Rev. Jeff Barbieri, Lead Pastor of Grace Point Evangelical Free Church in Adrian, offered the following invocation:

“Dear Heavenly Father,

We begin today with hearts of thanks. Thank You for Your love and boundless grace that is ever available to us through Jesus Christ. Thank You for the assurance we have in Your word that You are present here with us today. Thank You for Your countless blessings. And Father, we give You thanks for this good work You have given us to do; to serve the people of Michigan.

Your Scriptures describe the important role of governing authorities. You have established them to promote order, justice, and peace. Therefore, I pray for this House of Representatives today. Lord, please give them clarity to see what is right and good. Grant them courage to do it. Father, may You give them wisdom and vision. Help them to see the needs and the issues of our time and clarity to act. And may You grant them a spirit of cooperation and understanding as they work and serve alongside one another.

For all that is set before them today, may their every decision be pleasing to You. I pray their work on behalf of the people of Michigan brings them a true sense of joy and fulfillment.

I pray Your blessing upon this House today. Father, I pray it through the Son, and by the Spirit, Amen.”

### **Motions and Resolutions**

Reps. Inman, Allor, Brinks, Canfield, Chirkun, Cochran, Faris, Gay-Dagnogo, Greig, Howrylak, Kelly, Liberati, Maturen, Singh, Sowerby and Wittenberg offered the following resolution:

**House Resolution No. 343.**

A resolution to declare May 20-26, 2018, as Public Works Week in the state of Michigan.

Whereas, Public works and infrastructure, facilities, and services are of vital importance to sustainable communities and to the health, safety, and well-being of the people of Michigan; and

Whereas, Such facilities and services could not be provided without the dedicated efforts of public works professionals, engineers, managers, and employees from state and local units of government and the private sector. They are responsible for and must plan, design, build, operate, and maintain the transportation, water supply, water treatment, and solid waste systems, public buildings and other structures and facilities essential to serve our citizens; and

Whereas, It is in the public interest for citizens, civic leaders, and children in Michigan to gain knowledge of and to maintain an interest and understanding of the importance of public works and public works programs in their communities; and

Whereas, May 20-26, 2018, marks the 58th annual National Public Works Week sponsored by the American Public Works Association; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 20-26, 2018, as Public Works Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Phelps, Allor, Brinks, Canfield, Chirkun, Cochran, Faris, Gay-Dagnogo, Greig, Howrylak, Kelly, Liberati, Maturen, Pagan, Singh, Sneller, Sowerby and Wittenberg offered the following resolution:

**House Resolution No. 344.**

A resolution to declare May 17, 2018, as Diffuse Intrinsic Pontine Glioma Day in the state of Michigan.

Whereas, Diffuse Intrinsic Pontine Glioma (DIPG) affects between 200 and 400 children in the U.S. each year. DIPG is the second most common malignant brain tumor found in children. DIPG is a tumor located in the middle of the brainstem

where the cerebrum connects to the spinal cord. It grows among and around healthy nerves in the area, making surgical removal impossible at this time. DIPG interferes with all bodily functions, depriving a child of the ability to move, to communicate, and even to eat and drink; and

Whereas, Brain tumors are the leading cause of cancer-related deaths in children. DIPG is the leading cause of childhood death due to brain tumors. The median survival rate is only 9 months and the five-year survival rate is less than 1%; and

Whereas, Given the age at diagnosis and the average life expectancy, the number of life years lost annually because of DIPG is approximately 25,000 years (calculated as the number of children diagnosed multiplied by average male and female life expectancy from that median age,  $300 \times 80 = 25,000$  years of person life lost annually); and

Whereas, Research is still seeking to fully understand the disease. Prognosis has not improved for children with DIPG in over 35 years; and

Whereas, Research and awareness are both growing in recent years thanks to the advocacy of groups like Team Buddy Boy and ChadTough, whose efforts have led to linking some parts of DIPG to other forms of cancer possibly broadening treatment options; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 17, 2018, as Diffuse Intrinsic Pontine Glioma Day in the state of Michigan.

The question being on the adoption of the resolution,

Rep. Phelps moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 344.**

**Explanation of "No" Votes**

Rep. Geiss, having reserved the right to explain her protest against the passage of **House Bill Nos. 5953 and 5954**, made the following statement:

"Mr. Speaker and members of the House:

While the safe haven baby box legislation is a valiant attempt at aiming to protect 'unwanted' newborns and infants, by creating additional ways that such newborns and infants can be relinquished anonymously and safely, questions and concerns about the devices and their use have not been sufficiently answered to give me confidence to vote for this legislation. First, because the 'baby boxes' would operate similarly to night deposit vaults at financial institutions, but at participating police and fire departments and hospitals, it seems that little to no consideration has been given with respect to the 'baby boxes' being used for malicious intent against our first responders. Second, with such complete anonymity, how would the recipients know the health history of the child. Unless relinquished at a hospital, who would do a health intake of the newborn or infant? And third, there is no clear indication in the legislation how the relinquished newborn or infant would be connected with adoptive services. This type of legislation needs additional clarification and work. I am hopeful that these issues will be addressed when the bill package is with the senate."
