Rep. Beth Griffin, from the 66th District, offered the following invocation:

“Heavenly Father,

We pause before You today, and remember the words, ‘Be still, and know that I am God.’

Thank You for this day. For our families. For the privilege of serving in this room. For our struggles, as we know they draw us closer to You. Thank You for Your Son Jesus. For his sacrifice. For his example to us all, and help us to see each other, and all people, as equals at the foot of the cross.

I humbly ask for You to rest Your eyes on us and ignite Your love for all mankind in our hearts. Help us thirst for truth, mercy and to recognize the truth and goodness in each other. I ask You to show each and every person in this room, Your fingerprints on their lives. Where You have been. Where You are. What You want us to see. What You have called us to do. Guide us as we navigate stormy days with the beacon of Your steadfast light of truth.

Matthew 5

‘so then, let Your light shine in the sight of men, so that they may see Your good works, and may glorify the father, Who is in heaven.’

Amen.”

The Speaker assumed the Chair.

Rep. Cole moved that Rep. Whitsett be excused from today’s session.
The motion prevailed.

The Speaker called Associate Speaker Pro Tempore Lilly to the Chair.

Motions and Resolutions

Reps. Liberati, Eisen, Cherry, Crawford, Garza, Gay-Dagnogo, Haadsma, Hertel, Hope, Koleszar, Leutheuser, Pagan, Sabo, Shannon, Sneller, Sowerby, Stone, Warren and Wittenberg offered the following resolution:

House Resolution No. 284.

A resolution to declare July 2020 as Fragile X Awareness Month in the state of Michigan.

Whereas, Fragile X is the most common inherited cause of developmental disability, cognitive impairment, and autism affecting people of every race, income level, and nationality; and

Whereas, Nearly 1.5 million Americans are living with the health impacts of a Fragile X mutation; and

Whereas, The exact number of people who have the Fragile X permutation is unknown, studies estimate that between 1 in 148 and 1 in 291 females and 1 in 290 and 1 in 855 males in the United States are carriers of a Fragile X mutation and can pass the mutation to their offspring; and

Whereas, Approximately one in every 3,600 to one in every 4,000 males and one in 4,000 to one in every 6,000 female children are born with the Fragile X Syndrome and typically require a lifetime of special care which can cost over \$2,000,000; and

Whereas, Fragile X remains frequently undiagnosed until puberty; and

Whereas, The genetic mutation causing Fragile X has been studied and is easily identified by testing; and

Whereas, Early intervention and therapy is necessary to provide the most opportunity for developing a full range of skills and behavior; and

Whereas, The Fragile X protein also plays a critical role in normal brain function and in other neuropsychiatric conditions including autism, schizophrenia, bi-polar disorder, clinical depression, and other forms of X-linked cognitive impairment; and

Whereas, The study of Fragile X provides a unique research opportunity for advancing the understanding of these other neuropsychiatric conditions; and

Whereas, With concerted research efforts, a targeted treatment for Fragile X will likely be developed; and

Whereas, Fragile X research has been vastly underfunded despite the prevalence of the condition, the great potential for the development of targeted treatments, and the significance that Fragile X research has for related disorders; and

Whereas, The U.S. Congress has designated July as National Fragile X Awareness Month; and

Whereas, The Michigan House of Representatives as an institution and members of the Michigan Legislature as individuals are in unique positions to help raise public awareness about the need for increased funding for research, early diagnosis, and treatment for the condition known as Fragile X; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2020 as Fragile X Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Eisen, Miller, Cherry, Garza, Haadsma, Hertel, Koleszar, Leutheuser, Sabo, Sneller, Warren and Wittenberg offered the following resolution:

House Resolution No. 285.

A resolution to declare July 22, 2020, as Fragile X Awareness Day in the state of Michigan.

Whereas, Fragile X syndrome is the most common cause of inherited intellectual disability and the most common known genetic cause of autism or autism spectrum disorders; and

Whereas, Over 1.5 million Americans are carriers of a fragile X mutation and thus have, or are at risk for developing, a fragile X-associated disorder, and over 100,000 Americans have fragile X syndrome; and

Whereas, Fragile X disorders are also associated with tremor/ataxia syndrome, causing tremors, balance deficiencies, and memory problems, ovarian insufficiency, causing reduced fertility or infertility, menstrual deficiencies, and early menopause; and

