## REVISED JUDICATURE ACT OF 1961 (EXCERPT) Act 236 of 1961

600.8344 Register of actions as replacement for destroyed paper upon which judgment entered; applicability of section.

Sec. 8344.

The validity and enforceability of a judgment are not affected by the destruction of the piece of paper upon which the judgment is entered, but the register of actions itself, or a certified reproduction of the register of actions under the records reproduction act, 1992 PA 116, MCL 24.401 to 24.406, is a complete replacement of the judgment and the records of the action. This section applies to all of the following:

- (a) Judgments of municipal and common pleas courts abolished after January 1, 1969, if the judgment was entered or the action disposed of after January 1, 1969.
- (b) Actions entered in the small claims division of the district court, except that a register of actions is not required to be preserved or maintained after destruction of the file.
