Senate Bill 170 (as introduced 2-21-17)
Sponsor: Senator Margaret O'Brien
Committee: Judiciary

Date Completed: 9-21-17

CONTENT

The bill would amend the Michigan Vehicle Code to require a vehicle overtaking a bicycle on the right to pass at a distance of at least five feet.

Section 637 of the Code allows the driver of a vehicle to overtake and pass to the right of another vehicle only if certain conditions exist. The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting the overtaking and passing in safety. A violation is a civil infraction.

Under the bill, the driver of a vehicle overtaking a bicycle, when otherwise permitted by Section 637, would have to pass at a safe distance of at least five feet to the right of the bicycle.

The bill would take effect 90 days after its enactment.

FISCAL IMPACT

The bill would have no fiscal impact on the State and could have a small positive impact on local governments. Any increase in revenue from civil infractions would be dedicated to public libraries.
