**STATE OF MICHIGAN
100TH LEGISLATURE
REGULAR SESSION OF 2020**

Introduced by Senator Hertel

ENROLLED SENATE BILL No. 1068

AN ACT to amend 1994 PA 451, entitled “An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to protect the people’s right to hunt and fish; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, assessments, and donations; to provide certain appropriations; to prescribe penalties and provide remedies; and to repeal acts and parts of acts,” by amending sections 11550 and 16908 (MCL 324.11550 and 324.16908), section 11550 as amended by 2018 PA 640 and section 16908 as amended by 2014 PA 543.

The People of the State of Michigan enact:

Sec. 11550. (1) The solid waste management fund is created within the state treasury. The state treasurer may receive money from any source for deposit into the fund. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from fund investments. The department shall be the administrator of the fund for auditing purposes.

(2) Money in the solid waste management fund at the close of the fiscal year shall remain in the fund and shall not lapse to the general fund.

(3) The state treasurer shall establish, within the solid waste management fund, a solid waste staff account and a perpetual care account.

(4) Subject to subsection (5), money shall be expended from the solid waste staff account, upon appropriation, only for the following purposes:

(a) Preparing generally applicable guidance regarding the solid waste permit and license program or its implementation or enforcement.

(b) Reviewing and acting on any application for a permit or license, permit or license revision, or permit or license renewal, including the cost of public notice and public hearings.

(c) Performing an advisory analysis under section 11510(1).

(d) General administrative costs of running the permit and license program, including permit and license tracking and data entry.

(e) Inspection of licensed disposal areas and open dumps.

(f) Implementing and enforcing the conditions of any permit or license.

(g) Groundwater monitoring audits at disposal areas which are or have been licensed under this part.

(h) Reviewing and acting upon corrective action plans for disposal areas which are or have been licensed under this part.

(i) Review of certifications of closure.

(j) Postclosure maintenance and monitoring inspections and review.

(k) Review of bonds and financial assurance documentation at disposal areas which are or have been licensed under this part.

(5) For the fiscal year ending September 30, 2020, only, \$2,000,000.00 of the money in the solid waste staff account of the solid waste management fund is transferred to and must be deposited in the general fund.

(6) Money shall be expended from the perpetual care account, upon appropriation, only for the following activities at disposal areas that are or have been licensed under this part:

(a) To conduct postclosure maintenance and monitoring at a disposal area if the owner or operator is no longer required to do so.

(b) To conduct closure, or postclosure maintenance and monitoring and corrective action if necessary, at a disposal area where the owner or operator has failed to do so. Money shall be expended from the account only after funds from any perpetual care fund or other financial assurance mechanisms held by the owner or operator have been expended and the department has made reasonable efforts to obtain funding from other sources.

(7) By March 1 annually, the department shall prepare and submit to the governor, the legislature, the chairs of the standing committees of the senate and house of representatives with primary responsibility for issues related to natural resources and the environment, and the chairs of the subcommittees of the senate and house appropriations committees with primary responsibility for appropriations to the department a report that details the activities of the previous fiscal year funded by the staff account of the solid waste management fund. This report shall include, at a minimum, all of the following as it relates to the department:

(a) The number of full-time equated positions performing solid waste management permitting, compliance, and enforcement activities.

(b) All of the following information related to the construction permit applications received under section 11509:

(i) The number of applications received by the department, reported as the number of applications determined to be administratively incomplete and the number determined to be administratively complete.

(ii) The number of applications determined to be administratively complete for which a final action was taken by the department. The number of final actions shall be reported as the number of applications approved, the number of applications denied, and the number of applications withdrawn by the applicant.

(iii) The percentage and number of applications determined to be administratively complete for which a final decision was made within the period required by part 13.

(c) All of the following information related to the operating license applications received under section 11512:

(i) The number of applications received by the department, reported as the number of applications determined to be administratively incomplete and the number determined to be administratively complete.

(ii) The number of applications determined to be administratively complete for which a final action was taken by the department. The number of final actions shall be reported as the number of applications approved, the number of applications denied, and the number of applications withdrawn by the applicant.

(iii) The percentage and number of applications determined to be administratively complete for which a final decision was made within the period required by part 13.

