

# HOUSE BILL NO. 4398

April 12, 2023, Introduced by Reps. Martus, Breen, Hood, Farhat, Brabec, Morse, Price, Weiss, Snyder, Brenda Carter, Tsernoglou, Hope, Andrews, Haadsma and Scott and referred to the Committee on Labor.

A bill to provide for remedies and prescribe civil sanctions against a person that presents a false or fraudulent claim to obtain money, property, or services from this state or a local unit of government; to prescribe the powers and duties of certain state and local government officers and agencies; to prohibit retaliation against a person that pursues a remedy under this act; and to authorize the attorney general to promulgate rules.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

- 1           Sec. 1. This act may be cited as the "false claims act".
- 2           Sec. 2. As used in this act:

1 (a) "Claim" means, subject to subdivision (b), a request or  
2 demand, whether under a contract or otherwise, for money or  
3 property that is either of the following:

4 (i) Presented to an officer, employee, or agent of this state  
5 or a local government.

6 (ii) Made to a contractor, grantee, or other recipient, if the  
7 money or property is to be spent or used on behalf of this state or  
8 a local government or to advance a state or local government  
9 program or interest, and if either of the following applies:

10 (A) This state or a local government has provided or will  
11 provide any portion of the money or property that is requested or  
12 demanded.

13 (B) This state or a local government will reimburse the  
14 contractor, grantee, or other recipient for any portion of the  
15 money or property that is requested or demanded.

16 (b) "Claim" does not include a request or demand for money or  
17 property that this state or a local government has already paid to  
18 an individual as compensation for government employment or as an  
19 income subsidy with no restrictions on that individual's use of the  
20 money or property.

21 (c) "False claim" means any claim that is, either in whole or  
22 part, false or fraudulent.

23 (d) "Knowing" and "knowingly" mean, subject to subdivision  
24 (e), that 1 of the following applies to a person with respect to  
25 information:

26 (i) The person has actual knowledge of the information.

27 (ii) The person acts in deliberate ignorance of the truth or  
28 falsity of the information.

29 (iii) The person acts in reckless disregard of the truth or

1 falsity of the information.

2 (e) "Knowing" and "knowingly" do not require proof of specific  
3 intent to defraud.

4 (f) "Local government" means county, city, township, village,  
5 school district, board of education, public benefit corporation, or  
6 other municipal corporation or political subdivision of this state  
7 or of a local government.

8 (g) "Material" means having a natural tendency to influence,  
9 or to be capable of influencing, the payment or receipt of money or  
10 property.

11 (h) "Obligation" means an established duty, whether or not  
12 fixed, arising from an express or implied contractual, grantor-  
13 grantee, or licensor-licensee relationship, from a fee-based or  
14 similar relationship, from statute or regulation, or from the  
15 retention of any overpayment.

16 (i) "Original source" means a person to whom either of the  
17 following applies:

18 (i) Before a public disclosure described in section 4(9)(b),  
19 the person has voluntarily disclosed to this state or a local  
20 government the information on which allegations or transactions in  
21 a cause of action are based.

22 (ii) The person has knowledge that is independent of and  
23 materially adds to the publicly disclosed allegations or  
24 transactions and has voluntarily provided the information to this  
25 state or a local government before or simultaneously with filing an  
26 action under this act.

27 (j) "Person" means a natural person, partnership, corporation,  
28 association, or other legal entity, other than this state or a  
29 local government.

1 (k) "Qui tam plaintiff" means a person other than this state,  
2 the attorney general on behalf of this state, or a local government  
3 that brings or intervenes in an action brought under section 4(2).

4 (l) "This state" includes any state department, board, bureau,  
5 division, commission, committee, public benefit corporation, public  
6 authority, council, office, or other governmental entity that  
7 performs a governmental or proprietary function for this state.

