Rep. Brian K. Elder, from the 96th District, offered the following invocation:

“I arise today
 Through the strength of heaven;
 Light of the sun,
 Splendor of fire,
 Speed of lightning,
 Swiftmess of the wind,
 Depth of the sea,
 Stability of the earth,
 Firmness of the rock.
 I arise today
 Through God’s strength to pilot me;
 God’s might to uphold me,
 God’s wisdom to guide me,
 God’s eye to look before me,
 God’s ear to hear me,
 God’s word to speak for me,
 God’s hand to guard me,
 God’s way to lie before me,
 God’s shield to protect me,
 God’s hosts to save me
 Afar and anear,
 Alone or in a multitude.
 I arise today
 Through the mighty strength
 Of the Lord of creation.
 May you have:
 A world of wishes at your command.
 God and His angels close to hand.
 Friends and family their love impart,
 And Irish blessings in your heart!
 Amen.”

The Speaker assumed the Chair.

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 42** out of numerical order.

Reps. Schroeder, Paquette, Bollin, Howell, Berman, Hertel, Wozniak, Garrett, Stone, Koleszar, Lasinski, Filler, Huizenga, Inman, Hauck, Crawford, Bellino, Wittenberg, Kuppa, Guerra, Camilleri, Rendon, Allor, Calley, Haadsma, Kahle, Love, Sneller, Warren and Yaroch offered the following resolution:

House Resolution No. 42.

A resolution to declare March 10-16, 2019, as Sunshine Week in the state of Michigan.

Whereas, Sunshine Week is a national initiative spearheaded by the American Society of News Editors to educate the public about the importance of open government and the dangers of excessive and unnecessary secrecy. The first nationwide Sunshine Week took place March 13-19, 2005. Sunshine Week was established to spark a discussion about the importance of open government and public access to government documents and meetings; and

Whereas, The American public has relied on a free press for more than two centuries to stay informed about the many activities in which our government engages. Thomas Jefferson penned in his letter to Elbridge Gerry on January 26, 1799, that “I am ... for freedom of the press, and against all violations of the Constitution to silence by force and not by reason the complaints or criticisms, just or unjust, of our citizens against the conduct of their agents.” Six U.S. Supreme Court justices ruled in favor of the *Freedom of the Press in New York Times Co. v. United States*, with Justice Black concurring, “Only a free and unrestrained press can effectively expose deception in government.”; and

Whereas, An open and accessible government is vital to establishing and maintaining the people's trust and confidence in their government and in the government's ability to effectively serve its citizens and free press is an essential part of that mission; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 10-16, 2019, as Sunshine Week in the state of Michigan. The House of Representatives realizes every citizen in our participatory democracy has an inherent right to access to government meetings and public records and is committed to openness and transparency in all aspects of its operations and seeks to set a standard in this regard.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Brixie, Kennedy, Ellison, Cherry, Love, Kuppa, Hope, Manoogian, Pohutsky, Wittenberg, Hammoud, Hoadley, Clemente, Haadsma, Robinson, Hood, Stone, Shannon, Elder, Sowerby, Bolden, Rabhi, Guerra, Tate, Brenda Carter, Coleman, Whitsett, Lasinski, Sneller and Warren offered the following resolution:

House Resolution No. 39.

A resolution to memorialize the Congress of the United States to amend the Internal Revenue Code to allow feminine-hygiene products to qualify as an eligible expense under flexible spending accounts.

Whereas, Chapter 26, section 125 of the U.S. Internal Revenue Code permits employers to offer and maintain flexible spending accounts for their employees. Flexible spending accounts, or FSAs, allow an employee to set aside part of their paychecks to pay for certain qualified expenses. The money set aside in FSA programs is not considered income by the IRS, and therefore, the money deposited into these programs is removed from the participant's taxable income; and

Whereas, Flexible spending accounts provide significant benefit to participants. FSAs allow employees to reduce the after-tax cost of medical services and qualified products bought by participants and their dependents. The program allows participants to be reimbursed for these services and products, effectively making them a tax-free expenditure. Under the program, a broad range of services and products are eligible for reimbursement, including doctor office deductibles, prescriptions, eye glasses and contacts, cosmetic dentistry, and others. Products eligible for reimbursement include items such as sunscreen, adhesive pads, medical gauze, and male condoms. Products eligible for FSA reimbursement do not include feminine-hygiene products; and

Whereas, Feminine-hygiene products are essential to the health care needs of women. Despite the medical necessity, expense, and frequency of need, these products are not eligible for FSA reimbursement, and yet, similar hygiene products are covered under the program. It is time to make feminine-hygiene products FSA eligible; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to amend the Internal Revenue Code to allow feminine-hygiene products to qualify as an eligible expense under flexible spending accounts; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation. The resolution was referred to the Committee on Health Policy.

