Rep. Jim Haadsma, from the 62nd District, offered the following invocation:

“We thank You, God, for bringing us here this afternoon, to act as one for state of Michigan, for, as the Apostle Paul wrote in his letter to the Galatians, ‘In Christ there is neither Jew nor Greek; there is neither slave nor free; there is no longer male and female, for you are all one in Christ Jesus;’ please minister through us today to act in such oneness. Amen.”

Rep. Cole moved that Rep. Markkanen be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Lasinski, Brixie, Pagan, Sabo, Greig, Sowerby, Hood, Ellison, Rabbi, Pohutsky, Yancey, Tate, Kuppa, Witwer, Wozniak, Hertel, Tyrone Carter, Koleszar, Warren, Stone, Clemente, Hope, Kennedy, Cynthia Neeley, Wittenberg, Cherry, Gay-Dagnogo, Cynthia Johnson, Shannon, Bolden, Hoadley, Camilleri, Guerra, Manoogian, Liberati, Brenda Carter, Coleman, Sneller, Hammoud, Elder, Chirkun, Peterson, Marino, Howell, LaGrand, Byrd, Whitsett, Jones, Garza, Cambensy, Haadsma, Garrett and Love offered the following resolution:

House Resolution No. 272.

A resolution to commemorate the celebration of the 75th anniversary of the Michigan Association for Justice and express appreciation for the organization’s contributions to promoting and protecting a fair and effective justice system in Michigan and safeguarding the 7th Amendment of the United States Constitution.

Whereas, It is an honor for the members of the Michigan Legislature to join in saluting the Michigan Association for Justice (MAJ) as it marks 75 years of service in jurisprudence. This renowned group was formed in 1945 with approximately twenty lawyers who were specialists in workers’ compensation. Mr. Sam Charfoos served as the first president of the organization which is dedicated to ensuring access to the civil justice system and defending our cherished right to a civil trial by jury; and

Whereas, The 7th Amendment to the United States Constitution grants every American the right to a civil trial by jury. Over the years, members of MAJ have fought courageously to protect the rights of consumers, workers, children, and families from powerful forces aligned against them. Trial lawyers are champions for vulnerable people who would otherwise have no voice; and

Whereas, The Constitution of Michigan of 1963, Article 1, Section 14, states that “The right of [civil] trial by jury shall remain.” We applaud the efforts of MAJ members to keep the justice system fair and open. Through effective efforts on behalf of innocent victims, civil rights, and equal rights, many people have gained access to justice, and many others have been protected by the precedents that certain of these cases have set. The accomplishments of the Michigan Association for Justice in fulfilling its mission of promoting and protecting a fair and effective justice system and ensuring that any person who is injured by the misconduct or negligence of others can obtain justice in Michigan’s courtrooms stand as a bulwark against unfairness, inequity, and injustice. Its 75 years of vigilance and attainment gives great significance to this notable milestone in MAJ history; now, therefore, be it

Resolved by the House of Representatives, that the members of this legislative body commemorate the celebration of the 75th anniversary of the Michigan Association for Justice and express appreciation for the organization’s contributions to promoting and protecting a fair and effective justice system in Michigan and safeguarding the 7th amendment of the United States Constitution; and be it further

Resolved, That copies of this resolution be transmitted to MAJ President Robert J. MacDonald, MAJ President-Elect Donna M. MacKenzie, MAJ Vice President Ronald K. Weiner, Executive Director Stephen V. Pontoni, and the membership and staff of this admirable organization as evidence of the Michigan Legislature’s lasting respect and admiration.

The question being on the adoption of the resolution,

Rep. Lasinski moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 272.

A resolution to commemorate June 11, 2020, as the celebration of the 75th anniversary of the Michigan Association for Justice and express appreciation for the organization’s contributions to promoting and protecting a fair and effective justice system in Michigan and safeguarding the 7th Amendment of the United States Constitution.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Rep. Cole moved that consideration of the resolution be postponed temporarily.

