mental Health Awareness Month in the state of Michigan.

Whereas, The month of May has been designated as Mental Health Awareness Month by Mental Health for America and its affiliates since 1949; and

Whereas, Tens of thousands of Michigan citizens are afflicted with a diagnosable mental, behavioral, or emotional disorder at any given moment. Mental illness includes anxiety disorders, schizophrenia, eating disorders, depression, and addictive behaviors; and

Whereas, The people of Michigan who are living with a mental health illness or addiction continue to require support and professional assistance in order to improve their quality of living and return to an independent, healthy, and fulfilling life; and

Whereas, In any given year, 336,000 adults in Michigan will have a serious mental illness and 56% of these adults will receive no treatment for their illness; and

Whereas, Mental illness can affect anyone, regardless of age. In our state, 84,000 adolescents will experience a major depressive episode a year, 56% of whom will receive no treatment for their illness; and

Whereas, Alcohol abuse and illicit drug dependence should be widely considered a mental illness that harms Michigan communities and citizens. 526,000 adults will experience heavy alcohol abuse in any given month and 205,000 individuals, from the ages of 12 or older, will experience an illicit drug dependence a year; and

Whereas, Ninety-one percent of the adults with heavy alcohol abuse and 81% of individuals with an illicit drug dependence will forgo treatment for their addiction; and

Whereas, Ignoring the illnesses of our fellow citizens will only further stigmatize those who suffer from a mental, behavioral, or emotional disorder. Leaving those members behind will only harm our community; and

Whereas, Michigan and the United States need to continue to reduce the stigmatization of mental illness and lend our support to those who are living with mental health disorders so they can seek professional assistance; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2017 Mental Health Awareness Month in the state of Michigan.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sowerby, Ellison, Faris, Liberati, Dianda, Sabo, Chirkun, Hoadley, Green, Moss, Yanez, Pagan, Rabhi, Sneller, Wittenberg, LaGrand, Elder, Gay-Dagnogo, Cochran, Geiss and Schor offered the following resolution:

**House Resolution No. 77.**

A resolution to urge the Congress of the United States to eliminate the cap on taxable earnings for Social Security.

Whereas, In 1935, President Roosevelt signed into law the Society Security Act. In the more than 80 years since its passage, this hallmark Great Depression program has provided a critical safety net to our nation's retirees, their surviving spouses, and to those with disabilities. Today, tens of millions of Americans count on their monthly Social Security benefit to make mortgage payments, rent payments, pay utility bills, and buy groceries; and

Whereas, The Social Security program is financed through legislatively-set payroll tax deductions. Since 1990, employers and employees have each remitted 6.2 percent of taxable earnings to the program. Individuals who are self-employed remit 12.4 percent to the program. The tax is calculated on taxable earnings up to certain amount, which changes annually according to the national wage index. The cap was installed originally to subject 90 percent of earnings nationwide to the program's levy; and

Whereas, The Social Security program's payroll tax is unfairly regressive. For the 2017 calendar year, only the first \$127,200 of taxable earnings are subject to the Social Security payroll tax, limiting the financial burden of the program for well-to-do workers and families. Since 1980, this policy has benefited about 7 percent of covered high-income workers each year; and

Whereas, According to the Social Security Trustees, the Social Security Trust Fund can only provide full benefit payments through 2034. In 2035, incoming payroll deductions will only be sufficient to support 75 percent of promised benefits. This impending crisis is caused, in part, by the growing rich-poor wage disparity in the United States that has led to the payroll tax capturing only 83 percent of covered payroll rather than the intended 90 percent. This self-inflicted financial crisis will devastate a generation of Americans who have come to expect and plan for regular Social Security benefit payments from a system they have spent their entire careers supporting faithfully; and

Whereas, To maintain the solvency of the Social Security Trust Fund and provide meaningful benefits, Congress has raised the payroll tax more than 20 times since 1937 and indexed the payroll cap to inflation. Despite these actions, the solvency of the trust fund is once again in jeopardy. Faced with a similar issue in 1994, Congress chose to eliminate the cap on Medicare payroll tax deductions, and the same action should be taken for the Social Security program; and

Whereas, Eliminating the cap is necessary for the preservation of the Social Security program and the wellbeing of American retirees. The additional payroll tax revenue that will be generated by subjecting earnings over the wage base cap will help solidify the Social Security Trust Fund for the next generation of American workers. This would ensure the Social Security program continues to provide predictable, plannable retirement income for decades to come; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to eliminate the cap on taxable wages for Social Security; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Tax Policy.

**Announcements by the Clerk**

The Clerk received the following dissent from Reps. Rabhi, Hammoud, Pagan and Hertel:

I hereby dissent on the proceedings in which the Speaker declared that there were insufficient members requesting to have their votes recorded on amendments to HB 4323 and HB 4313. Let the record of my dissent show that my reason for voting no is due to the fact that I and the remainder of my colleagues saw that over 1/5 of the members stood and expressed support of a record roll call vote. The ruling of the Speaker that there were insufficient votes was a clear violation of the Constitution of the State of Michigan and I deem it injurious to the public of the State of Michigan. Thus, under article 4, section 18, I respectfully request this dissent and reason for my dissent recorded in the official record of the house proceedings.

The Clerk received the following dissent from Reps. Schor, Hoadley and Green:

Today I submit my dissent to protest against the actions perpetrated by the Majority when it failed to allow constitutionally guaranteed recorded votes on parts of the budget. Members are fighting hard for a budget that supports our middle class, invests in our crumbling roads and bridges, ensures strong public safety and provides a top-rate education for our kids. To that end, we offered multiple amendments that would have resulted in a budget that more closely reflected these priorities. Despite explicit written evidence of the necessary 1/5 support within the chamber required for a record roll call vote, we were ignored and dismissed in violation of the Michigan Constitution. This is not what democracy looks like. I am disappointed in today's actions.

The Clerk received the following dissent from Rep. Wittenberg:

Today I submit my dissent to protest against the actions perpetrated by the Majority when it failed to allow constitutionally guaranteed recorded votes on parts of the budget. Members are fighting hard for a budget that supports our middle class, invests in our crumbling roads and bridges, ensures strong public safety and provides a top-rate education for our kids. To that end, we offered multiple amendments that would have resulted in a budget that more closely reflected these priorities. Despite explicit written evidence of the necessary 1/5 support within the chamber required for a record roll call vote, we were ignored and dismissed in violation of the Michigan Constitution. This is not democracy!

The Clerk received the following dissent from Rep. Greig:

I respectfully submit my dissent to protest against the actions perpetrated by the Majority when it failed to allow constitutionally guaranteed recorded votes on parts of the budget. Members are fighting hard for a budget that supports our middle class, invests in our crumbling roads and bridges, ensures strong public safety and provides a top-rate education for our kids. To that end, we offered multiple amendments that would have resulted in a budget that more closely reflected these priorities. Despite explicit written evidence of the necessary 1/5 support within the chamber required for a record roll call vote, we were ignored and dismissed in violation of the Michigan Constitution. This is not what democracy looks like. I am disappointed in today's actions.

The Clerk received the following dissent from Rep. Singh:

I hereby dissent to the actions of the House during second reading of HB 4323. I presented amendment 1Q and utilized the constitutional provision offered in the Michigan Constitution Article 4, section 18. More than 1/5 of members supported the request and 35% of them signed a letter stating that fact. The fact that the Speaker would not allow for a record roll call vote goes against the fabric of our democracy, the deliberative nature of the body and violates the constitutional provision that allows for members of the legislative body to have the voices of their constituents heard.
