

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.17760 Operation of automated device not located at same address as pharmacy; control and supervision by pharmacist; delegation of tasks.

Sec. 17760.

(1) A pharmacy that is owned and operated by a hospital licensed under article 17 may operate an automated device at a location that is affiliated with the hospital but that is not located at the same physical address as the pharmacy. A pharmacy that operates an automated device under this section shall notify the department of the automated device's location.

(2) An automated device that is operated under this section must be under the control and supervision of the pharmacist in charge for the pharmacy described in subsection (1). The pharmacist in charge for the pharmacy described in subsection (1) may, in accordance with the requirements for delegation and supervision in this article, delegate the stocking of the automated device, the removal of medication from the automated device, the maintenance of the automated device, and other tasks related to the operation of the automated device, but he or she is not required to be immediately physically present to supervise a delegated task. The operation of the automated device is limited to licensed health professionals.