Whereas, Fragile X is a powerful research model for neuropsychiatric disorders, such as autism, schizophrenia, pervasive developmental disorders, and similar conditions including Alzheimer's, Parkinson's, reproductive problems in women, and other genetically-based medical conditions; and

Whereas, Although the genetic defect causing fragile X has been discovered and is easily identified by DNA testing, fragile X frequently goes undetected due to its recent discovery and the lack of awareness about the syndrome, even within the medical community; and

Whereas, Raising awareness of fragile X with the public and the medical community will help patients with the fragile X gene make better informed medical decisions and help those living with fragile x syndrome to adapt into society and provide significant contributions towards better understanding autism and other fragile X-associated conditions; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 22, 2020, as Fragile X Awareness Day in the state of Michigan. We encourage all Michiganders to work together to raise awareness of the need for early diagnosis and treatment for the disorder as well as continued research to find a cure.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. LaFave, Cherry, Crawford, Garza, Gay-Dagnogo, Green, Haadsma, Koleszar, Kuppa, Sabo, Sneller, Warren and Wittenberg offered the following resolution:

House Resolution No. 286.

A resolution to commemorate the 30th anniversary of the signing of the Americans with Disabilities Act.

Whereas, Approximately 57 million Americans have a disability; and

Whereas, July 26, 2020, is the 30th anniversary of the signing of the Americans with Disabilities Act by President George H.W. Bush; and

Whereas, The Americans with Disabilities Act is the most comprehensive civil rights law in history for people with disabilities; and

Whereas, The Americans with Disabilities Act reaffirmed the ideas that all people are entitled to participate fully in our economy and democracy, have something to contribute, and deserve every chance to achieve their full potential; and

Whereas, The Americans with Disabilities Act promises fairness, accommodation, and participation in all aspects of American life; and

Whereas, Every individual deserves respect, access, and equal opportunity; and

Whereas, The state of Michigan is enriched by the diversity and accomplishments of Americans with disabilities; and

Whereas, The unemployment rate for people with disabilities is still far higher than that of people without disabilities; and

Whereas, We recognize that our work to uphold the spirit and the letter of this law is not yet finished; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 30th anniversary of the signing of the Americans with Disabilities Act. We salute everyone whose efforts contributed to the enactment of the Americans with Disabilities Act and commit compliance with and furthering its principles. We urge all Michiganders to acknowledge and celebrate this occasion.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Love, Kuppa, Elder, Hertel, Brixie, Ellison, Hood, Hoadley, Anthony, Cynthia Johnson, Brenda Carter, Wittenberg, Cherry, Garza, Hope, Koleszar, Pagan, Sabo, Sneller, Sowerby, Stone and Warren offered the following resolution:

House Resolution No. 287.

A resolution to declare July 21-26, 2020, as Hotter Than July Week in the state of Michigan on the occasion of the 25th anniversary of the founding of the event to celebrate and bring awareness of the black LGBTQ community.

Whereas, At the height of the AIDS/HIV pandemic in the 1990's, information was scarce and paranoia and prejudice were high. In 1994, Curtis Lipscomb returned home to Detroit from New York to form Kick Publishing Company to provide vital information and awareness to the LGBTQ community in the middle of the pandemic. It is only the third black American LGBTQ media company created in the country; and

Whereas, The following year in 1995, Lipscomb, the executive director of LGBT Detroit, and a group of friends that included Johnny Jenkins and other Detroit area LGBT organizations formed Hotter than July to celebrate black gay pride; and

Whereas, Prior to 1995, organizers had marshalled busses to travel to the Washington, D.C. event. They hatched the idea of creating a uniquely Detroit event and succeeded beyond all expectations; and

Whereas, Hotter than July has continued to thrive and its proudly chains the title as the world's second oldest black LGBTQ pride event, second only to Washington, D.C.; and

Whereas, Last year, more than 9,000 people were in attendance at the 2019 Palmer Park Picnic; and

Whereas, Hotter than July is much more than just a celebration. It has evolved into a week-long social justice rally that creates a multidimensional forum to advocate for equality and justice; and

Whereas, After 25 years, Hotter than July finds itself in the middle of another pandemic. On its 25th anniversary, Detroit Black PRIDE, the nation's second oldest behind Washington, D.C. and a founding member of Center for Black Equity, is working with local healthcare professionals to implement COVID-19 testing, in addition to testing for HIV and AIDS; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 21-26, 2020, as Hotter Than July Week in the state of Michigan on the occasion of the 25th anniversary of the founding of the event to celebrate and bring awareness of the black LGBTQ community; and be it further

Resolved, That copies of this resolution be transmitted to LGBT Detroit.