(d) The number of inspections conducted at licensed disposal areas as required by section 11519.

(e) The number of letters of warning sent to licensed disposal areas.

(f) The number of contested case hearings and civil actions initiated and completed, the number of voluntary consent orders and administrative orders entered or issued, and the amount of fines and penalties collected through such actions or orders.

(g) For each enforcement action that includes a penalty, a description of the corrective actions required by the enforcement action.

(h) The number of solid waste complaints received, investigated, resolved, and not resolved by the department.

(i) The amount of revenue in the staff account of the solid waste management fund and the coal ash care fund at the end of the fiscal year.

(8) The coal ash care fund is created within the state treasury. The state treasurer may receive money from any source for deposit into the fund. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from fund investments.

(9) Money shall be expended from the coal ash care fund, upon appropriation, only for the following purposes relating to coal ash impoundments and coal ash landfills:

(a) Preparing generally applicable guidance regarding the solid waste permit and license program or its implementation or enforcement.

(b) Reviewing and acting on any application for a permit or license, permit or license revision, or permit or license renewal, including the cost of public notice and public hearings.

(c) Performing an advisory analysis under section 11510(1).

(d) General administrative costs of running the permit and license program, including permit and license tracking and data entry.

(e) Inspection of licensed disposal areas and open dumps.

(f) Implementing and enforcing the conditions of any permit or license.

(g) Groundwater monitoring audits at disposal areas that are or have been licensed under this part.

(h) Reviewing and acting upon corrective action plans for disposal areas that are or have been licensed under this part.

(i) Review of certifications of closure.

(j) Postclosure maintenance and monitoring inspections and review.

(k) Review of bonds and financial assurance documentation at disposal areas that are or have been licensed under this part.

Sec. 16908. (1) The scrap tire regulatory fund is created in the state treasury. The fund shall receive money as provided by law and any gifts or contributions to the fund. The state treasurer shall direct the investment of the fund. Interest and earnings of the fund shall be credited to the fund. The department shall be the administrator of the fund for auditing purposes. Money in the fund at the close of the fiscal year shall remain in the fund and shall not revert to the general fund.

(2) Subject to subsection (4), money in the fund shall be used, upon appropriation, for all of the following purposes:

(a) For administrative costs of the department associated with this part including the implementation and enforcement of this part. However, money shall not be expended under this subdivision for the employment of more than 11 full-time equated positions.

(b) For the administrative costs of the secretary of state associated with the collection of the tire disposal surcharge pursuant to section 806 of the Michigan vehicle code, 1949 PA 300, MCL 257.806.

(c) For the cleanup or collection of abandoned scrap tires and scrap tires at collection sites. The department shall give priority to funding activities under this subdivision at collection sites in which the scrap tires were accumulated before January 1, 1991 and to collection sites that pose an imminent threat to public health, safety, welfare, or the environment. For collection sites that have accumulated tires after January 1, 1991, a lien in favor of this state, up to the value of the cleanup grant amount and any increase in the value of the property as a result of the cleanup of the property with grant funds, shall be placed on the property that is affected by the removal of the tires as provided in section 16908b. Before making a grant under this subdivision, the department shall consider the extent to which the making of the grant would contribute to the achievement of a balanced distribution of grants under this subdivision throughout this state. If a grant is awarded under this subdivision for collecting scrap tires at a community cleanup site, the tires shall be removed from the community cleanup site by the time specified in the grant contract.

(d) For grants to reimburse the cost of purchasing scrap tires to support the development of increased markets for scrap tires. Only the cost of purchasing scrap tires from scrap tire processors in this state or other generators of scrap tires in this state is eligible for reimbursement under this subdivision.

(e) For grants of up to 50% of the cost of purchasing equipment, or research and development, to provide for a new or increased use for scrap tires.

(f) For costs associated with enforcement of this part, including grants to local law enforcement agencies.

(3) Applications for grants under subsection (2) shall be submitted on a form approved by the department and shall contain the information required by the department. The department shall publish criteria upon which the grants will be issued and shall make that information available to grant applicants.

(4) For the fiscal year ending September 30, 2020, only, \$4,000,000.00 of the money in the scrap tire regulatory fund is transferred to and must be deposited into the general fund.

This act is ordered to take immediate effect.
