PUBLIC HEALTH CODE (EXCERPT) Act 368 of 1978

333.21411 License for hospice or hospice residence required; exception; use of term "hospiceâ€; representation as hospice residence; exemption from licensure; separate license for health facility or agency; activities of health facility or agency not restricted; inspections and concurrent issuance of licenses.

Sec. 21411.

- (1) Except as provided in subsection (5), a hospice or hospice residence shall be licensed as required under this article.
- (2) The term "hospice" shall not be used to describe or refer to a health program or agency unless that program or agency is licensed as a hospice by the department as required under this article or is exempted from licensure as provided in subsection (5).
- (3) A person shall not represent itself as a hospice residence unless that person is licensed as a hospice residence by the department as required under this article.
- (4) A hospital, nursing home, home for the aged, county medical care facility, or any other health facility or agency that operates a hospice or hospice residence shall be licensed as a hospice or hospice residence under this article.
 - (5) A hospice is exempt from licensure under this article if the hospice meets all of the following requirements:
 - (a) Provides services to not more than 7 patients per month on a yearly average.
 - (b) Does not charge or receive fees for goods or services provided.
 - (c) Does not receive third party reimbursement for goods or services provided.
- (6) If a hospice provides inpatient services that meet the definition of a hospital, nursing home, home for the aged, county medical care facility, hospice residence, or other health facility or agency, the hospice or hospice residence shall obtain a separate license as required under this article for that hospital, nursing home, home for the aged, county medical care facility, hospice residence, or other health facility or agency.
- (7) This part does not restrict an activity of a health facility or agency if the activity is permitted under the license held by that health facility or agency.
- (8) If separate licensure is required under this section, the department may conduct inspections and issue the required licenses concurrently.