The resolution was referred to the Committee on Government Operations.

Reps. Witwer, Tate, Lasinski, Haadsma, Kennedy, Sabo, Garza, Shannon, Mueller, Tyrone Carter, Brenda Carter, Bolden, Hood, Cherry, Crawford, Hope, Koleszar, Sneller, Sowerby, Stone and Warren offered the following resolution:

House Resolution No. 288.

A resolution to commemorate the 75th anniversary of the sinking of the USS *Indianapolis*.

Whereas, July 30, 2020, commemorates the 75th anniversary of the sinking of the U.S.S. *Indianapolis*; and

Whereas, On this day, we honor the ship's survivors for their perseverance, bravery, and service to the United States of America; and

Whereas, During the Second World War, the U.S.S *Indianapolis* completed a top-secret high-speed trip to the island of Tinian to deliver uranium to be used in the first nuclear weapon to be dropped on Japan to end the war swiftly and prevent a costly invasion of its mainland; and

Whereas, After delivering its cargo, the U.S.S. *Indianapolis* departed the island of Tinian to the Philippines, expecting no Japanese resistance; and

Whereas, In July 1945, on the 30th day, at 0015 hours, the USS *Indianapolis* was torpedoed by an Imperial Japanese Navy submarine; and

Whereas, The USS *Indianapolis* sank in 12 short minutes and descended to the bottom of the ocean; and

Whereas, Of the 1,195 crewmen aboard the U.S.S. *Indianapolis*, approximately 300 went down with the ship while the remaining 890 were adrift at sea; and

Whereas, For four days, in the oil covered and salty open sea, with blistering sunny days and subzero nights, the sailors who were adrift at sea braved dehydration, exposure, hypothermia, hallucinations, saltwater poisoning, and shark attacks; and

Whereas, On Thursday, August 2, 1945, while on a routine patrol, a Navy patrol plane miraculously spotted the remaining survivors; and

Whereas, All air and surface units capable of rescue operations were dispatched to the scene at once; and

Whereas, Of the 890 men adrift at sea, only 316 survived; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate the 75th anniversary of the sinking of the USS *Indianapolis*. We especially recognize the service and sacrifice of our brave Michiganders who served on board the USS *Indianapolis* during this fateful mission, selflessly heeding the call by serving admirably in the United States Navy during at time of war.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Stone, Shannon, Brenda Carter, Coleman, Cynthia Johnson, Clemente, Sneller, Camilleri, Bolden, Sowerby, Hertel, Warren, Chirkun, Wittenberg, Hood, Kuppa, Anthony, Brixie, Cherry, Garza, Gay-Dagnogo, Haadsma, Koleszar, Pagan and Sabo offered the following concurrent resolution:

House Concurrent Resolution No. 27.

A concurrent resolution to urge the United States Department of Education to grant waivers for Michigan state assessment requirements under the Every Student Succeeds Act.

Whereas, State and federal laws require schools to assess student learning every year in specific grade levels and subjects. Under the federal Every Student Succeeds Act (ESSA), states must administer annual statewide assessments. If states do not meet certain requirements, the U.S. Department of Education may withhold federal funding; and

Whereas, Michigan meets this federal requirement in part by requiring schools to administer standardized tests. The Michigan Student Test of Educational Progress (M-STEP) is given to students online in grades 3-7 to measure their knowledge of state standards in English language arts (ELA) and mathematics. The Michigan Department of Education also administers the PSAT 8/9 which replaced the M-STEP ELA and mathematics assessment for grade 8. The M-STEP and the PSAT 8/9 aim to provide valuable information to parents and teachers on student academic performance that help schools and districts evaluate curriculum and programming effectiveness; and

Whereas, While the PSAT 8/9 is paper-based and the M-STEP is administered online, students normally take both assessments under the supervision of an administrator who can ensure test security. Maintaining uniform procedures for test administration helps ensure that results are accurate and meaningful and that no student has an unfair advantage in their assessment performance; and

Whereas, In light of the uncertainty of in-person school attendance for the upcoming school year due to the COVID-19 Pandemic, it will be difficult to prepare uniform procedures for administration of state assessments. This may result in decreased test security and overall confusion regarding the process, which may detract from the reliability of the assessment results; and

