11 preadmission screening unit or hospital, the preadmission screening
12 unit or hospital must complete an assessment that includes an
13 examination upon the arrival of the individual and release the
14 individual following the conclusion of the examination unless the
15 medical professional who examines the individual finds the need for
16 immediate hospitalization. If immediate hospitalization is
17 necessary, the director must file a petition, accompanied by 2
18 clinical certificates, with the probate court within 24 hours after
19 the medical professional's finding. The petition must request
20 involuntary hospitalization and may request a combination of
21 hospitalization and assisted outpatient treatment. The court must
22 set a hearing in accordance with section 452(1).

23 Sec. 438. If it appears to the court that the individual
24 requires immediate assessment because the individual presents a
25 substantial risk of significant physical or mental harm to himself
26 or herself in the near future or presents a substantial risk of
27 significant physical harm to others in the near future, the court
28 may order the individual hospitalized and may order a peace officer
29 to take the individual into protective custody and transport the

1 individual to a preadmission screening unit designated by the
2 community mental health services program. **The court may, also,**
3 **order a security transport officer to transport the individual to a**
4 **preadmission screening unit designated by the community mental**
5 **health services program.** If the preadmission screening unit
6 authorizes hospitalization, the peace officer ~~shall~~ **or security**
7 **transport officer must** transport the individual to a hospital
8 designated by the community mental health services program, unless
9 other arrangements are provided by the preadmission screening unit.
10 If the examinations and clinical certificates of the psychiatrist,
11 and the physician or the licensed psychologist, are not completed
12 within 24 hours after hospitalization, the individual ~~shall~~ **must** be
13 released.

14 Sec. 469a. (1) Except for a petition filed as described under
15 section 434(7), before ordering a course of treatment for an
16 individual found to be a person requiring treatment, the court
17 shall review a report on alternatives to hospitalization that was
18 prepared under section 453a not more than 15 days before the court
19 issues the order. After reviewing the report, the court shall do
20 all of the following:

21 (a) Determine whether a treatment program that is an
22 alternative to hospitalization or that follows an initial period of
23 hospitalization is adequate to meet the individual's treatment
24 needs and is sufficient to prevent harm that the individual may
25 inflict upon himself or herself or upon others within the near
26 future.

27 (b) Determine whether there is an agency or mental health
28 professional available to supervise the individual's treatment
29 program.

1 (c) Inquire as to the individual's desires regarding
2 alternatives to hospitalization.

3 (2) If the court determines that there is a treatment program
4 that is an alternative to hospitalization that is adequate to meet
5 the individual's treatment needs and prevent harm that the
6 individual may inflict upon himself or herself or upon others
7 within the near future and that an agency or mental health
8 professional is available to supervise the program, the court shall
9 issue an order for assisted outpatient treatment or combined
10 hospitalization and assisted outpatient treatment in accordance
11 with section 472a. The order shall state the community mental
12 health services program or, if private arrangements have been made
13 for the reimbursement of mental health treatment services in an
14 alternative setting, the name of the mental health agency or
15 professional that is directed to supervise the individual's
16 assisted outpatient treatment program. The order may provide that
17 if an individual refuses to comply with a psychiatrist's order to
18 return to the hospital, a peace officer ~~shall~~**must** take the
19 individual into protective custody and transport the individual to
20 the hospital selected. **The court may order that a security**
21 **transport officer take the individual to the hospital selected.**

22 (3) If the court orders assisted outpatient treatment as the
23 alternative to hospitalization, the order ~~shall~~**must** be consistent
24 with the provisions of section 468(2) (d).

25 Sec. 498k. (1) If a minor who has been admitted to a hospital
26 under this chapter leaves the hospital without the knowledge and
27 permission of the appropriate hospital staff, the hospital ~~shall~~
28 **must** immediately notify the minor's parent, guardian, or person in
29 loco parentis, the executive director if appropriate, and the

1 appropriate police agency.

