10 (a) Every individual has a fundamental right to reproductive

26 adverse action against an individual based on their actual,  
27 potential, perceived, or alleged pregnancy outcomes, including, but  
28 not limited to, miscarriage, stillbirth, or abortion. Nor shall the  
29 state penalize, prosecute, or otherwise take adverse action against

4 to protect the life or physical or mental health of a pregnant  
5 individual under subsection (1)(c), the attending health care  
6 professional may consider any factor that the attending health care  
7 professional considers relevant to the well-being of the pregnant

14 the state constitution of 1963 or section 3 by a governmental  
15 entity may bring a civil action for injunctive relief, damages, or  
16 any other appropriate remedy, in the appropriate state or federal