8 Sec. 3. (1) Subject to subsection (2), a person that commits  
9 any of the following acts is liable to this state or a local  
10 government, as applicable, for a civil penalty of not less than  
11 \$6,000.00 and not more than \$12,000.00, plus 3 times the amount of  
12 all damages, including consequential damages, that this state or  
13 the local government sustains because of the acts of the person:

14 (a) Knowingly presents or causes to be presented a false or  
15 fraudulent claim for payment or approval.

16 (b) Knowingly makes, uses, or causes to be made or used a  
17 false record or statement material to a false or fraudulent claim.

18 (c) Conspires to commit a violation of subdivision (a), (b),  
19 (d), (e), (f), or (g).

20 (d) Has possession, custody, or control of property or money  
21 used, or to be used, by this state or a local government and  
22 knowingly delivers or causes to be delivered less than all of the  
23 money or property.

24 (e) Is authorized to make or deliver a document certifying  
25 receipt of property used or to be used by this state or a local  
26 government and, intending to defraud this state or the local  
27 government, makes or delivers the receipt without completely  
28 knowing that the information on the receipt is true.

29 (f) Knowingly buys, or receives as a pledge of an obligation

1 or debt, public property from an officer or employee of this state  
2 or a local government knowing that the officer or employee is  
3 violating the law by selling or pledging the property.

4 (g) Knowingly makes, uses, or causes to be made or used a  
5 false record or statement material to an obligation to pay or  
6 transmit money or property to this state or a local government, or  
7 knowingly conceals or knowingly and improperly avoids or decreases  
8 an obligation to pay or transmit money or property to this state or  
9 a local government.

10 (2) A court may assess not more than 2 times the amount of  
11 damages sustained because of an act of a person described in  
12 subsection (1), if the court finds that all of the following apply:

13 (a) The person furnished all information known to the person  
14 about the violation to the officials responsible for investigating  
15 false claims on behalf of this state or a local government that  
16 sustained damages within 30 days after the date on which the person  
17 first obtained the information.

18 (b) The person fully cooperated with any government  
19 investigation of the act.

20 (c) At the time the person furnished information about the  
21 act, a criminal prosecution, civil action, or administrative action  
22 had not been commenced with respect to the act, and the person did  
23 not have actual knowledge of the existence of an investigation into  
24 the act.

25 (3) A person that commits an act described in subsection (1)  
26 is also liable for the costs, including attorney fees, of a civil  
27 action brought to recover a penalty or damages under this section.

28 (4) This section applies to claims, records, or statements  
29 made under a tax law only if both of the following apply:

1 (a) The net income or sales of the person the action is  
2 brought against is equal or exceed \$1,000,000.00 for a taxable year  
3 subject to an action brought under this section.

4 (b) The damages pleaded in the action exceed \$350,000.00.

5 (5) The attorney general shall consult with the state  
6 treasurer before filing or intervening in an action under this act  
7 that is based on the filing of false claims, records, or statements  
8 made under a tax law. If the attorney general declines to  
9 participate or to authorize participation by a local government in  
10 the action under section 4(2), the qui tam plaintiff shall obtain  
11 approval from the attorney general before making a motion to compel  
12 the department of treasury to disclose tax records.

13 Sec. 4. (1) The attorney general may investigate acts  
14 described in section 3(1). If the attorney general believes that a  
15 person has committed any of those acts, the attorney general may  
16 bring a civil action on behalf of the people of this state or on  
17 behalf of a local government against the person. A local government  
18 may also investigate acts described in section 3(1) that may have  
19 resulted in damages to the local government and may bring a civil  
20 action on its own behalf or on behalf of a subdivision of the local  
21 government to recover damages sustained by the local government as  
22 a result of the acts. An action may not be filed under this  
23 subsection against the federal government, this state, or a local  
24 government or an officer or employee of the federal government,  
25 this state, or a local government acting in his or her official  
26 capacity. The attorney general shall consult with the Office of  
27 Inspector General of the United States Department of Health and  
28 Human Services before filing an action related to the Medicaid  
29 program.