2 (2) If a minor has left a hospital without the knowledge and
 3 permission of the appropriate hospital staff or has refused a
 4 request to return to the hospital while on an authorized absence
 5 from the hospital, and the hospital director believes that the
 6 minor should be returned to the hospital, the hospital director
 7 ~~shall~~**must** request that the minor's parent, guardian, or person in
 8 loco parentis transport the minor to the hospital. If the parent,
 9 guardian, or person in loco parentis is unable, after reasonable
 10 effort, to transport the minor, a request may be submitted to the
 11 court for an order to transport the minor. If the court is
 12 satisfied that a reasonable effort was made to transport the minor,
 13 the court shall order a peace officer to take the minor into
 14 protective custody for the purpose of returning the minor to the
 15 hospital. **The court may order a security transport officer to**
 16 **transport the minor to the hospital.**

17 (3) An opportunity for appeal, and notice of that opportunity,
 18 shall be provided to any minor and to the parent or guardian of any
 19 minor who is returned over the minor's objection from any
 20 authorized leave in excess of 10 days. In the case of a minor less
 21 than 14 years of age, the appeal shall be made by the parent or
 22 guardian of the minor or person in loco parentis.

23 Sec. 498t. If a person who requests hospitalization of a minor
 24 ~~pursuant to~~**under** section 498d or 498h is unable, after reasonable
 25 efforts, to transport the minor for the evaluation required by
 26 section 498e, a request may be submitted to the court for an order
 27 to transport the minor. If the court is satisfied that a reasonable
 28 effort was made by the person requesting hospitalization to
 29 transport the minor for evaluation, the court shall order a peace

1 officer to take the minor into protective custody for the purpose
2 of transporting the minor immediately to the evaluation site, and
3 if necessary, from the evaluation site to the hospital for
4 admission. **The court may order a security transport officer to**
5 **transport the minor to the evaluation site or from the evaluation**
6 **site to the hospital.** The person requesting the transport order
7 ~~shall~~**must** meet the minor at the evaluation site and remain with
8 the minor for the duration of the evaluation.

9 Sec. 516. (1) Any person found suitable by the court may file
10 with the court a petition that asserts that an individual meets the
11 criteria for treatment specified in section 515.

12 (2) The petition shall contain the alleged facts that are the
13 basis for the assertion, the names and addresses, if known, of any
14 witnesses to alleged and relevant facts, and if known the name and
15 address of the nearest relative or guardian of the individual.

16 (3) If the petition appears on its face to be sufficient, the
17 court shall order that the individual be examined and a report be
18 prepared. To this end, the court shall appoint a qualified person
19 who may but need not be an employee of the community mental health
20 services program or the court to arrange for the examination, to
21 prepare the report, and to file it with the court.

22 (4) If it appears to the court that the individual will not
23 comply with an order of examination under subsection (3), the court
24 may order a peace officer to take the individual into protective
25 custody and transport him or her immediately to a facility
26 recommended by the community mental health services program or
27 other suitable place designated by the community mental health
28 services program for up to 48 hours for the ordered examination.
29 **The court may order a security transport officer to transport the**

1 individual immediately to a facility recommended by the community
2 mental health services program or other suitable place designated
3 by the community mental health services program.

4 (5) After examination, the individual shall be allowed to
5 return home unless it appears to the court that he or she requires
6 immediate admission to the community mental health services
7 program's recommended facility in order to prevent physical harm to
8 himself, herself, or others pending a hearing, in which case the
9 court shall enter an order to that effect. If an individual is
10 ordered admitted under this subsection, not later than 12 hours
11 after he or she is admitted the facility shall provide him or her
12 with a copy of the petition, a copy of the report, and a written
13 statement in simple terms explaining the individual's rights to a
14 hearing under section 517, to be present at the hearing and to be
15 represented by legal counsel, if 1 physician and 1 licensed
16 psychologist or 2 physicians conclude that the individual meets the
17 criteria for treatment.

