

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.16517 Rules; license renewal; continuing education requirements.

Sec. 16517.

(1) Notwithstanding the requirements of part 161, the department, in consultation with the board, shall promulgate rules requiring a licensee seeking renewal of a license to furnish the department with satisfactory evidence that during the license cycle immediately preceding the application for renewal the licensee has attended continuing education courses or programs approved by the board in subjects related to the practice of acupuncture and designed to further educate licensees. An individual is considered to have completed the continuing education requirements described in this subsection if the department determines that the individual has met the continuing education standards of the National Certification Commission for Acupuncture and Oriental Medicine or equivalent standards as determined by the board.

(2) As required under section 16204, the department, in consultation with the board, shall promulgate rules requiring each applicant for license renewal to complete as part of the educational courses or programs required under subsection (1) an appropriate number of hours or courses in pain and symptom management.

(3) In addition to the continuing education requirements of this section, the department shall require an applicant seeking renewal of a limited license granted under section 16515(3) to hold a license to engage in another health profession at the time of his or her application for renewal as a condition of renewal of his or her limited license.
