

MICHIGAN MILITARY ACT (EXCERPT)
Act 150 of 1967

32.817 Active service; definition.

Sec. 417.

For the purposes of establishing eligibility for retirement pay, "active service" shall consist of any of the following:

- (a) Active service in the Michigan national guard or Michigan defense force as an officer or enlisted man or both.
- (b) Federal service in response to a call or order of the president in time of declared national emergency when such service is not voluntary.
- (c) Voluntary active duty in the service of the United States by members of the state military establishment, not in response to a call or order of the president in time of declared national emergency, shall be considered as active service only when such duty is in support of a national guard mission. Any fractional part of a year amounting to 6 months or more is counted as a complete year. Active service is terminated by an honorable separation from the Michigan national guard or defense force.
