Rev. Dr. William H. Bell, Jr., Senior Pastor of St. Mark Christian Methodist Episcopal Church in Battle Creek, offered the following invocation:

“Almighty Creator, by Your Grace and Will, we invite Your Holy Presence into this Capitol assembly of the Michigan State Legislature. Please light afresh upon this august body of elected persons as they fervently endeavor to transact Your business during commencement of this House legislative session. I humbly beseech Thee that You reveal Your will for them to hear Your voice clearly and distinctly so that they may serve You, the constituents that elected them, and those who did not elect them.

O Omniscient and Holy Creator, we readily admit that our state representatives are constantly bombarded with many complex issues that directly affect the lives of Michigan citizens. Therefore, Your servant humbly asks You to speak to our legislature’s hearts that they might pursue truth with integrity, and justice with fairness. Crown them with Your anointing so that their hearts, convictions, and aims will remain on the side of truth, justice and righteousness.

Almighty and Omnipotent Creator, Your humble servant asks that You surround our lawmakers with sound counsel from people from all walks of life. Saturate them with people of high moral character and spiritual maturity. Among the many voices which call out to them every day, may they hear Your voice well above all others. As we look to our state legislatures for assurance and guidance, especially during times of great difficulty, shine Your divine lower lights upon our state legislatures so that Michigan citizens may find peace, confidence and comfort in our elected officials’ ability to lead and legislate.

Lastly, Everlasting Creator, I humbly ask that You prepare Your angels of grace, love and mercy to protect our state legislators from evil seen and unseen as they endeavor to return to the locale of their election, their constituents, and to their friends and families. It is in Your most awesome name that Your Servant’s prayer is prayed. And we all said Amen.”

**Motions and Resolutions**

By unanimous consent the House considered **House Resolution No. 255** out of numerical order.

Reps. Puri, Xiong, Brenda Carter, Young, Brixie, Andrews, Brabec, Fitzgerald, MacDonell, Martus, Tisdell, Kuhn, Steckloff, Dievendorf, Edwards, Byrnes, Miller, McKinney, Pohutsky, Breen, Arbit, Glanville, Haadsma, Hill, Paiz, Rheingans, Rogers, Weiss and Wilson offered the following resolution:

**House Resolution No. 255.**

A resolution to declare May 2024 as Asian American, Native Hawaiian and Pacific Islander Heritage Month in the state of Michigan.

Whereas, The state of Michigan is fortunate to be home to more than 420,000 residents of Asian American, Native Hawaiian and Pacific Islander (AANHPI) descent; and

Whereas, AANHPI comprise one of the fastest growing populations in both the state and the nation, with a thirty-nine percent population growth since 2012. In fact, AANHPI is the largest-growing population in Michigan according to the last U.S. Census; and

Whereas, The Asian and Pacific Island regions are tremendously diverse, with more than thirty countries, numerous languages, and multiple belief systems; and

Whereas, Residents of AANHPI descent in each generation, from the laborers who connected our coasts one and a half centuries ago to the patriots who fought overseas while their families were interned at home, to the entrepreneurs and engineers who help our economy thrive, and our healthcare professionals who have served to ensure public health during the pandemic, these patriotic Americans have enhanced our culture, quality of life, and economic vitality through leadership, commitments to knowledge, education, and advancement, and dedication to their communities; and

Whereas, The state of Michigan and the United States of America have been enriched by the contributions of AANHPI in all facets of life, including the arts, sciences, business, education, and philanthropy. Michigan has recognized the contributions AANHPI and other immigrants make to our economy with the establishment of the Michigan Asian Pacific American Affairs Commission and Office of Global Michigan; and

Whereas, The culture and contributions of our Asian American, Native Hawaiian and Pacific Island residents will continue to grow in significance as more AANHPI choose to make Michigan their home and as our economy becomes increasingly intertwined with the economies throughout Asia and the Pacific; and

Whereas, AANHPI, through advocating issues of justice and equity, continue to break down the barriers of discrimination, indifference, and intolerance, thereby opening doors for all AANHPI we must also recognize that throughout our history, AANHPI communities have been the target of violence, disenfranchisement, efforts to restrict immigration, and other xenophobic policies at the federal, state, and local level. The echoes of this dark history are evident today in the shameful increase in Anti-Asian hate seen across the country. It is imperative that we confront past and present racism and fight for the safety and inclusion of our AANHPI friends and neighbors.

