Rep. Lee Chatfield, from the 107th District, offered the following invocation:

“Our heavenly Father, we thank You for the opportunity that You have provided each one of us to serve the people of this great state of Michigan. Lord, we are grateful for the privilege that You have provided us to do, as so many others have done before us, and enact policy that does as our Constitution and Declaration says: acknowledge the laws of nature and the laws of God. I pray Lord, that we would be devoted to doing, as Your prophet Micah instructed us: to do justly, to love mercy and to walk humbly with our God. I pray that we would be dedicated as a Chamber and as a state to the proposition that all men are created equal and that they are endowed by You, our Creator, with certain inalienable rights. I pray Lord, that we would protect those rights equally among all the men and women of this state. I pray Lord, that You would give us the power to accomplish these endeavors. I pray that we would treat and love one another as we would want to be treated. I pray Lord, with the policy that we enact in this Chamber, that it would be, not for our own personal advancement or gain, but would be policy that brings honor and glory to Your name. Lord, we love You, we need Your help and we pray all these things in the name of Your holy Son, Jesus Christ, Amen.”

The Speaker called Associate Speaker Pro Tempore Glenn to the Chair.

### Motions and Resolutions

Reps. Kosowski, Brinks, Canfield, Cochran, Cox, Elder, Green, Hammoud, Howrylak, Hughes, Love, Maturen, Phelps, Sneller, Sowerby and Zemke offered the following resolution:

**House Resolution No. 255.**

A resolution to declare February 2018 as Senior Independence Month in the state of Michigan.

Whereas, National Senior Independence Month serves as an opportunity to remind seniors to evaluate their current living situation, recognize the strengths and weaknesses in their daily routine, and make adjustments for a better lifestyle; and

Whereas, According to the Centers for Disease Control and Prevention, 1 in 4 adults who are 65 years of age or older experience a fall and more than 2.8 million older adults are treated in emergency departments for fall-related injuries each year; and

Whereas, In order for seniors to ensure that their homes are a place in which they can live safely and independently, they should check that all rooms are well lit and make lighting replacements where needed. Grab bars and handrails near the shower, bathtub and toilet are recommended for installation in restrooms in seniors' homes. Seniors should also keep floors and walkways clear of unnecessary items in order to be able to navigate areas of their home without fear of falling; and

Whereas, The United States Department of Health and Human Services Administration on Aging (AoA) promotes the well-being of older individuals by providing services and programs designed to help them live independently in their homes and communities; and

Whereas, For more than 50 years, the AoA has provided home-based and community-based services to millions of older adults through the programs funded under the Older Americans Act of 1965; and

Whereas, Services provided using AoA funds include, but are not limited to, transportation, adult day care, caregiver supports, and health promotion programs; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2018 as Senior Independence Month in the state of Michigan. We recognize the need to raise awareness of the services available and the steps seniors and their families can take to allow older Michigan citizens to remain in their homes and communities.

The question being on the adoption of the resolution,

Rep. Kosowski moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 255.**

Reps. Neeley, Faris, Sneller, Green, Hoadley, Hernandez, Singh, Geiss, Peterson, Dianda, McCready, Webber, Kesto, Tedder, Zemke, Sheppard, Glenn, LaGrand, Camilleri, Rabhi, Greig, Brinks, Liberati, Wittenberg, Elder, Moss, Garrett, Hammoud, Chang, Guerra, Byrd, Yancey, Santana, Sowerby, Ellison, Yanez, Jones, Phelps, Kosowski, Robinson, Love, Canfield, Cochran, Howrylak and Maturen offered the following resolution:

**House Resolution No. 256.**

A resolution to honor the memory of William Webb Ferguson.