The motion prevailed.

Reps. Kuppa, Brixie, Stone, Sowerby, Shannon, Hammoud, Rabhi, Koleszar, Greig, Garza, Elder, Kennedy, Cynthia Neeley, Tyrone Carter, Yancey, Hoadley, Warren, Wittenberg, Coleman, Cherry, Chirkun, Gay-Dagnogo, Haadsma, Hope, Lasinski, Pagan, Sabo and Shannon offered the following resolution:

House Resolution No. 273.

A resolution to oppose actions by the United States Environmental Protection Agency relaxing the enforcement of environmental rules in response to the novel coronavirus outbreak.

Whereas, The spread of coronavirus disease 2019 (COVID-19) has resulted in a global pandemic spreading across 213 countries and other locations. In the most serious cases, this disease causes serious respiratory illness and death, with death rates that are notably higher than common viruses like influenza. In the United States alone, there have been hundreds of thousands of confirmed cases and tens of thousands of deaths with numbers continuing to rise daily; and

Whereas, On March 26, 2020, the U.S. Environmental Protection Agency (EPA) issued a memorandum announcing its temporary policy to relax the enforcement of federal environmental rules. The policy states that the EPA will use its enforcement discretion for noncompliance covered by the policy and does not expect to seek penalties for certain violations of environmental protection rules; and

Whereas, Relaxing environmental rules that protect the health of the public is not in the best interest of Americans at a time when public health is already severely threatened by COVID-19. Safe water is vital for preventing serious illness, both for consumption and for following COVID-19 handwashing recommendations. Clean air is important for everyone but particularly to protect individuals with chronic conditions who are already more vulnerable to COVID-19 and its serious respiratory complications; and

Whereas, Death rates from COVID-19 are higher in counties with higher levels of long-term air pollution according to a study conducted at Harvard University. Even small increases in certain types of air pollution lead to large increases in death rates from COVID-19. The researchers conclude that the "study results underscore the importance of continuing to enforce existing air pollution regulations to protect human health both during and after the COVID-19 crisis"; now, therefore, be it

Resolved by the House of Representatives, That we oppose actions by the United States Environmental Protection Agency relaxing the enforcement of environmental rules in response to the novel coronavirus outbreak; and be it further

Resolved, That copies of this resolution be transmitted to the Administrator of the United States Environmental Protection Agency and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Natural Resources and Outdoor Recreation.

The House returned to the consideration of

House Resolution No. 272.

A resolution to commemorate the celebration of the 75th anniversary of the Michigan Association for Justice and express appreciation for the organization's contributions to promoting and protecting a fair and effective justice system in Michigan and safeguarding the 7th Amendment of the United States Constitution. (The resolution was considered earlier today, see today's Journal, p. 1010.)

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Glenn, Calley, Cherry, Chirkun, Crawford, Gay-Dagnogo, Haadsma, Hoadley, Hope, Kennedy, Love, Pagan, Sabo, Shannon, Stone, Warren and Wittenberg offered the following resolution:

House Resolution No. 274.

A resolution to recognize June 12, 2020, as Women Veterans Recognition Day in the state of Michigan.

Whereas, Women have proudly served their country throughout all periods of the history of the United States, whether disguised as male soldiers during the American Revolution and Civil War, as nurses in World War I or as combat helicopter pilots in Afghanistan; and

Whereas, Women have formally been part of the United States Armed Forces since the inception of the Army Nurse Corps in 1901, but have informally served since the inception of our nation's military; and

Whereas, During the American Revolution, women served on the battlefield alongside the men, mainly as nurses, water bearers, often called "Molly Pitchers," cooks, laundresses, and saboteurs. Despite Army regulations that only men could enlist, women who wanted to join in the fighting circumvented the rules by masquerading as young men or boys; and