Whereas, The U.S. Department of Education announced that they will grant a waiver to any state that is unable to assess its students due to the ongoing national emergency brought on by the COVID-19 Pandemic for the current 2019-2020 school year. The decision was made in order to allow students to focus on learning and staying healthy while allowing teachers time to adapt to remote learning; and

Whereas, School districts will continue to face enormous burdens and challenges as they scramble to prepare for education under new and uncertain circumstances in the upcoming school year. It is essential that we allow them flexibility to ease some of those burdens. While state assessments provide valuable information, we should allow schools to focus their limited resources and energy on other initiatives; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Department of Education to grant waivers for Michigan state assessment requirements under the Every Student Succeeds Act for the 2020-2021 school year; and be it further

Resolved, That copies of this resolution be transmitted to the United States Secretary of Education
The concurrent resolution was referred to the Committee on Education.

Rep. Wittenberg, having reserved the right to explain his nay vote, made the following statement:
“Mr. Speaker and members of the House:

I support the women and men that work on the Line 5 pipeline, but don’t trust Enbridge. With recent news of the significant damage to the current pipeline and Enbridge’s delay in alerting the people of Michigan about it, to their catastrophic oil spill in the Kalamazoo River, Enbridge has a spotty environmental record, at best. This is dangerous to our state!”

Rep. Kuppa, having reserved the right to explain her nay vote, made the following statement:
“Mr. Speaker and members of the House:

HR 282 is a policy resolution and hence has no binding impact on the multitude of stakeholders who stand on various sides of the issue. Any solution reached regarding Enbridge’s Line 5 project requires a nuanced and in-depth review of the risks it poses to our most precious natural resource and the countless Michiganders who rely on the Great Lakes for their livelihoods. Any solutions considered should be done using a both/and approach, not something as divisive and non binding as this resolution.

House Resolution 282 does nothing to acknowledge or prevent the risks that exist now, nor will it ensure the jobs created by the project will be dedicated to the hardworking people of our state. This resolution does not guarantee that Michigan workers will be hired at fair wages to construct and maintain the new tunnel and pipeline. Especially as the state continues to reel from the effects of the COVID-19 pandemic, any new jobs created by this project belong to the workers who call Michigan home. It also neglects to take into account the past unscrupulous actions of Enbridge and simply fails to identify meaningful steps forward to address the questions and concerns the people of Michigan deserve to have answered.

I voted no on HR 282 to protect our Great Lakes, make certain Michigan workers are hired, and safeguard our state economy and the livelihoods of thousands of Michiganders.”

Rep. Garza, having reserved the right to explain his nay vote, made the following statement:
“Mr. Speaker and members of the House:

I am saddened by the continued partisan resolutions that are being brought in front of this body for consideration. HR 282 is exactly that, another partisan resolution that has zero standing and does nothing for the people we represent. Frankly, it is an empty gesture and is not worth the paper it is printed on. If we want to get serious about supporting our labor brothers and sisters, I encourage the majority to pass bills to do so. Passing binding legislation speaks volumes and is not an empty gesture as this resolution is.

I voted no on HR 282 to make certain Michigan workers are not exploited, and to stop cooperating with partisan resolutions that do absolutely nothing to safeguard our state economy and the livelihoods of thousands of Michiganders. Lets get to work on REAL solutions.”

Rep. Cynthia Johnson, having reserved the right to explain her nay vote, made the following statement:
“Mr. Speaker and members of the House:

There will be other opportunities to work on other concerns, this one, I have the whole of the State of Michigan in my one vote. Therefore, I am voting for our health.”

House Resolution No. 289.

A resolution to declare July 2020 as Michigan Beer Month in the state of Michigan.

Whereas, Michigan breweries are a vibrant affirmation and expression of Michigan's entrepreneurial traditions, operating as community-based small businesses and providing more than 21,000 full time jobs; and

Whereas, Our state has breweries in every region of the state with more than 400 statewide; and

Whereas, Michigan ranks sixth in the nation for the overall number of breweries, microbreweries, and brewpubs; and

Whereas, The Michigan Brewers Guild celebrates locally-made beer by hosting its Summer Beer Festival in July, one of five annual events held around the state; and

Whereas, The Guild is looking for creative ways to celebrate Michigan Beer Month with its breweries and the community this year, given the unfortunate cancellation due to COVID-19 concerns; and

Whereas, Brewers in Michigan support state agriculture by purchasing hops, malted barley, wheat, beet sugar, cherries, apples, and numerous other fruits, herbs, spices, and vegetables grown in Michigan, along with water sourced from the Great Lakes Region; and

