Messages from the Governor

The following veto message from the Governor was received and read:

Executive Office, Lansing, December 30, 2020

Michigan Senate
State Capitol Building
Lansing, MI 48909-7536

Michigan House of Representatives
State Capitol Building
Lansing, MI 48909-7514

Senators and Representatives,

Today I am returning Enrolled Senate Bill 758 and **Enrolled House Bill 4042** to you without my approval. These bills would bind Michigan to the Psychology Interjurisdictional Compact and the Nurse Licensure Compact, respectively.

The Constitution of 1963 provides that “[t]he public health and general welfare of the people of the state are hereby declared to be matters of primary public concern. The legislature shall pass suitable laws for the protection and promotion of the public health.” Art. 4, sec. 51. While I value interstate cooperation, especially around issues that are peculiarly interstate in nature, these compacts require Michigan to cede its sovereign interest in regulating health professions to an outside body.

Forfeiting our prerogative as a state to set the standard of care required of nurses and psychologists practicing in our state would violate the command of section 51 of article 4. I am therefore vetoing this bill. I look forward to continuing to work with you to expand access to quality health care for Michiganders.

Respectfully,
Gretchen Whitmer
Governor

Representatives,

Today I am returning **Enrolled House Bill 4792** to you without my approval.

This bill would authorize the use of unattended self-service fuel pumps in Michigan. Unattended fuel pumps raise significant safety concerns, both for motorists and for the environment. Without the presence of a gas station attendant to quickly and appropriately respond to fuel spills or fires, such incidents will be more likely to get out of control and to cause far more serious harm. Despite the heightened need for safety regulations when fuel pumps are unattended, this bill would also restrict the ability of the Department of Licensing and Regulatory Affairs to ensure that appropriate safety precautions are taken.

The safety of the people of Michigan is my top priority. I am vetoing this bill to prevent potentially hazardous accidents, including fires and fuel spills, that could result in death or significant property and environmental damage.

Respectfully,
Gretchen Whitmer
Governor

Michigan House of Representatives

Representatives,

Today I am returning **Enrolled House Bill 4866** to you without my approval.

This bill would allow privately owned military surplus vehicles to be registered as historic vehicles and used on roads. Governor Snyder vetoed a similar bill in 2018 due to concerns about the on-road use of vehicles that were not manufactured for such a purpose. I share his concerns.

Although this bill provides an additional safeguard by requiring a safety inspection for these vehicles, it does not provide for any implementation of this requirement. Further, these vehicles still would not be required to meet road safety and emissions standards.

Because I do not believe that it is appropriate for vehicles manufactured strictly for military use to be used on public streets and roads, I am vetoing this bill.

Respectfully,
Gretchen Whitmer
Governor

Michigan House of Representatives
State Capitol Building
Lansing, MI 48909-7514

Representatives,

Today I am returning **Enrolled House Bills 4910** and 4911 to you without my approval.

These bills would create additional requirements for individuals seeking reasonable accommodation for emotional support animals in housing. While I appreciate the intent behind these bills—to ensure that housing providers are able to verify the need for emotional support animals—these bills result in too great an intrusion on the privacy of people with disabilities.

In requiring that people requesting accommodations allow potential housing providers to access detailed, private information about their medical treatment and condition, these bills would constitute a significant invasion of privacy. Moreover, these requirements would exceed the scope of what a housing provider may request under the federal Fair Housing Act, thereby jeopardizing Michigan's funding for Section 8 housing.

For the foregoing reasons, I am vetoing these bills. Nevertheless, I look forward to working with the legislature to craft a solution that strikes a better balance between the need of housing providers to verify information and the privacy rights of people with disabilities.

Respectfully,
Gretchen Whitmer