1           (2) A person may bring a qui tam civil action for an act  
2 described in section 3(1) on behalf of the person and the people of  
3 this state or a local government. All of the following apply to an  
4 action under this subsection:

5           (a) A person shall not file an action under this subsection  
6 against the federal government, this state, or a local government  
7 or an officer or employee of the federal government, this state, or  
8 a local government acting in his or her official capacity.

9           (b) A copy of the complaint and written disclosure of  
10 substantially all material evidence and information the qui tam  
11 plaintiff possesses must be served on the attorney general. A  
12 complaint filed in a court of this state must be filed in the  
13 circuit court of any county in which the qui tam plaintiff or any  
14 defendant resides or has done or does any business, in camera and  
15 under seal, must remain under seal for at least 60 days, and must  
16 not be served on the defendant until the court so orders. The seal  
17 does not preclude the attorney general, a local government, or the  
18 qui tam plaintiff from serving the complaint, other pleadings, or  
19 the written disclosure of substantially all material evidence and  
20 information possessed by the qui tam plaintiff on relevant state or  
21 local government agencies, or on law enforcement authorities of  
22 this state, a local government, or other jurisdictions or the  
23 federal government, so that the acts may be investigated or  
24 prosecuted, except that the seal applies to the agencies or  
25 authorities served to the same extent as the seal applies to other  
26 parties in the action. If the complaint alleges an act described in  
27 section 3(1) that involves damages to a local government, the  
28 attorney general may at any time provide a copy of the complaint  
29 and written disclosure to the attorney for the local government.

1 However, if the allegations in the complaint involve damages only  
2 to a city with a population of 500,000 or more, or only to this  
3 state and a city with a population of 500,000 or more, the attorney  
4 general shall provide the complaint and written disclosure to the  
5 corporation counsel of the city within 30 days. The attorney  
6 general may elect to supersede or intervene and proceed with the  
7 action, or to authorize a local government that may have sustained  
8 damages to supersede or intervene, within 60 days after it receives  
9 both the complaint and the material evidence and information.

10 However, if the allegations in the complaint involve damages only  
11 to a city with a population of 500,000 or more, the attorney  
12 general shall not supersede or intervene in the action without the  
13 consent of the corporation counsel of the city. The attorney  
14 general shall consult with the health care fraud division of the  
15 department of attorney general before superseding or intervening in  
16 an action related to the Medicaid program. The attorney general  
17 may, for good cause shown, move the court for extensions of the  
18 time during which the complaint remains under seal under this  
19 subsection. The motion may be supported by affidavits or other  
20 submissions in camera.

21 (c) Before the expiration of the 60-day period or any  
22 extensions obtained under subdivision (b), the attorney general  
23 shall notify the court, and shall provide the local government with  
24 a copy of the notification at the same time the court is notified,  
25 that he or she intends to do 1 of the following:

26 (i) File a complaint against the defendant on behalf of the  
27 people of this state or a local government and by doing so be  
28 substituted as the plaintiff in the action and convert the action  
29 in all respects from an action under this subsection brought by a

1 private person into a civil enforcement action by the attorney  
2 general under subsection (1).

3 (ii) Intervene in the action, as of right, so as to aid and  
4 assist the qui tam plaintiff in the action.

5 (iii) If the action involves damages sustained by a local  
6 government, grant the local government permission to do either of  
7 the following:

8 (A) File and serve a complaint against the defendant, and by  
9 doing so be substituted as the plaintiff in the action and convert  
10 the action in all respects from an action under this subsection  
11 brought by a private person into a civil enforcement action by the  
12 local government under subsection (1).

13 (B) Intervene in the action as of right, so as to aid and  
14 assist the qui tam plaintiff in the action.