Whereas, Michigan brewers promote a spirit of independence through a renaissance in locally-produced beers like those first brought to the state by European settlers and produced here by our forefathers, including Bernhard Stroh, for the enjoyment of the citizenry; and

Whereas, Striving to educate legal drinking age residents, Michigan brewers convey awareness about the differences in beer flavor, aroma, color, alcohol content, body, and other complex variables, beer history, and gastronomic qualities of beer; and

Whereas, Michigan brewers champion the message of responsible enjoyment to their customers and work within their communities to prevent alcohol abuse and underage drinking; and

Whereas, Breweries in Michigan produce more than 100 distinct styles of flavorful beers, the quality and diversity of which have made Michigan the envy of many states, contributing to the balanced trade with increased Michigan exports and promoting Michigan tourism; and

Whereas, The brewing industry in Michigan has seen great growth and success, and contribute more than \$872 million in labor income with a total economic contribution of more than \$2.5 billion, thriving and expanding to further their economic importance to the state; and

Whereas, Michigan brewers are vested in the future, health, and welfare of their communities as employers providing a diverse array of quality local jobs. They are contributors to the local tax base and are committed partners for a broad range of local, regional, and state non-profit organizations and other philanthropic causes; and

Whereas, The Michigan Brewers Guild is a passionate beer community that believes in quality artisanship, bold character, fun, responsibility, and pushing the boundaries while promoting and protecting the Michigan beer industry with an overarching goal to help locally brewed beer attain 20 percent of all beer sales in the state by 2020; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare July 2020 as Michigan Beer Month in the state of Michigan. We recognize the contributions that Michigan craft brewers and breweries have made to the state's communities, economy, and history; and be it further

Resolved, That we commend Michigan breweries for providing jobs, improving the balance of trade, supporting Michigan agriculture, and educating residents about the history and culture of beer while promoting the responsible consumption of beer as a beverage of moderation.

The question being on the adoption of the resolution,

Reps. Wittenberg, Green and Sabo offered the following resolution:

House Resolution No. 291.

A resolution to declare July 22, 2020 as Glioblastoma Awareness Day in the state of Michigan.

Whereas, Brain Tumors, specifically Glioblastoma, have become recognized in recent years as one of the deadliest cancers; and

Whereas, Glioblastoma is the most common cancerous brain tumor accounting for 48 percent of all primary malignant brain tumors; and

Whereas, Glioblastoma is the most aggressive, complex and deadly type of brain tumor; and

Whereas, Glioblastoma continues to be one of the most difficult cancers to detect in the early stages of the disease, which contributes to high mortality rates. There are an estimated 400 new diagnoses of Glioblastoma in Michigan in 2020; and

Whereas, The 5-year survival rate for a glioblastoma patient is only 6.8 percent and the average length of survival for glioblastoma patients is estimated to be only 12-18 months; and

Whereas, Relative to other types of cancers, brain cancer has one of the highest per-patient cost of care with an annualized mean net cost of care approaching \$150,000 US dollars and the highest annualized mean net costs for last-year-of-life care with a cost of between \$135,000 and \$210,000 per patient depending on the age and gender of the patient; and

Whereas, More than any other cancer, brain tumors can have lasting and life-altering physical, cognitive, and psychological impacts on a patient's life; and

Whereas, The state of Michigan has attained national recognition as a leading center of excellence in the field of brain tumor treatment and research as a result of the number of patients traveling to Michigan for clinical trial participation, grant dollars locally used to create jobs, and professionals specializing in brain tumors across the state; and

Whereas, Michigan is proud to be home to high level brain cancer centers such as the Hermelin Brain Tumor Center at Henry Ford Hospital and Rogel Cancer Center at University of Michigan. We encourage Michigan residents to continue to be vigilant and proactive when it comes to their healthcare; and

Whereas, Although Glioblastoma was first described in medical and scientific literature in the 1920s, and despite its devastating prognosis, only 4 drugs and one medical device have been approved by the FDA to treat glioblastoma since 1920 and the mortality rates associated with Glioblastoma have changed little during the past 30 years; now, therefore, be it

Resolved by the House of Representatives, That the House of Representatives and the members of this legislative body designate July 22, 2020 as Glioblastoma Awareness Day in the state of Michigan. We support the goals of Glioblastoma Awareness Day, encourage efforts to increase awareness of and education about Glioblastoma among the general public of Michigan and recognize the need for additional research into diagnosis, screening and treatments for brain tumors. We honor the individuals who have lost their lives to Glioblastoma or are currently living with it; we support efforts to develop better treatments for Glioblastoma that will improve the long-term prognosis of individuals diagnosed with Glioblastoma; We express support for the individuals who are battling brain tumors as well as families, friends, and caregivers of those individuals and urge a collaborative approach to brain tumor research which is a promising means of advancing the understanding and treatment of Glioblastoma.

