THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6. (1) Except as otherwise provided in this section, the
2 department shall permanently retain a DNA identification profile of
3 an individual obtained from a sample in the manner prescribed by
4 the department under this act if any of the following apply:

5 (a) The individual is arrested for committing or attempting to
6 commit a felony offense or an offense that would be a felony
7 offense if committed by an adult.

8 (b) The individual is convicted of or found responsible for a
9 felony or attempted felony, or any of the following misdemeanors,

1 or local ordinances that are substantially corresponding to the
2 following misdemeanors:

4 Michigan penal code, 1931 PA 328, MCL 750.167, disorderly person by
5 window peeping, engaging in indecent or obscene conduct in public,
6 or loitering in a house of ill fame or prostitution.

11 prostitution violations.

12 (iv) A violation of section 454 of the Michigan penal code,
13 1931 PA 328, MCL 750.454, leasing a house for purposes of
14 prostitution.

15 (2) The DNA **IDENTIFICATION** profiles of DNA samples received
16 under this act ~~shall~~**MUST** only be disclosed as follows:

17 (a) To a criminal justice agency for law enforcement
18 identification purposes.

19 (b) In a judicial proceeding as authorized or required by a
20 court.

21 (c) To a defendant in a criminal case if the DNA
22 **IDENTIFICATION** profile is used in conjunction with a charge against
23 the defendant.

24 (d) For an academic, research, statistical analysis, or
25 protocol developmental purpose only if personal identifications are
26 removed.

27 (3) Notwithstanding subsection (1), if at the time the

1 individual is arrested, convicted of, or found responsible for the
2 violation the investigating law enforcement agency or the
3 department already has a sample from the individual that meets the
4 requirements of this act, the individual is not required to provide
5 another sample or pay the assessment required under subsection (5).

6 (4) The county sheriff or the investigating law enforcement
7 agency as ordered by the court shall provide for collecting the
8 samples required to be provided under subsection (1) in a medically
9 approved manner by qualified persons using supplies provided by the
10 department and shall forward those samples and any samples
11 described in subsection (1) that were already in the agency's
12 possession to the department after the individual from whom the
13 sample was taken has been arraigned in the district court. However,
14 the individual's DNA sample ~~shall~~**MUST** not be forwarded to the
15 department if the individual is not charged with committing or
16 attempting to commit a felony offense or an offense that would be a
17 felony if committed by an adult. If the individual's DNA sample is
18 forwarded to the department despite the individual not having been
19 charged as described in this subsection, the law enforcement agency
20 shall notify the department to destroy that sample. The collecting
21 and forwarding of samples ~~shall~~**MUST** be done in the manner required
22 under this act. A sample ~~shall~~**MUST** be collected by the county
23 sheriff or the investigating law enforcement agency after arrest
24 but before sentencing or disposition as ordered by the court and
25 promptly transmitted to the department of state police after the
26 individual is charged with committing or attempting to commit a
27 felony offense or an offense that would be a felony if committed by

1 an adult. This subsection does not preclude a law enforcement
2 agency or state agency from obtaining a sample at or after
3 sentencing or disposition. At the time a DNA sample is taken from
4 an individual under this section, the individual shall be notified
5 in writing of all of the following:

6 (a) That, except as otherwise provided by law, the
7 individual's DNA sample or DNA **IDENTIFICATION** profile, or both,
8 shall be destroyed or expunged, as appropriate, if the charge for
9 which the sample was obtained has been dismissed or resulted in
10 acquittal, or no charge was filed within the limitations period.

11 (b) That the individual's DNA sample or **DNA IDENTIFICATION**
12 profile, or both, will not be destroyed or expunged, as
13 appropriate, if the department determines that the individual from
14 whom the sample is taken is otherwise obligated to submit a sample
15 or if it is evidence relating to another individual that would
16 otherwise be retained under this section.

17 (c) That the burden is on the arresting law enforcement agency
18 and the prosecution to request the destruction or expunction of a
19 DNA sample or **DNA IDENTIFICATION** profile as required under this
20 section, not on the individual.

21 (5) The court shall order each individual found responsible
22 for or convicted of 1 or more crimes listed in subsection (1) to
23 pay an assessment of \$60.00. The assessment required under this
24 subsection is in addition to any fine, costs, or other assessments
25 imposed by the court.

26 (6) An assessment required under subsection (5) ~~shall~~**MUST** be
27 ordered ~~upon~~**ON** the record and ~~shall~~**MUST** be listed separately in

1 the adjudication order, judgment of sentence, or order of
2 probation.

3 (7) After reviewing a verified petition by an individual
4 against whom an assessment is imposed under subsection (5), the
5 court may suspend payment of all or part of the assessment if it
6 determines the individual is unable to pay the assessment.

7 (8) The court that imposes the assessment prescribed under
8 subsection (5) may retain 10% of all assessments or portions of
9 assessments collected for costs incurred under this section and
10 shall transmit that money to its funding unit. On the last day of
11 each month, the clerk of the court shall transmit the assessments
12 or portions of assessments collected under this section as follows:

14 investigating law enforcement agency that collected the DNA sample
15 as designated by the court to defray the costs of collecting DNA
16 samples.
