Rep. Michele Hoytenga, from the 102nd District, offered the following invocation:

“Our Father God, we are so grateful to be here serving in this momentous building, in this great state, and in this highly favored republic that reveres our God given freedoms.

You are Lord of peace. We pray for leaders and citizens to seek peace and unity in communities across the nation. Give us a greater vision of what You would have us to be.

Lord, You are refuge and strength. Give strength to those who are feeling hopeless, depressed, and angry. Provide peace and restore them to strength of mind and calmness of spirit.

You are the Great Physician, Lord. We pray for those vulnerable to sickness - and for healing of not only their bodies, but unwell minds & souls.

You are the Word, and Your Word reminds us that ‘Blessed is the nation whose God is the Lord.’
In Jesus name...Amen.”

The Speaker assumed the Chair.

Motions and Resolutions

Reps. Bolden, Anthony, Yancey, Kuppa, Love, Pohutsky, Stone, Wittenberg, Koleszar, Hood, Garrett, Brixie, Peterson, Gay-Dagnogo, Pagan, Guerra, Manoogian, Hammoud, Witwer, Shannon, Garza, Brenda Carter, Tyrone Carter, Liberati, Cynthia Johnson, Ellison, Lasinski, Sowerby, Jones, Warren, Rabhi, Camilleri, Clemente, Haadsma and Sneller offered the following resolution:

House Resolution No. 306.

A resolution to declare September 2020 as Uterine Fibroids Awareness Month in the state of Michigan.

Whereas, Fibroids may cause significant morbidity through their presence in the uterus and pelvic cavity, causing significant pelvic pain, abnormal uterine bleeding, reproductive dysfunction, miscarriages, and even infertility; and

Whereas, The pain, discomfort, stress, and other physical and emotional symptoms of living with fibroids may significantly interfere with a woman’s quality of life, compromising her ability to function normal, work, or care for her family, and may lead to more severe health and wellness issues; and

Whereas, Uterine fibroids are the most prevalent medical condition affecting women, with an estimated 30 percent of women developing a uterine fibroid by age 35 and 80 percent of women developing a uterine fibroid by age 50; and

Whereas, The exact number of affected women is unknown, as early detection and diagnosis are difficult because only 1 out of 4 women who have uterine fibroid exhibit symptoms severe enough to require treatment; and

Whereas, The overall incidence of uterine fibroids is estimated to disproportionately impact Black and Hispanic women, who also experience more severe symptoms, resulting in an incidence rate that is 3 times greater in women with Black ancestry and 2 times greater in Hispanic women compared to Caucasian women; and

Whereas, A hysterectomy, or removal of the uterus, is among the most common surgical treatments for uterine fibroids. More than 200,000 hysterectomies are performed each year to treat uterine fibroids, at an estimated annual cost of more than \$2,000,000,000; and

Whereas, Uterine fibroids have been estimated to cost the United States \$5,900,000 to \$34,400,000,000 annually with an estimated annual lost work cost of \$1,600,000,000 to \$17,200,000,000 through absenteeism and short-term disability in women ages 25 to 54; and

Whereas, Public awareness and education campaigns on uterine fibroids prevention, screening, and symptoms are held during the month of September each year; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2020 as Uterine Fibroids Awareness Month in the state of Michigan. We recognize the disparity in incidence rates for Black and Hispanic uterine fibroid patients and urge greater research, treatment, and care options regarding uterine leiomyoma.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Wozniak, Garza, Haadsma and Sneller offered the following resolution:

House Resolution No. 307.

A resolution to declare September 2020 as PACE Awareness Month in the state of Michigan.

Whereas, The PACE (Program of All-inclusive Care for the Elderly) model centers around the belief that it is better for frail, elderly individuals to be served while continuing to live independently in the community whenever safely possible; and

Whereas, PACE is a fully integrated model that provides comprehensive highly coordinated services allowing older adults who meet state eligibility criteria for nursing home level of care to continue living in the community; and

Whereas, PACE programs assume full financial risk for all medical care and related services, including transportation, hospitalization, and long-term care, in return for capitated payments from Medicare and Medicaid. This controls costs for the state while providing improved health outcomes and greater satisfaction for participants; and

Whereas, Michigan's first PACE program opened in 1995. Today, over 3,700 participants are served by 14 PACE programs in 21 sites across the state. These locations include PACE Southeast Michigan, Care Resources, Life Circles PACE, CentraCare, PACE of Southwest Michigan, Huron Valley PACE, Senior Community Care of Michigan, Great Lakes PACE, Genesys PACE, Thome PACE, Community PACE at Home, PACE Central Michigan, PACE North, and Sunrise PACE; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2020 as PACE Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hammoud, Manoogian, Hoadley, Bolden, Kuppa, Haadsma and Sneller offered the following resolution:

House Resolution No. 308.

A resolution to urge the United States government to publicly and formally call for a solution to Yemen's current crisis, condemn the fighting and war crimes, and recognize the suffering of the Yemeni people and their need for humanitarian aid.

Whereas, Rooted in political issues dating years back, factions in the Republic of Yemen have been in conflict since early 2015. In 2017, Yemen was declared the world's largest humanitarian disaster by the United Nations (UN) and has been likened to the crises in Iraq, Syria, and South Sudan; and

Whereas, The Yemeni conflict has devastated the lives of many, with more than 24 million people – some 80 percent of the population – in need of humanitarian assistance. In addition, the number of people in acute need increased by 27 percent in 2019, and two-thirds of all districts in the country are already pre-famine. Furthermore, there have been over 10,000 civilian casualties, numerous human rights violations, and several war crimes. Moreover, masses of people have been forced to relocate within the country or leave altogether as refugees; and

Whereas, As COVID-19 spreads rapidly, Yemen now faces an additional crisis. The spread of COVID-19, along with other existing health issues in the country, are exacerbated by the lack of adequate sanitation and clean water. According to UNICEF, only half of health facilities are functioning, and many facilities lack basic equipment and supplies to treat the coronavirus. In June 2020, Yemen's total cases of COVID-19 almost tripled, with 835 new cases being reported; and

Whereas, The crisis has been compounded by the naval and air blockade on Yemen, imposed by the Saudi-led coalition, that has severely restricted the flow of food, fuel, and medicine to civilians. While the blockade was broken for the first time in three years in February of 2020 to allow critically ill patients to travel, the conflict is still escalating; and

Whereas, Humanitarian agencies are struggling to support Yemeni citizens while implementing social distancing guidelines. The UN Population Fund (UNFPA) reported that 75 percent of the UN's major humanitarian programs will have to reduce services or close completely in the coming months and only 40 percent of the funding needed to sustain services in 2020 has been received; and

Whereas, World leaders, like the United States, have a moral imperative to work toward an end to the Yemeni conflict and help the country's people beleaguered by the crisis. The United States has the influence to broker a ceasefire and peace negotiations. It has the resources to ensure people in Yemen receive the aid that they so desperately need; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States government to publicly and formally call for a solution to Yemen's current crisis, condemn the fighting and war crimes, and recognize the suffering of the Yemeni people and their need for humanitarian aid; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the United States Secretary of State, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Government Operations.

The Speaker called Associate Speaker Pro Tempore Hornberger to the Chair.