15 (d) If the attorney general notifies the court that the  
16 attorney general intends to file a complaint against the defendant  
17 and by doing so be substituted as the plaintiff in the action, or  
18 to permit a local government to do so, the complaint must be filed  
19 within 30 days after the notification to the court. For purposes of  
20 applying a statute of limitations, a complaint filed by the  
21 attorney general or a local government under this subdivision  
22 relates back to the filing date of the complaint of the qui tam  
23 plaintiff, to the extent that the cause of action of this state or  
24 the local government arises out of the conduct, transactions, or  
25 occurrences alleged or attempted to be alleged in the complaint of  
26 the qui tam plaintiff.

27 (e) If the attorney general notifies the court that the  
28 attorney general intends to intervene in the action, or to permit a  
29 local government to intervene, a motion for intervention must be

1 filed within 30 days after the notification to the court.

2 (f) If the attorney general declines to participate in the  
3 action or to authorize participation by a local government, the  
4 action may proceed subject to judicial review under this section,  
5 law and court rules relating to civil procedure, and other  
6 applicable law. The qui tam plaintiff shall provide this state or a  
7 local government, if applicable, with a copy of any document filed  
8 with the court on or about the date it is filed and any order  
9 issued by the court on or about the date it is issued. A qui tam  
10 plaintiff shall notify this state or a local government, if  
11 applicable, within 5 business days of any decision, order, or  
12 verdict that results in a judgment in favor of this state or the  
13 local government.

14 (3) If the attorney general decides to participate in an  
15 action under this section or to authorize the participation of a  
16 local government, the court shall order that the complaint be  
17 unsealed and served at the time the complaint or motion by this  
18 state or local government is filed. After the complaint is  
19 unsealed, or if a complaint is filed by this state or a local  
20 government under subsection (1), the defendant must be served with  
21 the complaint and summons under chapter 19 of the revised  
22 judicature act of 1961, 1961 PA 236, MCL 600.1901 to 600.1974. A  
23 copy of a complaint that alleges that damages were sustained by a  
24 local government must also be served on the local government. The  
25 defendant shall respond to the summons and complaint within the  
26 time required under the applicable court rules.

27 (4) After an action is filed under this section, a person  
28 other than the attorney general or an attorney for a local  
29 government acting under subsection (1) or (2)(b) shall not

1 intervene in the action or bring a related civil action based on  
2 the facts underlying the action, unless the other person has first  
3 obtained the permission of the attorney general to intervene or to  
4 bring a related action. However, this subsection does not prohibit  
5 a person, with leave of court, from filing an amicus curiae brief.

6 (5) All of the following apply to an action under this  
7 section:

8 (a) If the attorney general elects to convert the action into  
9 an attorney general enforcement action, this state has the primary  
10 responsibility for prosecuting the action. If the attorney general  
11 elects to intervene in the action, this state and the qui tam  
12 plaintiff, and any local government that sustained damages and  
13 intervenes in the action, share primary responsibility for  
14 prosecuting the action. If the attorney general elects to permit a  
15 local government to convert the action into a civil enforcement  
16 action, the local government has primary responsibility for  
17 investigating and prosecuting the action. If the action involves  
18 damages to a local government but not this state and the local  
19 government intervenes in the action, the local government and the  
20 qui tam plaintiff share primary responsibility for prosecuting the  
21 action. This state or a local government is not bound by an act of  
22 the qui tam plaintiff. The qui tam plaintiff has the right to  
23 continue as a party to the action, subject to the limitations in  
24 subdivision (b). This state is not bound by the act of a local  
25 government that intervenes in an action involving damages to this  
26 state. If neither the attorney general nor a local government  
27 intervenes in the action, the qui tam plaintiff has the right to  
28 prosecute the action, subject to the attorney general's right to  
29 intervene at a later date on a showing of good cause.

