Senate Bill 1172 (as introduced 11-8-18)
Sponsor: Senator Rick Jones
Committee: Judiciary

Date Completed: 11-21-18

CONTENT

The bill would amend the Open Meeting Act to specify that the Act would not apply to a meeting of the Address Confidentiality Program Advisory Council.

The Act requires all meetings of a public body to be open to the public. Subject to certain exceptions, all deliberations of a public body constituting a quorum of its members must take place at a meeting open to the public. In addition, all decisions of a public body must be made at a meeting open to the public.

The Act does not apply to various public bodies or individuals when they are deliberating the merits of a case.

Under the bill, the Act also would not apply to a meeting of the Address Confidentiality Program Advisory Council established under the Address Confidentiality Program Act, which Senate Bill 655 would create.¹

The bill is tie-barred to Senate Bill 655.
