**Major Boilerplate Changes from FY 2023-24**

***Executive Boilerplate Deletions***

The Executive Budget Recommendation deletes a significant amount of boilerplate language, including legislative reporting requirements, included in the FY 2023-24 budget. The list below includes major changes to boilerplate and is not a comprehensive list of all sections proposed to be deleted.

**GENERAL SECTIONS**

***Sec. 210. Legislative Contingency Transfer Authorization – REVISED***

Allows for the legislative transfer process to increase federal authorization by up to \$20 million, state restricted authorization by up to \$20 million, local authorization by up to \$5 million, and private authorization by up to \$12 million; prohibits increasing TANF authorization through the legislative contingency transfer process. Executive revises to \$200.0 million federal, \$50.0 million state restricted, \$30.0 million local, and \$45.0 million private. House retains. Senate revises to \$100.0 million federal, \$50.0 million state restricted, \$30.0 million local, and \$45.0 million private.

***Sec. 213. Work Project Lapse Language – NEW***

Senate states legislative intent that the State Budget Director lapse work project balances from 3 listed projects, makes those funds available for expenditure in part 1, and the funds be used on an allowable use.

## **Major Boilerplate Changes from FY 2023-24**

### **Sec. 239. Medicaid Reimbursement for Telemedicine – RETAINED**

Requires DHHS to reimburse Medicaid telemedicine services the same as if the services involved face-to-face contact between the provider and patient; this applies to the non-facility component of the reimbursement rate. Executive deletes. House and Senate retain.

### **Sec. 250. Single Recipient Grants – REVISED**

Requires that for any grant program or project funded in part 1 intended for a single recipient organization or local government, the grant program or project is for a public purpose and the department shall follow procurement statutes of this state, including any bidding requirements, unless it can fully validate, through information detailed in this section and outline departmental process for review and execution of grants outlined. Executive and House delete. Senate revises to make technical updates, add a second reporting date, and permits SBO to compile and submit reports.

### **Sec. 264. DHHS Employee Communication with Legislature – RETAINED**

Prohibits DHHS from taking disciplinary action against an employee for communicating with a member of the Legislature or his/her staff, unless the communication is prohibited by law and disciplinary action is lawful. (*Governor's signing letter states section is unenforceable*). Executive deletes. House and Senate retain.

### **Sec. 296. Employee Legal Costs Related to Flint Water System – RETAINED**

Requires that DHHS, as permissible under the Governmental Immunity Act, be responsible for legal costs of private attorneys defending current and former DHHS employees in a legal action or investigation related to the City of Flint or other community in which a declaration of emergency was issued because of drinking water contamination. Executive deletes. House and Senate retain.

### **Sec. 298. Federal Funds Receive and Expend Authority – NOT INCLUDED**

Executive permits DHHS to receive and expend federal funds for the purpose for which they were received in excess of part 1 appropriations; requires DHHS to notify the legislature 10 days after receiving authorization approval from the state budget office; and limits total authority to exceed 1% of part 1 appropriations (or approximately \$350 million). House and Senate do not include.

### **Sec. 299. Gift, Bequests, Donations, Contributions, or Grant Receive and Expend Authority – NOT INCLUDED**

Executive permits DHHS to accept monetary and nonmonetary gifts, bequests, donations, contributions, or grants from any private or public source to support a departmental function or program; requires those funds to be expended in a manner designated, if specified; requires any unexpended or unencumbered funds to not lapse into the general fund; permits any private revenues that exceed part 1 appropriations to be available for expenditure; and requires DHHS to notify the legislature 10 days after receiving authorization approval from the state budget office. House and Senate do not include.

## **DEPARTMENT ADMINISTRATION AND SUPPORT**

### **Sec. 301. Child Welfare Training Institute – RETAINED**

Requires DHHS to provide all necessary training and materials to private agencies so that trained private agency staff can deliver pre-service training to any private agency staff. Executive and House delete. Senate retains.

## **COMMUNITY SERVICES AND OUTREACH**

### **Sec. 458. Homeless Shelter Data – NEW**

Senate directs the department to require entities receiving state funds to provide report data to a Homeless Management Information System that satisfies the baseline data collection requirements.

### **Sec. 466. Runaway and Homeless Youth Grants – RETAINED**

Allocates \$5.3 million to support program expansion; distributes \$3.2 million to 18 counties that are currently unserved by a runaway and homeless youth program, \$1.1 million to 19 counties for infrastructure expansion, \$1.1 million to 19 counties to upgrade technology and facilities. Executive deletes. House retains and requires report on funding allocations to local agencies. Senate retains current law.

## **CHILDREN'S SERVICES AGENCY – CHILD WELFARE / JUVENILE JUSTICE**

### **Sec. 503. Child Welfare Performance-Based Funding – REVISED**

Requires DHHS to continue partnership with the West Michigan Partnership for Children (WMPC) and continue to review and update contracted rates; requires report. Executive deletes. House retains. Senate revises by striking report requirement.