1 (b) All of the following are applicable:

2 (i) This state may move to dismiss the action notwithstanding  
3 the objections of the qui tam plaintiff if the qui tam plaintiff  
4 has been served with the motion to dismiss and the court has  
5 provided the qui tam plaintiff with an opportunity to be heard on  
6 the motion. If the action involves damages to both this state and a  
7 local government, this state shall consult with the local  
8 government before moving to dismiss the action. If the action  
9 involves damages sustained by a local government but not this  
10 state, the local government may move to dismiss the action  
11 notwithstanding the objections of the qui tam plaintiff if the qui  
12 tam plaintiff has been served with the motion to dismiss and the  
13 court has provided the qui tam plaintiff with an opportunity to be  
14 heard on the motion.

15 (ii) This state or a local government may settle the action  
16 with the defendant notwithstanding the objections of the qui tam  
17 plaintiff if the court determines, after giving the qui tam  
18 plaintiff an opportunity to be heard, that the proposed settlement  
19 is fair, adequate, and reasonable with respect to all parties under  
20 the circumstances. On a showing of good cause, the opportunity to  
21 be heard may be provided in camera.

22 (iii) On a showing by the attorney general or a local government  
23 that the qui tam plaintiff's unrestricted participation in the  
24 litigation would interfere with or unduly delay the case or be  
25 repetitious or irrelevant, or on a showing by the defendant that  
26 the qui tam plaintiff's unrestricted participation in the  
27 litigation would be for purposes of harassment or cause the  
28 defendant undue burden, the court may, in its discretion, impose  
29 limitations on the qui tam plaintiff's participation in the case,

1 including any of the following:

2 (A) Limiting the number of witnesses the qui tam plaintiff may  
3 call.

4 (B) Limiting the length of the testimony of the witnesses.

5 (C) Limiting the qui tam plaintiff's cross-examination of  
6 witnesses.

7 (D) Otherwise limiting the participation by the qui tam  
8 plaintiff in the litigation.

9 (c) Regardless of whether the attorney general or a local  
10 government elects to supersede or intervene in the action, the  
11 attorney general or the local government may pursue any remedy  
12 available with respect to the criminal or civil prosecution of the  
13 presentation of false claims, including any administrative  
14 proceeding to determine a civil money penalty or to refer the  
15 matter to the Office of Inspector General of the United States  
16 Department of Health and Human Services for Medicaid-related  
17 matters. If an alternate remedy is pursued in another action or  
18 proceeding, the qui tam plaintiff has the same rights in the other  
19 action or proceeding as the qui tam plaintiff would have had if the  
20 action brought under this section had continued.

21 (d) Regardless of whether the attorney general elects to  
22 supersede or intervene in the action or to permit a local  
23 government to supersede or intervene in the action, on a showing by  
24 this state or a local government that certain discovery by the qui  
25 tam plaintiff would interfere with this state's or the local  
26 government's investigation or prosecution of a criminal or civil  
27 matter arising out of the same facts, the court may stay the  
28 discovery for not more than 60 days. The showing must be made in  
29 camera. The court may extend the stay on a further showing in

1 camera that this state or the local government has pursued the  
2 criminal or civil investigation or proceedings with reasonable  
3 diligence and allowing the discovery in the action will interfere  
4 with the ongoing criminal or civil investigation or proceedings.

5 (6) All of the following apply to awards to the qui tam  
6 plaintiff in an action brought under this section:

7 (a) If the attorney general elects to convert the action into  
8 an attorney general enforcement action or to permit a local  
9 government to convert the action into a civil enforcement action by  
10 the local government, or if the attorney general or a local  
11 government elects to intervene in the action, the qui tam plaintiff  
12 is entitled to receive from 15% to 20% of the proceeds recovered in  
13 the action or in settlement of the action. The court shall  
14 determine the percentage of the proceeds to which a qui tam  
15 plaintiff is entitled by considering the extent to which the qui  
16 tam plaintiff substantially contributed to the prosecution of the  
17 action. If the court finds that the action was based primarily on  
18 disclosures of specific information, other than information  
19 provided by the qui tam plaintiff, that related to allegations or  
20 transactions in a criminal, civil, or administrative hearing, in a  
21 state legislative or administrative report, hearing, audit or  
22 investigation, or from the news media, the court may award an  
23 amount that it considers appropriate, but not more than 10% of the  
24 proceeds, taking into account the significance of the information  
25 and the role of the qui tam plaintiff in advancing the case to  
26 litigation.

