## PUBLIC HEALTH CODE (EXCERPT) Act 368 of 1978

333.9211 Preschool aged child registered in program of group residence, care, or camping; certificate of immunization or statement of exemption; minimum dose of immunizing agent; updated certificate; report of immunization status.

Sec. 9211.

- (1) A parent, guardian, or person in loco parentis applying to have a preschool aged child registered in a program of group residence, care, or camping shall present to the operator of the program at the time of registration or not later than the first day of the program a certificate of immunization or a statement of exemption under section 9215. The operator of the group program shall not permit a child to attend the group activity unless a minimum of 1 dose of an immunizing agent against each of the diseases specified by the department has been received and certified to by a health professional or local health department. A parent, guardian, or person in loco parentis of a child registered with only these minimum doses of an immunizing agent and continuing enrollment in the group program shall present an updated certificate of immunization within 4 months after initial attendance showing that the immunizations have been completed as prescribed by the department, if the child remains in the program.
- (2) Upon request by the department or local health department, a program operator shall report to the state and local health departments the immunization status of each child accepted.