Whereas, In 1917, the Navy announced it would open enlistment to women. About 12,000 female yeomen entered the Navy and filled a variety of jobs, including draftsmen, interpreters, couriers, and translators; and

Whereas, During World War I, 307 women enlisted in the Marine Corps. Like their sisters in the Navy, they were limited to the enlisted ranks and worked mainly in Washington, D.C., doing various administrative jobs. Women's service contributions in World War I showed that they either had, or could quickly learn, nontraditional skills needed by the military; and

Whereas, Following Pearl Harbor, Congress authorized new components for women's services that increased the number of active duty positions in the Army and Navy Nurse Corps. In May 1942, the Army was given the authority to establish the Women's Army Auxiliary Corps, also known as the WAACs. The Navy, Coast Guard, and Marine Corps followed suit, but rather than making women an auxiliary component they opted to enroll them in the reserves on the same basis as their male counterparts, while the Army Air Forces enlisted nearly 1,100 female civilian volunteers who earned their silver wings as Women Airforce Service Pilots (WASP); and

Whereas, At the end of World War II in 1945, of the approximately 12 million people remaining in the Armed Forces, about 280,000 were women; and

Whereas, With the passage of the Women's Armed Services Integration Act of 1948, women became a permanent part of the United States military, but women continued to be restricted to two percent of the military population. That restriction was finally lifted in 1967 with the amendment of the Women's Armed Services Integration Act, which also opened senior officer ranks to women; and

Whereas, The early 1990s were a historic time for women in the military with over 40,000 women deploying in support of the Persian Gulf War, making women service members more visible in the eyes of the public. In addition, the Defense Authorization Act in 1992 repealed combat exclusion laws that had prevented women from flying combat aircrafts; and

Whereas, Women who have served in the United States military are often referred to as the "invisible veterans" because their service contributions, until the 1970s, went largely unrecognized by politicians, the media, academia, and the general public; and

Whereas, Even though women have been officially serving in the military since the creation of the Army Nurse Corps in 1901, they have not always been considered qualified for veteran status for the purpose of receiving benefits from the Department of Veterans Affairs. Even after women were granted veteran status, issues of access, exclusion, and improper management of their health care remained; and

Whereas, It was not until well after World War II that women who served in the military began to officially be recognized as veterans; and

Whereas, In the late 1970s and early 1980s, many of the contributions made by women in World War II were formally recognized through laws that granted these women with veteran status for their time in service. This opened the doors for women to take advantage of programs, opportunities, and benefits from the federal and state governments, the Department of Veterans Affairs, and other veteran service organizations; and

Whereas, Over the past 20 years, the Veteran Health Administration (VHA) has introduced initiatives designed to improve health care access and quality of care for women veterans; and

Whereas, In 2008, VHA's Women Veterans Health Strategic Health Care Group began a five-year plan to redesign the nation's health care delivery system for women. A fundamental component of this plan was to ensure that all women veterans had access to comprehensive primary care from skilled women's health providers; and

Whereas, The 1980 decennial census marked the first time that information on women veterans was ever captured in a large national survey. At the time of the 1980 decennial census, women made up just over two percent of the veteran population. Today, that proportion has increased to almost eight percent; and

Whereas, There are currently over two million women veterans living in the United States and Puerto Rico. Of this number, nearly 44,000 make Michigan their home; now, therefore, be it

Resolved by the House of Representatives, That members of this legislative body recognize June 12, 2020, as Women Veterans Recognition Day in the state of Michigan; and be it further

Resolved, That we urge all Michiganders to honor women veterans on this momentous occasion.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Lasinski, Cherry, Chirkun, Gay-Dagnogo, Haadsma, Hoadley, Hope, Kennedy, Love, Pagan, Sabo, Shannon, Sowerby, Stone, Warren and Wittenberg offered the following resolution:

House Resolution No. 275.

A resolution to memorialize the Congress of the United States to ensure that all Americans have internet access necessary to participate in telemedicine, distance learning, and telework as part of any legislation that provides relief and recovery resources related to the COVID-19 Pandemic.