House Resolution No. 290.

A resolution to commemorate the 100th anniversary of the adoption of the Nineteenth Amendment by the Congress of the United States.

Whereas, One hundred years ago, the ratification of the 19th Amendment to the United States Constitution granted all American women the right to vote. This amendment forever changed and shaped the landscape of American politics for future generations for all Americans. Furthermore, the ratification of the 19th Amendment on August 18, 1920, cemented and propelled voting equality for women and was one of the most essential and landmark legislative decisions of historical, significant and powerful impact of the 20th century; and

Whereas, The United States Supreme Court decisions in the cases of *Fairchild v. Hughes*, 258 U.S. 126 (1922) and *Leser v. Garnett*, 258 U.S. 130 (1922) held that the Nineteenth Amendment to the United States Constitution had been constitutionally established; and

Whereas, The National Women’s Party staged marches, demonstrations, and hunger strikes pointing out the contradictions of fighting for democracy while limiting it at home by denying the women the right to vote; and

Whereas, The efforts of women’s political advocacy groups swayed the public opinion, promoting President Wilson to announce his support to allow women the right to vote, a decades-long campaign for women’s suffrage in the United States had finally seen its greatest breakthrough; now, therefore, be it Resolved by the House of Representatives, That the members of this legislative body commemorate the 100th anniversary of the adoption of the Nineteenth Amendment by the Congress of the United States.

EXECUTIVE ORDER

No. 2020-131

Encouraging the use of electronic signatures and remote notarization, witnessing, and visitation during the COVID-19 pandemic

Rescission of Executive Order 2020-74

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended (EMA), MCL 30.401 et seq., and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended (EPGA), MCL 10.31 et seq.

Since then, the virus spread across Michigan, bringing deaths in the thousands, confirmed cases in the tens of thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. On April 1, 2020, in response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the State of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, and the Emergency Powers of the Governor Act of 1945. And on April 30, 2020, finding that COVID-19 had created emergency and disaster conditions across the State of Michigan, I issued Executive Order 2020-67 to continue the emergency declaration under the EPA, as well as Executive Order 2020-68 to issue new emergency and disaster declarations under the EMA.

Those executive orders have been challenged in *Michigan House of Representatives and Michigan Senate v. Whitmer*. On May 21, 2020, the Court of Claims ruled that Executive Order 2020-67 is a valid exercise of authority under the Emergency Powers of the Governor Act but that Executive Order 2020-68 is not a valid exercise of authority under the Emergency Management Act. Both of those rulings are being challenged on appeal.

On June 18, 2020, I issued Executive Order 2020-127, again finding that the COVID-19 pandemic constitutes a disaster and emergency throughout the State of Michigan. That order constituted a state of emergency declaration under the Emergency Powers of the Governor Act of 1945. And, to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature had declined to grant an extension request, that order also constituted a state of emergency and state of disaster declaration under that act.

The Emergency Powers of the Governor Act provides a sufficient legal basis for issuing this executive order. In relevant part, it provides that, after declaring a state of emergency, "the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control." MCL 10.31(1).

Nevertheless, subject to the ongoing litigation and the possibility that current rulings may be overturned or otherwise altered on appeal, I also invoke the Emergency Management Act as a basis for executive action to combat the spread of COVID-19 and mitigate the effects of this emergency on the people of Michigan, with the intent to preserve the rights and protections provided by the EMA. The EMA vests the governor with broad powers and duties to "cop[e] with dangers to this state or the people of this state presented by a disaster or emergency," which the governor may implement through "executive orders, proclamations, and directives having the force and effect of law." MCL 30.403(1)-(2). This executive order falls within the scope of those powers and duties, and to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has not granted an extension request, they too provide a sufficient legal basis for this order.