Whereas, William Webb Ferguson was the first African American to be elected to the Michigan Legislature and his legal efforts brought about the end of segregation practices in Michigan; and

Whereas, Mr. Ferguson was from Detroit and the first African American to enroll in the Detroit Public School system where he graduated with honors in 1876; and

Whereas, The Ferguson family founded the first Detroit newspaper for and by the black community and he continued his family tradition by learning the printing trade and opening Ferguson Printing Company; and

Whereas, Mr. Ferguson held several prominent positions in Detroit, and served as a leader in the African American community, and was key ally to Mayor Hazen Pingree; and

Whereas, William Webb Ferguson was an outspoken advocate of the rights of African Americans. After being denied service at a restaurant for refusing to sit in the “colored section” he filed a discrimination lawsuit that was eventually heard before the Michigan Supreme Court. The court sided with Ferguson and ruled racial segregation in public places violated Michigan law; and

Whereas, In 1892 he was elected as a Republican into the Michigan House of Representatives where he served from 1893 until 1896. As a state representative, Mr. Ferguson was best known for supporting retirement benefits for disabled firemen and pensions for the families of deceased firemen; and

Whereas, After leaving the legislature, Mr. Ferguson obtained his law degree from the Detroit College of Law and remained active in Detroit and Wayne County political circles; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor the memory of William Webb Ferguson. We commemorate the unveiling of his portrait outside the former Supreme Court where he won his landmark civil rights case; and be it further

Resolved, That William Webb Ferguson’s legacy inspire others and remind us of the important achievements he contributed to Michigan and to the African American community.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Calley, LaSata, Alexander, Griffin, Hornberger, Miller, Brinks, Canfield, Cochran, Cox, Geiss, Green, Hammoud, Howrylak, Kahle, Kesto, Love, Marino, Maturen, Phelps, Sneller and Zemke offered the following resolution:

**House Resolution No. 257.**

A resolution to declare March 2018 as Reading Month in the state of Michigan.

Whereas, The members of the Michigan House of Representatives are dedicated to providing a quality education to all the children in Michigan; and

Whereas, The residents of Michigan believe that reading is fundamental to children’s development and education. Literacy empowers parents in their role as their children’s first teacher; and

Whereas, Children learn to read until Grade 3 then read to learn thereafter. Research shows that children who learn to read by 3rd grade have greater success in school. Students who struggle with reading proficiency are less likely to graduate from high school; and

Whereas, Reading is essential to everyday life, both inside and outside of the classroom. Reading opens doors and allows children to explore the entire world and beyond. Reading is also a cornerstone to building productive contributing citizens, capable of reaching their individualized potential; and

Whereas, We recognize and promote the importance of community and parental involvement in every child's success in school; and

Whereas, The House of Representatives is committed to helping Michigan's children be successful throughout their academic careers; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2018 as Reading Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Garrett, Neeley, Wittenberg, Gay-Dagnogo, Durhal, Geiss, Yancey, Moss, Chang, Peterson, Jones, Brinks, Cochran, Elder, Hammoud, Love, Phelps, Sowerby and Zemke offered the following resolution:

**House Resolution No. 258.**

A resolution to declare February 2018 as The Power of Black Dollar Appreciation Month in the state of Michigan.

Whereas, The cultural impact of the African American community is widely acknowledged and appreciated every year during Black History Month. However, the economic contribution and impact of African American consumers on the national and global economies are much less understood; and

Whereas, Black buying power currently stands at over \$1.3 trillion and is on the road to hit about \$1.5 trillion by 2021. This figure accounts for 8.7% of the nation's total economic output. If taken separately, this would equal or exceed the entire nominal GDP of Spain, Mexico, Saudi Arabia, and Switzerland; and

Whereas, The portrayal of African Americans by the media is such that the Black underclass continues to define Black America in the view of much of the public. Many assume all Blacks live in ghettos, often in high-rise public housing projects; and

Whereas, More than 40% of African Americans now consider themselves members of the middle class. Approximately 42% own their own homes and this figure that rises to 75% if we look just at Black married couples; and

Whereas, African Americans spent \$206.2 billion on housing, \$70.7 billion on food, \$25.5 billion on health care, \$22.6 billion on transportation, \$21.1 billion on apparel products and services, \$20.6 billion on insurance, \$19.7 billion on donations to charities, \$15.2 billion on household furnishings and equipment, and \$9.7 billion on media in 2011; and