Whereas, AANHPI residents are proudly served in Michigan by many dedicated organizations, including Asian Pacific American Chamber of Commerce, Council of Asian Pacific Americans, Asian American Citizens for Justice, Asian Center Southeast Michigan and West Michigan, West Michigan Asian Pacific American Association, APIA-Vote Michigan, Rising Voices, Sikh Coalition, Michigan Asian Pacific American Bar Association, South Asian Bar Association of Michigan, South Asian American Voices for Impact, MI-India Foundation, India League of America-Michigan, Asian Indian Women's Association of Michigan, and many more; and

Whereas, The state of Michigan takes pride in its cultural diversity and welcomes the opportunity to honor our AANHPI residents for their lasting, expanding imprint upon our state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2024 as Asian American, Native Hawaiian and Pacific Islander Heritage Month in the state of Michigan. We encourage all citizens to celebrate the individual and collective contributions of Asian Americans, Native Hawaiians, and Pacific Islanders to this state and to this country.

The question being on the adoption of the resolution,

The resolution was adopted.

### Motions and Resolutions

The Speaker laid before the House

#### House Resolution No. 243.

A resolution to declare May 10, 2024, as Provider Appreciation Day in the state of Michigan.

(The resolution was introduced and postponed for the day on May 1, see House Journal No. 37, p. 350.)

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Wegela, Tsernoglou, Andrews, McFall, Rheingans, Weiss, Churches, MacDonell, Dievendorf, Paiz, Brabec, Edwards, Wilson, McKinney, Rigas, Jaime Greene, Bezotte, Breen, Byrnes, Haadsma, Hill, Liberati and Rogers offered the following resolution:

#### House Resolution No. 252.

A resolution to declare May 12, 2024, as Fibromyalgia Awareness Day in the state of Michigan.

Whereas, Fibromyalgia is a chronic disorder characterized by widespread musculoskeletal pain, fatigue, sleep disturbances, and cognitive difficulties; and

Whereas, Fibromyalgia affects an estimated 2-8 percent of the population, often causing significant impairment in daily functioning; and

Whereas, Awareness and understanding of fibromyalgia among the general public, healthcare professionals, and policymakers is crucial for early diagnosis, effective treatment, and support for individuals living with this condition; and

Whereas, May 12th is recognized internationally as Fibromyalgia Awareness Day, providing an opportunity to educate communities about fibromyalgia and support efforts to improve research, treatment, and quality of life for those affected; and

Whereas, The state of Michigan recognizes the importance of raising awareness about fibromyalgia and supporting individuals living with this condition; now, therefore, be it

Resolved by the House of Representatives, That members of this legislative body declare May 12, 2024, as Fibromyalgia Awareness Day in the state of Michigan. We encourage all residents, healthcare professionals, organizations, and businesses in Michigan to learn more and raise awareness about fibromyalgia in our communities.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Mueller, Alexander, Bezotte, Breen, Byrnes, Glanville, Haadsma, Hill, Liberati, Lightner, Paiz, Rheingans, Rogers, Weiss and Wilson offered the following resolution:

**House Resolution No. 253.**

A resolution to declare May 2024 as Cystic Fibrosis Awareness Month in the state of Michigan.

Whereas, Cystic fibrosis, commonly referred to as CF, is a genetic disease affecting approximately 40,000 children and adults in the United States living with CF, and approximately 105,000 people having been diagnosed worldwide across 94 countries; and

Whereas, Cystic fibrosis starts in the body with a defective gene that causes the body to produce an abnormally thick, sticky mucus that clogs the lungs, and these secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestine to help break down and absorb food; and

Whereas, More than 10 million Americans are symptomless carriers of the defective gene, approximately 1,000 new cases of CF are diagnosed each year with 75 percent being diagnosed before age two and sadly people of color remain underdiagnosed in the United States and the world; and

Whereas, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF and early diagnosis permits earlier treatment and enhances quality of life and longevity, the treatments determined by stage and organs effected; and

Whereas, In 1989, scientists made a ground-breaking discovery of the defective CFTR gene responsible for CF. The discovery paved the way for understanding CF at a molecular level leading to development or targeted treatments including the approval of drugs that managed symptoms; and

Whereas, Entering the 2000s, the Cystic Fibrosis Foundation's Therapeutics Development Program made significant investments to which have led to breakthrough drug therapies aimed at the underlying genetic defect; and

Whereas, Innovative treatments and access to care play a critical role for individuals with CF getting the treatments and increasing their quality and life expectancy, which in the United States in 2018 the median survival age was 41 and has now risen to 56 years. While areas of the world without the level of access and care the survival age is 8 years or younger; and

Whereas, The state of Michigan has eight world-class treatment centers specializing in the diagnosis and care of CF and non-profit advocacy groups which have served to care, educate, and raise awareness but also to celebrate the resilience and achievements of those individuals with CF and communities supporting the fight against this challenging disease; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2024 as Cystic Fibrosis Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Thompson, Mueller, Alexander, St. Germaine, Hall, Bierlein, VanderWall, Bezotte, Breen, Haadsma, Lightner, Rheingans, Rogers and Wilson offered the following resolution:

**House Resolution No. 254.**

A resolution to declare May 7-13, 2024, as Fentanyl Awareness Week in the state of Michigan.