Whereas, The spread of novel coronavirus (COVID-19) has resulted in a global pandemic spreading across 213 countries, areas, and territories, including the United States; and

Whereas, To combat the rapid dispersion of the virus, drastic measures have been taken in Michigan and other states, including orders requiring residents to stay at home. For many of us, this means taking our daily activities — school, work, and medical care — online; and

Whereas, Affordable and reliable internet access is fundamental to full participation in education, work, and health care in everyday life, but it is even more urgently needed during this health crisis. Yet 37 percent of Michigan residents do not have access to high speed broadband internet and in some rural counties this number exceeds 90 percent. Disparities in home internet access exacerbates existing gaps in educational, economic, and health outcomes for disadvantaged individuals and families; and

Whereas, The closure of many schools across the nation due to COVID-19 and the transition to online learning makes it crystal clear that access to the internet is an absolute requirement to continued education in the United States. Yet, over 9,000,000 children across the country do not currently have any internet access; and

Whereas, Due to the COVID-19 Pandemic, accessing health care in person carries risks for some individuals. Yet, lack of internet access makes it impossible for many Americans to participate in telemedicine opportunities with their doctors. This lack of internet access is increasing healthcare disparities in the nation; and

Whereas, Providing state and local governments with adequate funding and increasing funding support of the Federal Communications Commission will ensure that all students, employees, and those seeking medical care are able to participate equally in necessary, online activities; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to ensure that all Americans have internet access necessary to participate in telemedicine, distance learning, and telework as part of any legislation that provides relief and recovery resources related to the COVID-19 Pandemic; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Communications and Technology.

Messages from the Senate

The Speaker laid before the House

House Bill No. 5541, entitled

A bill to amend 1972 PA 222, entitled “An act to provide for an official personal identification card; to provide for its form, issuance and use; to regulate the use and disclosure of information obtained from the card; to prescribe the powers and duties of the secretary of state; to prescribe fees; to prescribe certain penalties for violations; and to provide an appropriation for certain purposes,” by amending sections 1 and 2 (MCL 28.291 and 28.292), section 1 as amended by 2018 PA 605 and section 2 as amended by 2018 PA 669.

(The bill was received from the Senate on June 9, with substitute (S-1) and immediate effect given by the Senate, consideration of which, under the rules, was postponed until today, see House Journal No. 51, p. 995.)

The question being on concurring in the substitute (S-1) made to the bill by the Senate,

The substitute (S-1) was concurred in, a majority of the members serving voting therefor, by yeas and nays, as follows:

The bill was referred to the Clerk for enrollment printing and presentation to the Governor.

The Speaker called Associate Speaker Pro Tempore Hornberger to the Chair.

Third Reading of Bills

Senate Bill No. 278, entitled

A bill to amend 1949 PA 300, entitled "Michigan vehicle code," by amending sections 221 and 310 (MCL 257.221 and 257.310), section 221 as amended by 1998 PA 64 and section 310 as amended by 2018 PA 177.

The bill was read a third time.

The question being on the passage of the bill,

Rep. O'Malley moved to amend the bill as follows:

1. Amend page 2, line 15, after "(1)" by striking out the balance of the line through "state" on line 17 and inserting "to allow a person with access to the law enforcement information network under the C.J.I.S. policy council act, 1974 PA 163, MCL 28.211 to 28.215,".

The motion was seconded and the amendment was adopted, a majority of the members serving voting therefor.

The question being on the passage of the bill,

The bill was then passed, a majority of the members serving voting therefor, by yeas and nays, as follows:

EXECUTIVE ORDER

No. 2020-117

Expanding child care access during the COVID-19 pandemic

Rescission of Executive Order 2020-84

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 et seq., and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended, MCL 10.31 et seq.