Whereas, The economic and cultural impact of African Americans withdrawing from economic participation by means of boycotting, was an instrumental and driving force for social and economic equality during the civil rights movement of the 1950s and 60s. Specifically, the Montgomery bus boycott occurred between 1955 and 1956 and was organized by the newly founded Mississippi Improvement Association. The boycott was a turning point for civil rights and showed Alabama that African Americans were serious and willing to go to great lengths for their cause. It successfully lasted for 381 days as the Supreme Court had come to the conclusion that the bus segregation was unconstitutional; and

Whereas, Other demographic segments have identified Blacks as a driving force for popular culture as 73% of Whites and 67% of Hispanics believe Blacks influence mainstream American culture; and

Whereas, The rise of streaming media services has reduced consumer spending on Hollywood generated projects. African American inspired and produced movies continue to express the economic power that Blacks yield. A recently released blockbuster movie, a Black movie by Hollywood's standard, defined as films featuring Black actors as leads and the primary driving force for moving the plot, has shattered numerous Hollywood box office records, achieving the second highest gross sales for a premier weekend, generating \$426.6 million in four days; and

Whereas, If Black consumers continued to grow Black consumer spending at Black owned business to 10% of their disposable income, it would generate 1 million additional jobs for African Americans. Second only to the government, Black-owned businesses are the biggest employer of African Americans; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare February 2018 as The Power of Black Dollar Appreciation Month in the state of Michigan. We acknowledge and appreciate the economic contribution that African Americans make to this country and recognize the often overlooked crucial fiscal impact of the Black Dollar.

The question being on the adoption of the resolution,

Rep. Garrett moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 258.**

Whereas, Black buying power was estimated to hit over \$1.3 trillion in 2017, and is also projected to hit about \$1.5 trillion by 2021. This figure accounts for 8.7% of the nation's total economic output; and

Whereas, The portrayal of African Americans by the media is such that the Black underclass continues to define Black America in the view of much of the public. Many assume all Blacks live in ghettos, often in high-rise public housing projects; and

Whereas, At least 33% of African Americans now consider themselves members of the middle class and approximately 42% own their own homes; and

Whereas, The economic and cultural impact of African Americans withdrawing from economic participation by means of boycotting was an instrumental and driving force for social and economic equality during the civil rights movement of the 1950s and 60s. Rep. Marino offered the following resolution:

**House Resolution No. 259.**

A resolution to memorialize the Detroit Zoological Society to locate the proposed Great Lakes Nature Center at Lake St. Clair Metropark.

Whereas, The Detroit Zoological Society recently announced plans to build a 20,000-square foot, \$10 million Great Lakes Nature Center in Macomb County. Billed as a world-class freshwater nature center, the facility will include aquariums, animal habitats, and displays on the science and ecology of the Great Lakes; and

Whereas, The Lake St. Clair Metropark is an ideal location for the new nature center and one of several sites being considered. Located in Harrison Township, the 770-acre Metropark is situated on the waterfront with more than 5,000 feet of shoreline. It is about 20 miles northeast of Detroit via I-94, providing easy access to the residents of Detroit and the surrounding suburbs; and

Whereas, The Lake St. Clair Metropark regularly registers over 360,000 vehicle entries a year. The Great Lakes Nature Center will benefit from the many visitors who regularly seek the amenities of the park year-round while new and veteran visitors will be afforded the educational opportunities that the additional nature center will offer; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Detroit Zoological Society to locate the proposed Great Lakes Nature Center at Lake St. Clair Metropark; and be it further

Resolved, That copies of this resolution be transmitted to the Detroit Zoo Executive Director, the Detroit Zoo Board of Directors, the Macomb County Zoological Authority, and the Huron-Clinton Metropolitan Authority Board of Commissioners.

The resolution was referred to the Committee on Agriculture.