Whereas, Fentanyl is a powerful synthetic opioid that is 50 to 100 times more potent than morphine, and 30 to 50 times more potent than heroin. Just two milligrams—the equivalent of a few grains of salt—is a potentially lethal dose; and

Whereas, Fentanyl has been increasingly found mixed with other drugs, such as heroin, cocaine, and counterfeit pills, contributing to the current opioid crisis; and

Whereas, Most recent cases of fentanyl-related overdose are linked to illicitly manufactured fentanyl, which is distributed through illegal drug markets for its heroin-like effect. It is often added to other drugs because of its extreme potency, which makes drugs cheaper, more powerful, more addictive, and more dangerous; and

Whereas, The Sinaloa and Jalisco cartels are hiding fentanyl in fake pills that look like prescription medications, such as oxycodone, Xanax, and Percocet. The cartels are also mixing fentanyl powder into other drugs, including cocaine, heroin, and methamphetamine. Many of the people poisoned by fentanyl had no idea they were even taking it; and

Whereas, The cartels, their members, and their associates continue using social media applications and encrypted communications platforms to sell pills and powders that are advertised as legitimate medications or other substances, but actually contain fentanyl; and

Whereas, The Detroit Field Division of the Drug Enforcement Administration confiscated 1,168 pounds of fentanyl in 2023, 70% more than it seized the previous year, according to a statement from federal authorities; and

Whereas, Fentanyl has been a significant contributor to the rise in drug overdose deaths in the State of Michigan and across the United States; and

Whereas, Fentanyl-related deaths in Michigan have surged dramatically in recent years, there were 2,539 opioid overdose deaths recorded in Michigan in 2021; and

Whereas, The impact of fentanyl on communities in Michigan has been profound, affecting individuals, families, and neighborhoods across the state; and

Whereas, Raising awareness about the dangers of fentanyl is crucial to combating its spread and preventing further loss of lives; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 7-13, 2024, as Fentanyl Awareness Week in the State of Michigan. We call this observance to the attention of all our citizens.

The question being on the adoption of the resolution,

Rep. Thompson moved to substitute (H-1) the resolution as follows:

**Substitute for House Resolution No. 254.**

**Messages from the Governor**

The following message from the Governor was received May 9, 2024 and read:

**EXECUTIVE ORDER**

**No. 2024-3**

**Declaration of State of Emergency**

On May 7, 2024, severe weather that included straight-line winds struck the counties of Kalamazoo, St. Joseph, Branch, and Cass producing damaging winds and at least 2 tornadoes confirmed by radar. These areas saw significant damage to homes, businesses, and public infrastructure, downed power lines, and blocked roads. Though response efforts are still underway, initial damage assessments indicate that residents in these counties have suffered serious consequences from this dangerous storm, including severe property damage.

Local officials in Kalamazoo, St. Joseph, Branch, and Cass counties have taken several actions to respond to the situation including, but not limited to, activating the emergency response and recovery aspects of their emergency operations. Despite these efforts, local resources have proven insufficient to address the situation. State assistance and other outside resources are necessary to effectively respond to and recover from the impacts of this emergency, protect public health, safety, and property, and lessen or avert the threat of more severe and lasting harm.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor. Under the Emergency Management Act, 1976 PA 390, as amended, MCL 30.403(4), “[t]he governor shall, by executive order or proclamation, declare a state of emergency if he or she finds that an emergency has occurred or that the threat of an emergency exists.”

Therefore, acting under the Michigan Constitution of 1963 and Michigan law, including the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 to 30.421, I find it reasonable and necessary to order the following:

1. A state of emergency is declared for Kalamazoo, St. Joseph, Branch, and Cass counties.
2. The Emergency Management and Homeland Security Division of the Department of State Police must coordinate and maximize all state efforts and may call upon all state departments to use available resources to assist in the designated areas pursuant to the Michigan Emergency Management Plan.
3. The state of emergency is terminated at such time as the threats to public health, safety, and property caused by the emergency no longer exist, and appropriate programs have been implemented to recover from the effects of this emergency, but in no case later than June 4, 2024, unless extended as provided by the Emergency Management Act.