To mitigate the spread of COVID-19, protect the public health, and provide essential protections to vulnerable Michiganders, it is crucial that all Michiganders limit in-person contact to the fullest extent possible. This includes social distancing and minimizing in-person work and interaction to only that which is strictly necessary. To that end, it is reasonable and necessary to provide limited and temporary relief from certain rules and requirements so as to enable and encourage the use of electronic signatures, remote notarizations, remote witness attestations and acknowledgments, and remote visitations. This will help ensure that necessary transactions and interactions may continue to occur during this time of crisis without unduly compromising the health and safety of this state and its residents.

Executive Order 2020-41 provided that relief, and Executive Order 2020-74 extended and expanded it. This order further extends that relief because it remains reasonable and necessary in light of the ongoing COVID-19 pandemic. With this order, Executive Order 2020-74 is rescinded.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Strict compliance with rules and procedures under the Uniform Electronic Transactions Act (“UETA”), 2000 PA 305, as amended, MCL 450.831 et seq., and the Uniform Real Property Electronic Recording Act (“URPERA”), 2010 PA 123, as amended, MCL 565.841 et seq., is temporarily suspended to the extent necessary to permit the use of an electronic signature for a transaction whenever a signature is required under Michigan law, unless the law specifically mandates a physical signature. As provided in section 7 of the UETA, MCL 450.837, a signature will not be denied legal effect or enforceability solely because it is in electronic form and if a law requires a signature, an electronic signature satisfies the law.
2. Strict compliance with rules and procedures under section 18 of the UETA, MCL 450.848, is temporarily suspended so as to permit each state department to send and accept electronic records and electronic signatures to and from other persons without a determination from or approval by the Department of Technology, Management and Budget.
3. Strict compliance the Michigan Law on Notarial Acts, 2003 PA 238, as amended, MCL 55.261 et seq., is temporarily suspended, to the extent it requires a notary to be in the physical presence of an individual seeking the notary’s services or of any required witnesses.
4. To minimize in-person interaction and facilitate remote work during the declared states of emergency and disaster:
 - (a) Governmental agencies and officials of this state are encouraged to use or permit the use of electronic records and electronic signatures for transaction of business, processing of applications, and recognition of the validity of legal instruments, and, when a notarized signature is mandated by law, to use a remote electronic notary pursuant to the Michigan Law on Notarial Acts, MCL 55.261 et seq.
 - (b) Persons and entities engaged in transactions are encouraged to use electronic records and electronic signatures and, when a notarized signature is mandated by law, to use a remote electronic notary pursuant to the Michigan Law on Notarial Acts, MCL 55.261 et seq.
5. In addition to other means available by law, any notarial act that is required under Michigan law may be performed by a notary who currently holds a valid notarial commission in this state (“notary”) utilizing two-way real-time audiovisual technology, provided that all of the following conditions are met:
 - (a) The two-way real-time audiovisual technology must allow direct interaction between the individual seeking the notary’s services, any witnesses, and the notary, wherein each can communicate simultaneously by sight and sound through an electronic device or process at the time of the notarization.
 - (b) The two-way real-time audiovisual technology must be capable of creating an audio and visual recording of the complete notarial act and such recording must be made and retained as a notarial record in accordance with sections 26b(7) to 26b(9) of the Michigan Law on Notarial Acts, MCL 55.286b(7) to 55.286b(9).
 - (c) The individual seeking the notary’s services and any required witnesses, if not personally known to the notary, must present satisfactory evidence of identity (e.g., a valid state-issued photo identification) to the notary during the video conference, not merely transmit it prior to or after the transaction, to satisfy the requirements of the Michigan Law on Notarial Acts, MCL 55.261 et seq., and any other applicable law.
 - (d) The individual seeking the notary’s services must affirmatively represent either that the individual is physically situated in this state, or that the individual is physically located outside the geographic boundaries of this state and that either:
 - (1) The document is intended for filing with or relates to a matter before a court, governmental entity, public official, or other entity subject to the jurisdiction of this state; or