18 (6) The report required by subsection (3) shall contain all of
19 the following:

20 (a) Evaluations of the individual's mental, physical, social,
21 and educational condition.

22 (b) A conclusion as to whether the individual meets the
23 criteria for treatment specified in section 515.

24 (c) A list of available forms of care and treatment that may
25 serve as an alternative to admission to a facility.

26 (d) A recommendation as to the most appropriate living
27 arrangement for the individual in terms of type and location of
28 living arrangement and the availability of requisite support
29 services.

1 (e) The signatures of 1 physician and 1 licensed psychologist
2 or 2 physicians who performed examinations serving in part as the
3 basis of the report.

4 (7) A copy of the report required under subsection (3) shall
5 be sent to the court immediately upon completion.

6 (8) The petition shall be dismissed by the court unless 1
7 physician and 1 licensed psychologist or 2 physicians conclude, and
8 that conclusion is stated in the report, that the individual meets
9 the criteria for treatment.

10 (9) An individual whose admission was ordered under subsection
11 (5) is entitled to a hearing in accordance with section 517.

12 Sec. 519. (1) Before making an order of disposition under
13 section 518(2), the court shall consider ordering a course of care
14 and treatment that is an alternative to admission to a facility. To
15 that end, the court shall review the report submitted to the court
16 under section 516(3), specifically reviewing alternatives and
17 recommendations as provided under section 516(6) (c) and (d).

18 (2) If the court finds that a program of care and treatment
19 other than admission to a facility is adequate to meet the
20 individual's care and treatment needs and is sufficient to prevent
21 harm or injury that the individual may inflict upon himself,
22 herself, or others, the court shall order the individual to receive
23 whatever care and treatment is appropriate under section 518(2) (c).

24 (3) If at the end of 1 year it is believed that the individual
25 continues to meet the criteria for treatment, a new petition may be
26 filed under section 516.

27 (4) If at any time during the 1-year period it comes to the
28 attention of the court either that an individual ordered to undergo
29 a program of alternative care and treatment is not complying with

1 the order or that the alternative care and treatment has not been
2 sufficient to prevent harm or injuries that the individual may be
3 inflicting upon himself, herself, or others, the court may without
4 a hearing and based upon the record and other available information
5 do either of the following:

6 (a) Consider other alternatives to admission to a facility,
7 modify its original order, and direct the individual to undergo
8 another outpatient program of alternative care and treatment for
9 the remainder of the 1-year period.

10 (b) Enter a new order under section 518(2)(a) or (b) directing
11 that the individual be admitted to a facility recommended by the
12 community mental health services program. If the individual refuses
13 to comply with this order, the court may direct a peace officer to
14 take the individual into protective custody and transport him or
15 her to the facility recommended by the community mental health
16 services program. **The court may direct a security transport officer**
17 **to transport the individual to the facility recommended by the**
18 **community mental health services program.**

19 Sec. 537. (1) An individual is subject to being returned to a
20 facility if both of the following are true:

21 (a) The individual was admitted to a facility on an
22 application executed by someone other than himself or herself or by
23 judicial order.

24 (b) The individual has left the facility without
25 authorization, or has refused a lawful request to return to the
26 facility while on an authorized leave or other authorized absence
27 from the facility.

28 (2) The facility may notify ~~a peace officers~~**officer or**
29 **security transport officer** that an individual is subject to being

1 returned to the facility. Upon notification, a peace officer shall
2 take the individual into protective custody and return him or her
3 to the facility unless contrary directions have been given by the
4 facility or the responsible community mental health services
5 program. **Upon notification, a security transport officer must**
6 **transport the individual to the facility unless contrary directions**
7 **have been given by the facility or the responsible community mental**
8 **health services program.**

9 (3) An opportunity for appeal ~~shall~~**must** be provided to any
10 individual returned over his or her objection from any authorized
11 leave in excess of 10 days, and the individual shall be notified of
12 his or her right to appeal. In the case of a child less than 13
13 years of age, the appeal shall be made by his or her parent or
14 guardian.