## **Major Boilerplate Changes from FY 2023-24**

### **Sec. 504. West Michigan Partnership for Children Consortium – RETAINED**

Allows DHHS to continue a master agreement with the West Michigan Partnership for Children Consortium and requires the Consortium to maintain a revised agreement that supports the transition to a global capitated payment model and maintain a risk reserve of at least \$1.5 million; requires report. Executive replaces current year language with new language requiring DHHS to complete an examination of the effectiveness of the performance-based funding model that was piloted in Kent County. House retains current year language and moves Executive language to new Sec. 512. Senate retains current law.

### **Sec. 510. Alternative Payment Methods – RETAINED**

Requires the department to allocate funds for a capacity model to fund beds based on projected program needs for private residential facilities; establishes conditions for payments to private providers; requires report. Executive deletes subsection (1) and revises report in subsection (2) to make it quarterly instead of monthly. House revises by replacing current year language in subsection (1) with new language requiring DHHS to fund 600 residential foster care and juvenile justice beds, a 9% increase to current rates, and an unoccupied bed rate of 90% of the filled bed rate; subsection (2) prohibits DHHS from proposing certain requirements in their contracts with providers; subsection (3) retains current law report language. Senate retains current law with technical revisions.

### **Sec. 512. West Michigan Partnership for Children Consortium Evaluation – NOT INCLUDED**

Executive requires DHHS to complete an evaluation of the effectiveness of the performance-based funding model that was piloted in Kent County. House concurs and revises by moving to new Sec. 512 and adding report requiring DHHS to share results of the evaluation with the legislature within 30 days of evaluation completion. Senate does not include.

### **Sec. 535. Federal IV-E Claims for Foster Care Payments to Unlicensed Relatives – DELETED**

Requires DHHS to allocate \$1.5 million to fund a competent kinship placement, support, and licensing program to increase kinship licensure rate and reduce the average length of stay for children in foster care; DHHS shall reallocate any savings or revenue. Note: the three-year pilot program is set to end in FY 2023-24. Executive, House, and Senate delete.

### **Sec. 548. Foster Care Rate Reimbursements – NEW**

Senate allocates \$15.0 million GF/GP to increase the foster family maintenance payment per diem and administrative rate paid to private foster care agencies; directs \$7.5 million to be used for maintenance payments and \$7.5 million to be used for administrative rates.

### **Sec. 595. Modified Implementation, Sustainability, and Exit Plan (MISEP) Strategy and Improvements – NOT INCLUDED**

Executive requires the department to identify necessary investments in new programs and supports for children in care as a means of improving the child welfare system in the state in order to exit the Children's Rights Settlement Agreement; requires report. House and Senate do not include.

### **Sec. 599. Residential Rates Based on Consumer Price Index – REVISED**

Executive requires DHHS to annually adjust rates paid to contracted child caring institutions based on cumulative percentage changes in the most recent one-year period of the consumer price index. House does not include. Senate revises language by allowing for rates to be increased if allowable within appropriations and allows rates to be raised *up* to current CPI rather than requiring them to be *equal*.

## **PUBLIC ASSISTANCE**

### **Sec. 603. Public Assistance Benefits Notification – RETAINED**

Requires the department to provide timely notification to public assistance program beneficiaries if there will be a decrease in their benefits. Executive deletes. House and Senate retain.

### **Sec. 613. Indigent Burial – REVISED**

Provides reimbursements for final disposition of indigent persons; establishes maximum allowable reimbursements; accounts for religious preferences that prohibits cremation; and requires a report. Executive deletes reporting requirement. House revises to increase grant amounts. Senate revises to increase grant amounts and includes a provision allowing for private donations to funeral homes to supplement state emergency relief.

## **BEHAVIORAL HEALTH**

### **Sec. 907. Community Substance Use Disorder Prevention, Education, and Treatment – REVISED**

Requires that appropriations for community substance use disorder prevention, education, and treatment be expended to coordinate care and services provided to individuals with severe and persistent mental illness and substance use disorder diagnoses; requires DHHS to approve the managing entity fee schedules for providing substance use disorder services and charge participants in accordance with their ability to pay; requires the managing entity to continue current efforts to collaborate on the delivery of services to those clients with mental illness and substance use disorder diagnoses with the goal of providing services in an administratively efficient manner. Executive, House, and Senate revise by deleting requirement that DHHS approve managing entity fee schedules.

## **Major Boilerplate Changes from FY 2023-24**

### **Sec. 912. Salvation Army Harbor Light Program – RETAINED**

Requires DHHS to contract with the Salvation Army Harbor Light Program for providing non-Medicaid substance use disorder services, if program meets standard of care. Executive deletes. House and Senate retain.

### **Sec. 917. Michigan Opioid Healing and Recovery Fund and Report – REVISED**

Allocates \$23.2 million from the Michigan Opioid Healing and Recovery Fund, MCL 12.253, to supplement other opioid-related programs and services and requires a semiannual report. Executive revises by requiring DHHS to provide a portion of the funds to create incentive pool to local recipients for goals and recommendations of the Opioid Advisory Commission. House revises by increasing the amount and by listing out specific grant programs and recipients. Senate revises dollar amount.

### **Sec. 924. Autism Services Fee Schedule – REVISED**

Requires DHHS to maintain a fee schedule for autism services by not allowing expenditures used for actuarially sound rate certification to exceed the identified fee schedule, also sets behavioral technician fee schedule at not less than \$53.20 per hour and not more than \$58.20 per hour.
