Pastor John Gunden, Pastor of The River's Edge Church in Caseville, offered the following invocation:

“Dear Heavenly Father,

Many here believe in Your Sovereign rule over the universe. We've all wrestled against that rule in our hearts. But I pray that ***Your will would be done*** in this house, representing 110 districts ***as it is in heaven***.

Your Word reminds us that You select all who are in authority. Because You are King of Kings & Lord of Lords, You have chosen each member here. I pray that every representative would bow willingly to Your Sovereignty -that as a result, the people of Michigan might be blessed and that You would be credited with the Glory that is due Your name.

Give these representatives wisdom, that they would know what is good and what is not; what is right and what is wrong; what would please You and what does not. Make them wise to lead others in Your path, and may their advisors, counsel them according to the wisdom You grant.

Give this body motivation, a desire to implement the wisdom and directives You give. Inspire them with courage to face the obstacles Your enemies put in their way. Let them be willing to lose their seat for the sake of righteousness. Give them courage to represent You first and foremost in this chamber and thereby represent the people of their districts best.

Give our representatives strength because You possess all power. Lord show how they can influence for godly outcomes. Give them strength, for surely some face personal battles, family disappointments, sickness and loss, give them strength to carry on and glorify Your name.

Give them patience with one another. Even today, let them be kind and civil, let them forgive as You forgive. May they take an interest in one another, learn to trust one another and do what seems impossible: work to fix the problems of Michigan.

Heavenly Father, let pride, hatred and greed be destroyed in this chamber and may Your goodness and righteousness govern our state.

I pray these things in the mighty name of Jesus Christ, our Lord and Savior, Amen.”

Motions and Resolutions

Reps. Manoogian, Hammoud, Camilleri, Brenda Carter, Hope, Bolden, Peterson, Tyrone Carter, Hood, Clemente, Stone, Whitsett, Sowerby, Garza, Cynthia Johnson, Liberati and Love offered the following resolution:

House Resolution No. 242.

A resolution to urge the Congress of the United States and the Centers for Disease Control and Prevention to provide financial assistance to the state of Michigan and affected residents to address the novel coronavirus outbreak.

Whereas, Coronavirus disease 2019 (COVID-19), also commonly referred to as the novel coronavirus, is a mild to severe respiratory illness that spreads from person to person. Symptoms include fever, cough, and shortness of breath. Many patients with the most severe complications have developed pneumonia in both lungs. Older adults and people with underlying health conditions have the greatest risk of developing serious illness. The mortality rate appears to be higher than that of influenza; and

Whereas, The novel coronavirus was first detected in China but has spread to nearly 70 locations internationally, including the United States. The serious threat to public health posed by the virus led the U.S. Secretary of Health and Human Services to declare a public health emergency for the United States. In early February 2020, the state of Michigan activated the Community Health Emergency Coordination Center to address the state and local outbreak response; and

Whereas, Coordinating the novel coronavirus outbreak response is a costly endeavor for the state of Michigan and the entire country. The first two months of national coronavirus response will cost an estimated \$25 million. Michigan has already mobilized state employees and numerous resources to assist local health departments, distribute guidelines and educational materials, and screen and investigate potential cases; and

Whereas, The cost of testing, treating, and containing the virus could be steep for affected individuals, particularly among the 27.5 million uninsured people in the United States. The Centers for Disease Control and Prevention initially provided free test kits to public health departments, but testing by hospitals and private laboratories may not be free. Uninsured or underinsured patients may be forced to pay thousands of dollars in out-of-pocket costs for emergency room and urgent care visits, hospital stays, and tests to rule out other illnesses; and

Whereas, The prospect of unaffordable medical bills could prevent low-income patients from seeking treatment. Avoiding treatment could increase the risk of the disease spreading; and

Whereas, Appropriate federal support for the novel coronavirus outbreak response is imperative to protect the health of Michigan residents and people across the country; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States and the Centers for Disease Control and Prevention to provide financial assistance to the state of Michigan and affected residents to address the novel coronavirus outbreak; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the Director of the Centers for Disease Control and Prevention, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Health Policy.

