25 to a certificate.

26 (b) A person engaged in the business of constructing,
27 altering, repairing, or improving real estate for others to the
28 extent the data center equipment is to be affixed to or made a
29 structural part of an enterprise data center subject to a

2 (5) In order for a purchaser to claim an exemption under
3 subsection (4), at the time the data center equipment is sold to
4 the purchaser, the qualified entity must have received a
5 certificate for that facility which is in good standing.

6 (6) All of the following apply with respect to the exemption
7 under subsection (4):

8 (a) A person seeking a certificate for an enterprise data
9 center must apply to the Michigan strategic fund on a form and in
10 the manner prescribed by the Michigan strategic fund. The
11 application must include an affirmation signed by the applicant
12 stating that it expects the facility to satisfy each of the
13 criteria for an enterprise data center under subsection (8) (e) and
14 the anticipated time frame for doing so. Within 120 days after
15 receiving a complete and correct application, the Michigan
16 strategic fund shall review the application and either issue a
17 certificate to the applicant or provide written reasons for its
18 denial. The certificate must specify a time frame for a facility to
19 satisfy each of the criteria for an enterprise data center under

26 purchases for which an exemption is claimed under subsection (4)
27 and such other information as may be required by the Michigan
28 strategic fund to determine whether the facility continues to
29 qualify as an enterprise data center. The report required by this

1 subdivision is subject to audit and must be made on an annual basis
2 following issuance of the certificate. The report required by this
3 subdivision must not include any remittance for tax and does not
4 constitute a return or otherwise alleviate any obligations under
5 section 6.

6 (c) The Michigan strategic fund shall revoke a certificate
7 issued under this section if it determines a facility no longer
8 meets the definition of an enterprise data center. If the Michigan
9 strategic fund determines revocation is appropriate, it shall
10 provide written notice to the qualified entity and the department
11 not less than 60 days, but not more than 180 days, before
12 revocation, notifying the qualified entity of its preliminary
13 determination to revoke the certificate and providing the qualified
14 entity an opportunity to demonstrate, within the time period
15 specified in the notice, that the facility continues to meet the
16 definition of an enterprise data center. Following the expiration
17 of the time period specified in the notice, if the Michigan
18 strategic fund determines that the facility does not meet the
19 definition of an enterprise data center, the Michigan strategic
20 fund shall revoke the certificate. If revocation occurs not more
21 than 10 years after issuance of the certificate, the former
22 qualified entity shall pay to the department an amount equal to the
23 entire amount of the tax exemptions stemming from the certificate
24 that have been received under subsection (4) by all persons, plus
25 interest as specified in section 23(2) of 1941 PA 122, MCL 205.23,

29 certificate, the former qualified entity shall pay to the

1 department an amount equal to the entire amount of the tax
2 exemptions stemming from the certificate that have been received
3 under subsection (4) by all persons, plus interest as specified in
4 section 23(2) of 1941 PA 122, MCL 205.23, calculated from January 1
5 of the year the exemption was received until the amount is paid to
6 the department under this subdivision, unless the Michigan
7 strategic fund determines, pursuant to published guidelines, that a
8 lesser amount, but not less than an amount equal to 50% of the
9 entire amount of the tax exemptions stemming from the certificate
10 that have been received by all persons under subsection (4), is
11 appropriate after evaluating the circumstances. During the time
12 period specified in the notice described in this subdivision, all
13 persons must cease claiming a tax exemption stemming from the
14 certificate under subsection (4). If a certificate is revoked, the
15 Michigan strategic fund shall notify the department within 5 days
16 after the revocation.

18 altering, repairing, or improving real estate for others that has
19 claimed an exemption under subsection (4) (b) for a particular
20 facility must submit an annual summary report to the qualified
21 entity or former qualified entity to which a certificate for that
22 facility was issued on or before January 1 of each year that
23 provides, at a minimum, information sufficient to identify the
24 person that made the purchases and the sales price of all items
25 purchased each month of that year. Such a person must also maintain
26 all invoices, bills of sale, or similar documents for all claimed
27 exempt purchases that indicate the date of purchase, the items
