

PRIVATELY OWNED CERVIDAE PRODUCERS MARKETING ACT (EXCERPT)
Act 190 of 2000

287.955 Cervidae livestock operation; registration; records; compliance with facility standards.

Sec. 5.

(1) A person shall not possess cervidae or engage in a cervidae livestock operation unless he or she obtains from the department a cervidae livestock facility registration or unless otherwise exempt by rule or law. If the activity in which the cervidae livestock facility is engaged is required to be regulated under any other act, registration under this act does not exempt the person or cervidae livestock facility from requirements imposed under any local, state, or federal regulation. Zoos accredited under the American zoological association or other accreditations or standards determined appropriate by and acceptable to the department are exempt from this act.

(2) A person registered under this act shall keep and maintain records of production, purchases, or imports in order to establish proof of ownership and shall keep any other records required under standards incorporated by reference under section 6. A person transporting cervidae species shall produce documentation that contains the origin of shipment, registration or permit copies or documentation, documentation demonstrating shipping destination, and any other proof that may be required under the animal industry act, 1988 PA 466, MCL 287.701 to 287.745, upon demand of the director or a law enforcement officer.

(3) Until July 1, 2008, a cervidae livestock facility registered prior to the effective date of the amendatory act that added this subsection must comply with the facility standards contained in "Operational Standards for Registered Privately Owned Cervid Facilities", published by the Michigan department of agriculture, (May 2000). A cervidae livestock facility in existence on or before the effective date of the amendatory act that added this subsection shall be in compliance with the facility standards by July 1, 2008, which are contained in "Operational Standards for Registered Privately Owned Cervidae Facilities" published by the Michigan department of natural resources, (revised December 2005), adopted by the Michigan commission of agriculture on January 9, 2006, and adopted by the natural resources commission on January 12, 2006, and are incorporated by reference.
