(6) The administrator may issue a stop order suspending the offer and sale of a federal covered security, except a federal covered security under section 18(b)(1) of the securities act of 1933, 15 USC 77r, if it finds that the order is in the public interest and there is a failure to comply with this section.

(7) The administrator may waive any or all of the provisions of this section by rule or order.

(8) All of the following apply to the renewals of a notice filing under subsection (3):

(a) Subject to adjustment under subdivision (c), the fee for the renewal is 1 of the following:

(i) If the issuer projects nonexempt sales of the security in this state during the 1-year renewal period of \$250,000.00 or less, \$100.00.

(ii) If the issuer projects nonexempt sales of the security in this state during the 1-year renewal period of more than \$250,000.00 but not more than \$700,000.00, \$400.00.

(iii) If the issuer projects nonexempt sales of the security in this state during the 1-year renewal period of more than \$700,000.00 but not more than \$1,000,000.00, \$800.00.

(iv) If the issuer projects nonexempt sales of the security in this state during the 1-year renewal period of more than \$1,000,000.00, \$1,400.00.

(b) For purposes of subdivision (a), an issuer's projection of nonexempt sales of a security must be reasonable and based on any facts known to the issuer at the time of renewal that may affect sales of the security, including, but not limited to, nonexempt sales of the security in this state during the current 1-year notice filing period.

(c) If an issuer's nonexempt sales of a security in this state during a 1-year notice filing period exceed the projections for that period that the issuer had submitted to the administrator for determination of the issuer's renewal fee for that 1-year notice filing period, the issuer is not required to amend its projections or pay an additional fee for that notice filing period. However, the fee for renewal of the notice filing shall be the greater of the following:

(i) The renewal fee determined under subdivision (a).

(ii) A renewal fee determined under subdivision (a), using actual sales during the current notice filing period as the projected sales for the renewal notice filing period.

(d) If an issuer's nonexempt sales of a security in this state during a 1-year notice filing period are less than the projections for that period that the issuer had submitted to the administrator for determination of the issuer's renewal fee for the 1-year notice filing period, the issuer is not entitled to a refund of any part of the renewal fee for that period or adjustment of the renewal fee for any renewal period.

(e) Upon written request of the administrator, an issuer shall provide sales reports showing the issuer's nonexempt sales of a security in this state for the current and 2 previous 1-year notice filing periods, but the issuer is not otherwise required to provide a sales report to the administrator in connection with a renewal of a notice filing.

(f) If the administrator determines that for 2 consecutive 1-year notice filing periods an issuer's nonexempt sales of a security in this state exceeded the issuer's sales projections for that period, the administrator may assess the issuer an administrative fine in the amount of the renewal fees the issuer would have paid under subdivision (a) if its projections had been accurate. This administrative fine is in addition to an increased fee for renewal under subdivision (c), if any.

(9) If the administrator finds that there is a failure to comply with a notice or fee requirement of this section, the administrator may issue a stop order suspending the offer and sale of a federal covered security in this state, except a federal covered security under section 18(b)(1) of the securities act of 1933, 15 USC 77r. If the deficiency is corrected, the stop order is void as of the time of its issuance and no other charge or administrative or civil fine may be imposed by the administrator.