Reps. Elder, Hoadley, Hall, Pohutsky, Sneller, Stone, Cherry, Rabhi, Cynthia Johnson, Haadsma, Kennedy, Brenda Carter, Tate, Shannon, Kuppa, Tyrone Carter, Sabo, Robinson, Hope, Sowerby, Hood, Guerra, Manoogian, Bolden, Peterson, Hammoud, Garza, Liberati and Love offered the following resolution:

House Resolution No. 243.

A resolution to memorialize the Congress of the United States to pass H.R. 3219 of 2019 and S. 1792 of 2019, the Call Center Worker and Consumer Protection Act of 2019.

Whereas, Call centers are a major source of employment in the United States. About 2.5 percent of the U.S. workforce is employed by the industry, and the U.S. Bureau of Labor Statistics projects job growth of 5 percent for customer service representatives by 2026; and

Whereas, American communities have devoted taxpayer resources to encourage the growth of this industry and the creation of call center jobs. Many communities have committed millions of taxpayer dollars to incentivize companies to open call center jobs in their area. In 2015, the Tax Foundation found that several states offered tax incentives to new call center operations, sometimes resulting in a negative overall tax burden for the call center operator; and

Whereas, Call center operators are increasingly choosing to lay off American workers in favor of outsourcing operations to lower-wage, loosely regulated countries. This leaves American workers unemployed and communities to pick up the pieces from the lost financial investment. In late 2019, Alorica Inc. announced it would be closing a number of call centers across the country, including in Jackson, Michigan, while it was reported that the firm was considering hiring thousands of employees overseas; and

Whereas, H.R. 3219 of 2019 and S. 1792 of 2019 would incentivize call center operators to not outsource American jobs. The act would require the U.S. Department of Labor to maintain a publicly available list of all employers that relocated all or a significant portion of their call center or customer service work overseas. These companies would lose eligibility for federal grants and loans, while preference for civilian and defense-related contracts would be given to companies that do not appear on the list; and

Whereas, H.R. 3219 of 2019 and S. 1792 of 2019 would also allow consumers to express their preference of call centers located in the United States. The act would require overseas call centers to disclose their location to customers and transfer consumers to a service agent located within the United States upon request; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to pass H.R. 3219 of 2019 and S. 1792 of 2019, the Call Center Worker and Consumer Protection Act of 2019; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and members of the Michigan congressional delegation.

The resolution was referred to the Committee on Commerce and Tourism.

Reps. Hope, Cynthia Johnson, Sowerby, Kuppa, Anthony, Sabo, Elder, Gay-Dagnogo, Brenda Carter, Garza, Hood and Love offered the following concurrent resolution:

House Concurrent Resolution No. 18.

A concurrent resolution to urge the United States Congress to oppose recommendations to privatize the United States Postal Service.

Whereas, The USPS is a core governmental function recognized by our Founding Fathers in the U.S. Constitution. Article I, Section 8, Clause 7 of the U.S. Constitution grants Congress the power to establish post offices and post roads. Enacting the President's proposal would require Congress to neglect its constitutional responsibility; and

Whereas, The USPS provides high-quality universal service without taxpayer funding. The USPS receives no tax dollars and funds its operations through the sale of postage products and services. Even without taxpayer funding, the USPS provides excellent service and consistently receives the highest approval ratings of federal departments and agencies; and

Whereas, The USPS is a source of decent and dignified jobs in the United States. The USPS employs workers of all nationalities from diverse backgrounds of all kinds. The USPS has more than 500,000 employees at the center of the \$1.4 trillion mailing industry that employs 7.5 million Americans. It is also the nation's second-largest employer of military veterans; and

Whereas, Privatizing the USPS would limit service and increase prices for Michigan's 32 rural counties. A privatized postal service will be driven by profit and would lead to increased rates and lost service for rural areas where delivery is more expensive. This will enrich a few private companies at the expense of rural communities in Michigan and across the country; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Congress to oppose recommendations to privatize the United States Postal Service; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Government Operations.
