Act 276 of 1999
Part 7
CONSOLIDATION AND CONVERSION

487.13701 Consolidated bank; formation.

Sec. 3701.

(1) Subject to approval by the commissioner, a bank may consolidate with any number of consolidating organizations to form a consolidated bank.

(2) The approval of the commissioner shall be based on an examination or other appropriate analysis of each consolidating organization and the agreement of consolidation. A consolidation shall not be made to defeat or defraud any of the creditors of any of the consolidating organizations.

(3) A majority of the directors of each organization proposing to consolidate may enter into an agreement, signed by them, or by their designated representative or representatives, prescribing the terms and conditions of consolidation, the mode of carrying the consolidation into effect, and stating other terms required or permitted by this act and any laws of the United States, as well as the manner of converting the shares of each of the consolidating organizations into shares of the consolidated organization, with other details and provisions as are considered necessary.

(4) The proposed consolidation agreement shall be submitted to the shareholders of each consolidating organization, at separate meetings of their shareholders. A notice indicating the time, place, and purpose of the meeting shall be mailed to each shareholder of each consolidating organization at his or her last known address as appears from the stock records of the consolidating organizations, by registered or certified mail, at least 10 days prior to the date of the meeting. Notice shall not be required if it is waived by the commissioner, or, in the case of individual notice to a shareholder, by the shareholder.

(5) At the meeting, the proposed consolidation agreement shall be considered and a vote by ballot, in person or by proxy, taken for the adoption or rejection of the agreement. At the meeting, each share of stock shall entitle the holder to 1 vote. If the votes of shareholders of each consolidating organization representing not less than 2/3 of the total number of shares of each class of each consolidating organization's outstanding capital stock are cast for the adoption of the agreement, the vote shall be certified on the agreement by an officer of each of the consolidating organizations.

(6) If an out-of-state bank, national bank, association, or savings bank is a consolidating organization and approval is required by the laws of another state or of the United States, that organization shall furnish a copy of the approval of the appropriate state or federal regulator of the consolidation to the commissioner.

(7) The consolidation agreement required by this section shall be submitted to the commissioner, who shall, upon approval, certify upon the agreement the effective date of the consolidation. The consolidation agreement or a copy certified by the commissioner is evidence of the agreement and act of consolidation of the consolidating organizations and the observance and performance of all necessary acts and conditions precedent to the consolidation.

(8) A bank holding company that is the sole shareholder of all of the outstanding issued stock of a bank, out-of-state bank, or national bank that is a consolidating organization in a proposed consolidation may waive the shareholder meeting requirement of this subsection.

(9) In effecting a consolidation, stock of the consolidated bank may be issued in accordance with this act and as provided by the terms of the consolidation agreement free from any preemptive rights of the shareholders of the respective consolidating organizations.

(b) "New bank" means a bank not engaged in the business of banking before the consolidation provided in this section.

(c) "Existing association" means a stock association engaged in the savings and loan business before the consolidation provided in this section.

(d) "Existing savings bank" means a stock savings bank engaged in the savings bank business before the consolidation provided in this section.

(a) A new bank may be organized for the sole purpose of effecting its consolidation under section 3701 with an existing bank, existing savings bank, or existing association having its principal office in the same city or village as the new bank and if upon completion of the consolidation a bank holding company becomes the owner of all of the outstanding voting shares of the consolidated organization. The new bank and existing bank may consolidate under the articles of either bank. The new bank and the existing savings bank or association shall consolidate under the articles of the new bank. Sections 3701, 3703, and 3704 apply to the consolidation, except that the agreement of consolidation may provide that shares of either or both the consolidating organizations will be converted into shares or other securities of the bank holding company.

(b) A shareholder of the existing bank, existing savings bank, or existing association who votes against the consolidation, or who has given notice in writing to that bank or association at or before the meeting called for the purpose of considering the agreement of consolidation that the shareholder dissents from the consolidation, is entitled to receive in cash from the consolidated organization the fair value of all shares held by the shareholder, if and when the consolidation is consummated, upon written request made to the consolidated organization at any time within 30 days after the date of consummation of the consolidation, accompanied by the surrender of the stock voted in dissent by the shareholder. Upon the filing of the written request and the surrender of stock certificates, if any, the shareholder shall cease to have any of the rights of a shareholder except the right to be paid the fair value of the shareholder's shares. The request having been made shall not be withdrawn except with the written consent of the consolidated organization. The fair value of the shares shall be determined, as of the date on which the meeting of shareholders of the existing bank, existing savings bank, or existing association was held adopting the agreement of consolidation, by a qualified and independent appraiser selected by the commissioner upon written request submitted by a dissenting shareholder entitled to receive the fair value of his or her shares. The appraiser selected shall file a written appraisal with the commissioner, who in turn shall forward copies to all interested parties. The valuation determined by the appraiser is final and binding on all parties as to the fair value of the shares. The consolidated organization shall pay to each dissenting shareholder entitled the fair value of his or her shares within 30 days following the receipt of the written appraisal. The fees and expenses of the appraisal, which shall be approved by the commissioner, shall be paid by the consolidated organization. The agreement of consolidation shall provide the manner of disposing of the shares of the existing bank, existing savings bank, or existing association surrendered by the dissenting shareholders.

(3) The commissioner shall approve or disapprove an application submitted under this section in writing within 30 days after acceptance of the application or the last amendment or supplement to the application.
