

MICHIGAN PLANNING ENABLING ACT (EXCERPT)
Act 33 of 2008

125.3823 Compensation; expenses; preparation of budget; acceptance of gifts.

Sec. 23.

(1) Members of a planning commission may be compensated for their services as provided by the legislative body. A planning commission may adopt bylaws relative to compensation and expenses of its members and employees for travel when engaged in the performance of activities authorized by the legislative body, including, but not limited to, attendance at conferences, workshops, educational and training programs, and meetings.

(2) After preparing the annual report required under section 19, a planning commission may prepare a detailed budget and submit the budget to the legislative body for approval or disapproval. The legislative body annually may appropriate funds for carrying out the purposes and functions permitted under this act, and may match local government funds with federal, state, county, or other local government or private grants, contributions, or endowments.

(3) A planning commission may accept gifts for the exercise of its functions. However, in a township, other than a township that on the effective date of this act had a planning commission created under former 1931 PA 285, only the township board may accept such gifts, on behalf of the planning commission. A gift of money so accepted in either case shall be deposited with the treasurer of the local unit of government in a special nonreverting planning commission fund for expenditure by the planning commission for the purpose designated by the donor. The treasurer shall draw a warrant against the special nonreverting fund only upon receipt of a voucher signed by the chairperson and secretary of the planning commission and an order drawn by the clerk of the local unit of government. The expenditures of a planning commission, exclusive of gifts and grants, shall be within the amounts appropriated by the legislative body.