Since then, the virus spread across Michigan, bringing deaths in the thousands, confirmed cases in the tens of thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. On April 1, 2020, in response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the State of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, and the Emergency Powers of the Governor Act of 1945. And on April 30, 2020, finding that COVID-19 had created emergency and disaster conditions across the State of Michigan, I issued Executive Order 2020-67 to continue the emergency declaration under the Emergency Powers of the Governor Act, as well as Executive Order 2020-68 to issue new emergency and disaster declarations under the Emergency Management Act.

Those executive orders have been challenged in *Michigan House of Representatives and Michigan Senate v Whitmer*. On May 21, 2020, the Court of Claims ruled that Executive Order 2020-67 is a valid exercise of authority under the Emergency Powers of the Governor Act but that Executive Order 2020-68 is not a valid exercise of authority under the Emergency Management Act. Both of those rulings are being challenged on appeal.

On May 22, 2020, I issued Executive Order 2020-99, again finding that the COVID-19 pandemic constitutes a disaster and emergency throughout the State of Michigan. That order constituted a state of emergency declaration under the Emergency Powers of the Governor Act of 1945. And, to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has declined to grant an extension request, that order also constituted a state of emergency and state of disaster declaration under that act.

The Emergency Powers of the Governor Act provides a sufficient legal basis for issuing this executive order. In relevant part, it provides that, after declaring a state of emergency, "the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control." MCL 10.31(1).

Nevertheless, subject to the ongoing litigation and the possibility that current rulings may be overturned or otherwise altered on appeal, I also invoke the Emergency Management Act as a basis for executive action to combat the spread of COVID-19 and mitigate the effects of this emergency on the people of Michigan, with the intent to preserve the rights and protections provided by the EMA. The EMA vests the governor with broad powers and duties to "cop[e] with dangers to this state or the people of this state presented by a disaster or emergency," which the governor may implement through "executive orders, proclamations, and directives having the force and effect of law." MCL 30.403(1)–(2). This executive order falls within the scope of those powers and duties, and to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has not granted an extension request, they too provide a sufficient legal basis for this order.

To respond effectively to the urgent and steep demands created by this pandemic, providers of health care, emergency medical services, law enforcement, and other essential services require child care services for their children, particularly when schools and summer camps are closed. Meeting this critical need requires

swiftly but safely expanding access to child care services. To that end, I issued Executive Order 2020-84 because it was reasonable and necessary to provide temporary and limited relief from certain regulatory restrictions regarding child care services, and to facilitate the use of certain property for those services.