Rep. Inman offered the following resolution:

House Resolution No. 40.

A resolution to commemorate the 40th anniversary of the founding of the Michigan Counties Workers' Compensation Fund.

Whereas, March 2019 marks 40 years of the Michigan Counties Workers' Compensation Fund in the state of Michigan; and

Whereas, The origins of the Michigan Counties Workers' Compensation Fund began in 1979, when Livingston, Delta, Gogebic, Oceana, Otsego, Leelanau, Ionia, Cheboygan, Newaygo, and St. Clair counties came together to launch the venture; and

Whereas, The fund has grown from these original members to 83 participating entities and over 34 million dollars in assets. Members of the fund now include medical care facilities, housing commissions, transit agencies, villages, mental health authorities and other specialty county or multi-county endeavors; and

Whereas, Today, the Michigan Counties Workers' Compensation Fund and the 11 members of its Board of Trustees continue their record of great customer service, strict adherence to the rules set forth by the Worker's Compensation Agency, strong safety compliance, and outstanding financial planning; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 40th anniversary of the founding of the Michigan Counties Workers' Compensation Fund; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Counties Workers' Compensation Fund, as evidence of our esteem for their continued work on behalf of county workers throughout Michigan over the last 40 years.

The question being on the adoption of the resolution,

Rep. Inman moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 40.

A resolution to commemorate the 40th anniversary of the founding of the Michigan Counties Workers' Compensation Fund.

Whereas, March 2019 marks 40 years since the founding of the Michigan Counties Workers' Compensation Fund in the state of Michigan; and

Whereas, The origins of the Michigan Counties Workers' Compensation Fund began when Livingston, Delta, Gogebic, Oceana, Otsego, Leelanau, Ionia, Cheboygan, Newaygo, and St. Clair counties came together to launch the venture; and

Whereas, The fund has grown from these original members to 79 participating entities and over 34 million dollars in assets. Members of the fund now include medical care facilities, housing commissions, transit agencies, villages, mental health authorities and other specialty county or multi-county endeavors; and

Whereas, Today, the Michigan Counties Workers' Compensation Fund and the 11 members of its Board of Trustees continue their record of great customer service, strict adherence to the rules set forth by the Workers' Compensation Agency, strong safety compliance, and outstanding financial planning; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 40th anniversary of the founding of the Michigan Counties Workers' Compensation Fund; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan Counties Workers' Compensation Fund, as evidence of our esteem for their continued work on behalf of public employees throughout Michigan over the last 40 years.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hall, Hoytenga, Wendzel, Afendoulis, Maddock, Paquette, Steven Johnson, LaFave, Rendon, Markkanen, Wozniak, Berman, Reilly, Marino, Miller, Hornberger, Meerman and Lower offered the following resolution:

House Resolution No. 41.

A resolution to oppose the Green New Deal as outlined in U.S. House Resolution 109 and U.S. Senate Resolution 59 and encourage our national leaders to pursue smarter evidence-based regulatory practices.

Whereas, U.S. House Resolution 109 and U.S. Senate Resolution 59 have been introduced in Congress recognizing the duty of the federal government to create a Green New Deal. The Green New Deal calls for an elimination of greenhouse gas emissions through public works projects and federal regulation. In addition to climate goals, the plan includes far reaching social promises that are contrary to traditional American principles by providing a basic income for able-bodied adults unwilling to work; and

Whereas, The projects proposed in the Green New Deal would be extremely expensive. One analysis estimated the cost could be as high as \$93 trillion over 10 years, which would lead to crippling new taxes and debt; and

Whereas, Well established American industries would be harmed by excessive environmental regulation proposed in the Green New Deal. Our trucking, automobile, and agriculture industries would all be affected, putting countless jobs at risk; and

Whereas, The Green New Deal would stifle economic development and consumers will bear the burden. Rather than allow efficient market forces to put pressure on businesses to lower greenhouse gas emissions, business decisions will be based on the whims of federal regulation at the expense of consumer affordability and employee wages; and

Whereas, Achieving the goals set out in the Green New Deal may not even be technologically feasible in the 10-year time-frame. There is no justification for the enormous economic harm this deal will cause especially if it cannot meet its stated goals; now, therefore, be it

Resolved by the House of Representatives, That we oppose the Green New Deal as outlined in U.S. House Resolution 109 and U.S. Senate Resolution 59 and encourage our national leaders to pursue smarter evidence-based regulatory practices; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Energy.

The Speaker called the Speaker Pro Tempore to the Chair.