- (2) The document involves property located in the territorial jurisdiction of this state or a transaction substantially connected to this state.
If an individual is physically located outside of the geographic boundaries of this state, the notary must have no actual knowledge that the individual's act of making the statement or signing the document is prohibited by the laws of the jurisdiction in which the individual is physically located.
 - (e) The individual seeking the notary's services, any required witnesses, and the notary must be able to affix their signatures to the document in a manner that renders any subsequent change or modification of the remote online notarial act to be tamper evident.
 - (f) The individual seeking the notary's services or the individual's designee must transmit by fax, mail, or electronic means a legible copy of the entire signed document directly to the notary on the same date it was signed. This requirement shall apply regardless of the manner in which the document is signed.
 - (g) Once the notary has received a legible copy of the document with all necessary signatures, the notary may notarize the document and transmit the notarized document back to the individual seeking the notary's services.
 - (h) The official date and time of the notarization shall be the date and time when the notary witnesses the signature via two-way real-time audiovisual technology as required under this section.
6. Any requirement under Michigan law that an in-person witness attest to or acknowledge an instrument, document, or deed may be satisfied by the use of two-way real-time audiovisual technology, provided that all of the following conditions are met:
 - (a) The two-way real-time audiovisual technology must allow direct, contemporaneous interaction by sight and sound between the individual signing the document (the "signatory") and the witness(es).
 - (b) The interaction between the signatory and the witness(es) must be recorded and preserved by the signatory or the signatory's designee for a period of at least three years, unless a law of this state requires a different period of retention.
 - (c) The signatory must affirmatively represent either that the signatory is physically situated in this state, or that the signatory is physically located outside the geographic boundaries of this state and that either of the following apply:
 - (1) The document is intended for filing with or relates to a matter before a court, governmental entity, public official, or other entity subject to the jurisdiction of this state; or
 - (2) The document involves property located in the territorial jurisdiction of this state or a transaction substantially connected to this state.
 - (d) The signatory must affirmatively state during their interaction with the witness(es) on the two-way real-time audiovisual technology what document they are executing.
 - (e) Each title page and signature page of the document being witnessed must be shown to the witness(es) on the two-way real-time audiovisual technology in a manner clearly legible to the witness(es), and every page of the document must be numbered to reflect both the page number of the document and the total number of pages of the document.
 - (f) Each act of signing the document must be captured sufficiently up close on the two-way real-time audiovisual technology for the witness(es) to observe.
 - (g) The signatory or the signatory's designee must transmit by fax, mail, or electronic means a legible copy of the entire signed document directly to the witness(es) within 72 hours of when it is executed.
 - (h) Within 72 hours of receipt, the witness(es) must sign the transmitted copy of the document as a witness and return the signed copy of the document to the signatory or the signatory's designee by fax, mail, or electronic means.
 7. Notwithstanding any law or regulation of this state to the contrary, absent an express prohibition in the document against signing in counterparts, any document signed under this order may be signed in counterparts.
 8. A guardian, guardian ad litem, or visitor may satisfy any requirement concerning a visit with a person, including but not limited to a visit in the physical presence of a person under the Estates and Protected Individuals Code, 1998 PA 386, as amended, MCL 700.1101 et seq., by instead conferring with that person via two-way real-time audiovisual technology that allows direct, contemporaneous interaction by sight and sound between the person being visited and the guardian, guardian ad litem, or visitor.

9. Any law of this state requiring an individual to appear personally before or be in the presence of either a notary at the time of a notarization or a witness at the time of attestation or acknowledgment shall be satisfied if the individual, the witness(es), and/or the notary are not in the physical presence of each other but can communicate simultaneously by sight and sound via two-way real-time audiovisual technology at the time of the notarization, attestation, or acknowledgment.
10. For the duration of this order and any order that may follow from it, financial institutions and registers of deeds must not refuse to record a tangible copy of an electronic record on the ground that it does not bear the original signature of a person, witness, or notary, if the notary before whom it was executed certifies that the tangible copy is an accurate copy of the electronic record.
11. Strict compliance with section 9(2) of the Michigan Law on Notarial Acts, as amended, MCL 55.269(2), is temporarily suspended to the extent necessary to extend until July 31, 2020 the validity of a notarial commission that expired or is set to expire between March 1, 2020 and July 31, 2020.
12. For purposes of the “verified user agreement” requirement of section 4 of the URPERA, MCL 565.844(4), a county recording office must deem all financial institutions and all licensed title insurers or their employed or contracted settlement agents as covered by a verified user agreement for the duration of this order and any order that may follow from it. The recorder may ask the financial institution or title insurance company for verification of a notary’s employment or contractual association.
13. As used in this order:
 - (a) “Electronic,” “electronic record,” “electronic signature,” “governmental agency,” “person,” and “transaction” mean those terms as defined under section 2 of the UETA, MCL 450.832.
 - (b) “Financial institution” means that term as defined in section 4(c) of the Michigan Strategic Fund Act, 1984 PA 270, as amended, MCL 125.2004(c).
14. This order is effective immediately and continues through July 31, 2020 at 11:59 pm.

Given under my hand and the Great Seal of the State of Michigan.
