

AIRPORT AUTHORITIES (EXCERPT)
Act 73 of 1970

259.821 Act contingent as to federal funding.

Sec. 21.

The provisions of this act shall be contingent upon the federal aviation agency finding that the authority created by this act is a public agency or public body corporate capable of assuming the obligations of the covenants which may have been entered into between the aeronautics commission and the federal aviation agency relative to sponsored project applications and contracts entered into between the agencies.
