SKILLED TRADES REGULATION ACT (EXCERPT) Act 407 of 2016

339.5401 Fees; establishment of specific amounts charged for licenses, permits, and activities; license verification

Sec. 401.

- (1) Unless the amount of a fee is established under a specific article of this act, the department by rule shall establish the specific amounts of the fees charged for licenses, permits, and other activities under this act.
- (2) If the department receives a written request and the applicable fee, the department shall issue a license verification for a current license issued under this act.
