- 1 A resolution to declare May 2023 as Foster Care Awareness
- 2 Month in the state of Michigan.
- 3 Whereas, Recognizing National Foster Care Awareness Month is
- 4 an opportunity to shine a light on the challenges children in the

1 foster care system face and encouraging the Legislature to
2 implement policy to improve the lives of children in the foster
3 care system; and

4 Whereas, It is also a time to acknowledge foster parents,
5 family members, volunteers, mentors, policymakers, and child
6 welfare professionals who help children and youth in foster care
7 find permanent homes and connections. We use this time to renew our
8 commitment to ensuring a bright future for the more than 407,000
9 children and youth in foster care and we celebrate those who make a
10 meaningful difference in their lives; and

11 Whereas, Children in foster care who are placed with
12 relatives, compared to children placed with nonrelatives, have more

24 and support of a biological or adoptive family and frequently
25 struggle to secure affordable housing, obtain health insurance,
26 pursue higher education, and acquire adequate employment; and

27 Whereas, Children entering foster care often confront the
28 widespread misperception that children in foster care are
29 disruptive, unruly, and dangerous, even though placement in foster

1 care is based on the actions of a parent or guardian, not the

4 Human Services, children in foster care may be at greater risk for
5 mental health problems; now, therefore, be it

7 this legislative body declare May 2023 as Foster Care Awareness
8 Month in the state of Michigan. We encourage more citizens to
9 volunteer their time to become mentors to children in foster care
10 and we realize that the state of Michigan must do more to support
11 these children and prepare them to live healthy and productive
12 lives.