27 (b) If the attorney general or a local government does not  
28 elect to intervene or convert the action and the action is  
29 successful, a qui tam plaintiff that recovers proceeds is entitled

1 to receive from 25% to 30% of the proceeds recovered in the action  
2 or settlement of the action. The court shall determine the  
3 percentage of the proceeds to which the qui tam plaintiff is  
4 entitled by considering the extent to which the qui tam plaintiff  
5 substantially contributed to the prosecution of the action.

6 (c) With the exception of a court award of costs, expenses, or  
7 attorney fees, any payment to a qui tam plaintiff under this  
8 subsection must be made from the proceeds recovered in the action  
9 or in settlement of the action.

10 (7) In an action brought under this section, the court may  
11 award the attorney general, on behalf of the people of this state,  
12 a local government that participates as a party in the action, or a  
13 qui tam plaintiff an amount for reasonable expenses that the court  
14 finds to have been necessarily incurred, reasonable attorney fees,  
15 and costs. The expenses, fees, and costs must be awarded directly  
16 against the defendant, must not be charged from the proceeds, and  
17 may only be awarded if this state, a local government, or the qui  
18 tam plaintiff prevails in the action.

19 (8) If the court finds that an action under this section was  
20 brought by a person that planned or initiated the act described in  
21 section 3(1) on which the action was brought, the court may, to the  
22 extent the court considers appropriate, reduce the share of the  
23 proceeds of the action that the person would otherwise be entitled  
24 to receive under subsection (6), taking into account the role of  
25 the person in advancing the action to litigation and any relevant  
26 circumstances pertaining to the act. If a qui tam plaintiff is  
27 convicted of criminal conduct arising from his or her role in the  
28 act described in section 3(1), the qui tam plaintiff must be  
29 dismissed from the action and is not entitled to receive any share

1 of the proceeds of the action. A dismissal under this subsection  
2 does not prejudice the right of the attorney general to intervene  
3 in the action and to prosecute the action on behalf of this state  
4 or a local government.

5 (9) All of the following apply to an action brought under this  
6 section:

7 (a) The court shall dismiss the action if any of the following  
8 apply:

9 (i) The action is based on allegations or transactions that are  
10 the subject of a pending civil action or an administrative action  
11 in which this state or a local government is already a party.

12 (ii) This state or a local government has reached a binding  
13 settlement or other agreement with the person that committed the  
14 act described in section 3(1) resolving the matter and the  
15 agreement has been approved in writing by the attorney general or  
16 an attorney for the local government, if applicable.

17 (iii) The action is against a member of the legislature, a  
18 member of the judiciary, or a senior executive branch official and  
19 is based on evidence or information known to this state at the time  
20 the action was brought.

21 (b) The court shall dismiss the action, unless dismissal is  
22 opposed by this state or, if applicable, a local government or  
23 unless the qui tam plaintiff is an original source of the  
24 information, if substantially the same allegations or transactions  
25 as alleged in the action were publicly disclosed in 1 of the  
26 following ways:

27 (i) In a state or local government criminal, civil, or  
28 administrative hearing in which this state or a local government or  
29 its agent is a party.

1           (ii) In a report, hearing, audit, or investigation of the  
2 United States, this state, or a local government that is made on  
3 the public record or disseminated broadly to the general public.  
4 However, for purposes of this subparagraph, information is not  
5 publicly disclosed in a report or investigation if it was disclosed  
6 or provided under the freedom of information act, 1976 PA 442, MCL
