**Act 300 of 1949**

**257.323d Drug case information management fund; creation; purpose; expenditure; crediting and investing money; reversion; distribution of amounts by state court administrator; reimbursement of costs.**

Sec. 323d.

(1) The drug case information management fund is created as a separate fund in the state treasury. The purpose of the fund is to help defray the costs of complying with requirements for the timely management and reporting to the secretary of state of information concerning cases involving an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of the public health code, Act No. 368 of the Public Acts of 1978, being sections 333.7401 to 333.7461 and 333.17766a of the Michigan Compiled Laws, or of a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. Money in the fund shall be expended only as provided in subsection (3).

(2) The state treasurer shall credit the drug case information management fund with the money collected from license reinstatement fees as provided in section 320e(2). The state treasurer may invest money contained in the drug case information management fund in any manner authorized by law for the investment of state money. However, an investment shall not interfere with any apportionment, allocation, or payment of money as required by this section. The state treasurer shall credit all earnings from the fund to the fund. Money in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund.

(3) The state court administrator, at the direction of the supreme court and upon confirmation of the amount by the state treasurer, shall distribute from the drug case information management fund the total amount available in a fiscal year to each circuit of the circuit court, each district of the district court, and each probate court as provided in this subsection. The state court administrator, after reimbursement of costs as provided in this subsection, shall distribute the balance of the drug case information management fund annually after costs are disbursed to each circuit of the circuit court, each district of the district court, and each probate court in an amount determined by multiplying the amount available for distribution by a fraction, the numerator of which is the number of cases in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, in the prior calendar year in that circuit of the circuit court, that district of the district court, or that probate court, as certified by the state court administrator, and the denominator of which is the total number of cases in all circuits of the circuit court, all districts of the district court, and all probate courts in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 of section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. The state court administrative office shall be reimbursed annually from the drug case information management fund for all reasonable costs associated with the administration of this section, including judicial and staff training, on-site management assistance, forms development and conversion, and software development and conversion.
