

## SENATE RESOLUTION NO. 89

Senators MacDonald, Bizon, Lucido, Barrett, Outman, Bullock, Wojno, Alexander, Chang, McMorrow, Moss, McBroom, Irwin, Lauwers, Runestad and Horn offered the following resolution:

1       A resolution to support the Michigan National Guard in its  
2 efforts to have Detroit selected as the host city for the National  
3 Guard Association of the United States 2024 national conference.

4       Whereas, The National Guard Association of the United States  
5 national conference brings 54 national guard associations from  
6 across the nation together to discuss national-level issues  
7 affecting the state national guards. Soldiers and airmen are  
8 educated on key national security issues and have an opportunity  
9 for professional development; and

10       Whereas, Participants in the National Guard Association of the  
11 United States conference include more than 5,000 Army and Air

1 National Guard officers from all 50 states, three territories, and  
2 the District of Columbia. Department of Defense leadership,  
3 national political leaders, and senior National Guard commanders  
4 will also be present; and

5       Whereas, The Michigan National Guard is bidding to have  
6 Detroit serve as the host city of the 2024 conference. An estimated  
7 \$3.5 to \$4.5 million dollars of direct economic impact is expected  
8 to be realized by the city and region for hosting the national  
9 conference. In addition, every state national guard association  
10 hosts individual receptions requiring restaurant and hotel  
11 accommodations at multiple sites across the city and region; and

12       Whereas, Detroit, and Michigan as a whole, is a logical  
13 location for the National Guard Association of the United States  
14 national conference. As in World War II, when Michigan's automotive  
15 industry converted to manufacturing tanks and other military  
16 vehicles, Michigan continues to advance military readiness as the  
17 center of the military-industrial complex. Selecting Detroit as the  
18 host of the 2024 conference will bring together the National Guard  
19 soldiers and airmen with the modern technology and manufacturing  
20 support that is so critical to today's armed forces; now,  
21 therefore, be it

22       Resolved by the Senate, That we support the selection of  
23 Detroit for the National Guard Association of the United States  
24 2024 national conference; and be it further

25       Resolved, That copies of this resolution be transmitted to the  
26 National Guard Association of Michigan and the National Guard  
27 Association of the United States.