This order extends policies of Executive Order 2020-84 for an additional 28 days, as it remains reasonable and necessary to suppress the spread of COVID-19 and protect the public health and safety of this state and its residents by expanding access to child care services. With this order, Executive Order 2020-84 is rescinded.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Strict compliance with section 7a of the Child Care Organizations Act, 1973 PA 116, as amended, MCL 722.117a, is suspended as follows:
 - (a) A provisional license may be issued without submission to the Department of Licensing and Regulatory Affairs (“LARA”) of an acceptable plan to overcome the deficiency present in the child care organization within the time limitations of the provisional licensing period.
 - (b) A provisional license may be issued with an expiration date no earlier than one month after the date of issuance and no later than six months after the date of issuance, and may be renewed at the discretion of LARA until the end of the declared states of emergency and disaster.
2. Strict compliance with subsection (2) of section 5m of the Child Care Organizations Act, 1973 PA 116, as amended, MCL 722.115m(2), is suspended, as follows:
 - (a) An employer may establish and maintain a disaster relief child care center without a license from LARA.
 - (b) A school district or a nonpublic school may establish and maintain a disaster relief child care center in a school building without a license from LARA.
3. LARA must issue rules and/or orders governing disaster relief child care centers.
 - (a) A disaster relief child care center must comply with the requirements imposed by any LARA rules and orders governing disaster relief child care centers.
 - (b) Such rules and/or orders must, at a minimum, require that disaster relief child care centers follow the safe sleep guidelines, including appropriate sleeping equipment for children under 12 months of age; follow applicable guidelines for diapering, handwashing, and sanitizing; provide porta-cribs, cots, or mats for children older than twelve months to sleep or rest; and solicit information about, and communicate with parents and guardians regarding, a child’s medicine, allergies, including food allergies; and other special needs.
4. Disaster relief child care centers may operate in any school facilities operated by a school district or nonpublic school that are closed and are approved for student use. Early childhood staff, student teachers, teachers, and individuals who provide before and after care may provide child care in these settings. The Michigan Department of Education (“MDE”) is authorized to credit the hours that student teachers work toward teacher preparation graduation requirements and MDE licensure requirements.
5. Rule 400.8110(5) of the Michigan Administrative Code is suspended for disaster relief child care centers. Notice of any change in capacity and age groups must be provided to LARA.
6. Insofar as section 11 of the Emergency Management Act, MCL 30.411, remains in effect, a disaster relief child care center operated by a school district in accordance with section 2(b) of this order, including its employees, is designated as a disaster relief force under subsection (f) of section 2 of the Emergency Management Act, 1976 PA 390, as amended (“EMA”), MCL 30.402(f), and is entitled to the immunities set forth in subsections (1) through (3) of section 11 of the EMA, MCL 30.411(1)-(3).
7. Disaster relief child care centers operated by school districts constitute a pilot program under the Public Employment Relations Act, 1947 PA 336, MCL 423.201 et seq., and they have authority to charge for reasonable and customary services.
8. School districts and nonpublic schools should first identify employees who voluntarily elect to become a disaster relief child care center participant before reassigning other employees to work in these centers, to the extent authorized under applicable contracts and laws. School districts and nonpublic schools may not require an employee to work in a disaster relief child care center if the employee: has a confirmed diagnosis of COVID-19; is displaying the symptoms of COVID-19; is 60 years or older; has an underlying condition that places the employee at an elevated risk of serious illness from COVID-19; or has been in contact with someone with a confirmed diagnosis of COVID-19 in the last 14 days.
9. A disaster relief child care center must perform a health evaluation of all individuals who enter the center each time the individual seeks to enter the center, and must deny entry to those individuals who do not meet the evaluation criteria. The evaluation criteria must include: symptoms of a respiratory infection, such as fever, cough, or shortness of breath; and contact in the last 14 days with someone with a confirmed diagnosis of COVID-19.

10. For purposes of this order:

- (a) “Disaster relief child care center” means a child center offering child care pursuant to this order. A disaster relief child care center must give priority for its services to the essential workforce, but may also provide child care services to the general public as space and governing rules and/or orders permit.
- (b) “Essential workforce” includes health care workers, home health workers, direct care workers, emergency medical service providers, first responders, law enforcement personnel, sanitation workers, child care workers (including any employees acting as child care workers in disaster relief child care centers), personnel providing correctional services, postal workers, public health employees, key government employees, court personnel, and others providing critical infrastructure to Michiganders, including any individuals performing (remotely or in person) critical infrastructure work, necessary government activities, or minimum basic operations under Executive Order 2020-42 or any order that may follow from it.
- (c) “Critical infrastructure” includes utilities, manufacturing, mass transit, and groceries or other essential supplies, goods, or equipment.
- (d) “Key government employees” includes child protective services workers, child welfare workers, foster care workers including those from contracted agencies, recipient rights workers, employees of the Executive Office of the governor, cabinet officers and their designees, Department of Health and Human Services field office staff, Unemployment Insurance Agency employees, and other employees identified by the Department of Technology, Management, and Budget.

11. Nothing in this order shall be construed to diminish or relax in any way the restrictions and requirements imposed by Executive Order 2020-115 or any order that may follow from it.

12. This order is effective immediately and continues through July 7, 2020.

13. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order is a misdemeanor.

14. Executive Order 2020-84 is rescinded.
