333.17607 Speech-language pathology; license required; restrictions.

Sec. 17607.

(1) An individual shall not engage in the practice of speech-language pathology unless licensed under this part.

(2) A licensee shall not perform an act, task, or function within the practice of speech-language pathology unless he or she is trained to perform the act, task, or function and the performance of that act, task, or function is consistent with the rules promulgated under section 17610(3). A speech-language pathologist shall refer a patient to an individual licensed in the practice of medicine or osteopathic medicine and surgery if signs or symptoms identified during the practice of speech-language pathology cause the speech-language pathologist to suspect that the patient has an underlying medical condition.

(3) A licensee shall perform assessment, treatment or therapy, and procedures related to swallowing disorders and medically related communication disorders only on patients who have been referred to him or her by an individual licensed in the practice of medicine or osteopathic medicine and surgery or by an advanced practice registered nurse as that term is defined in section 17201.

(4) A licensee shall only perform diagnostic testing, such as endoscopic videolaryngostroboscopy, in collaboration with or under the supervision of an individual licensed in the practice of medicine or osteopathic medicine and surgery.

(5) A licensee shall follow procedures in which collaboration among the licensee and an individual licensed in the practice of medicine or osteopathic medicine and surgery and other licensed health care professionals is regarded to be in the best interests of the patient.

(6) Subsection (1) does not prevent any of the following:

(a) An individual licensed or registered under any other part or act from performing activities that are considered speech-language pathology services if those activities are within the individual's scope of practice and if the individual does not use the titles protected under section 17603.

(b) The practice of speech-language pathology that is an integral part of a program of study by students enrolled in an accredited speech-language pathology educational program approved by the board, if those individuals are identified as students and provide speech-language pathology services only while under the supervision of a licensed speech-language pathologist.

(c) Self-care by a patient or uncompensated care by a friend or family member who does not represent or hold himself or herself out to be a licensed speech-language pathologist.

333.17609 License; issuance requirements; eligibility of certified teacher endorsed in speech and language

impairment or individual credentialed by American Speech-Language-Hearing Association; temporary license.

Sec. 17609.

(1) The department shall, upon submission of a completed application and payment of the appropriate application processing and license fee, issue a license under this part to the following:

(a) An individual who meets the requirements of subsection (2) or (3).

(b) An individual who possesses a master's or doctor of science or doctor of philosophy degree in speech-language pathology acceptable to the board, who has successfully completed an accredited speech-language pathology training program approved by the department and the board that has at least 9 months, or the equivalent, of full-time supervised postgraduate clinical experience in speech-language pathology, and who passes an examination acceptable to the board.

(2) A certified teacher who, on January 12, 2009, was endorsed in the area of speech and language impairment for the sole purpose of providing services as a part of employment or contract with a school district, intermediate school district, nonpublic school, or state department that provides educational services is eligible for a license under this part. An individual who meets the requirements of this subsection shall first apply for a license on or before the expiration of 2 years after the effective date of the rules promulgated under this part. An individual who obtains a license under this subsection is eligible for renewal of that license under this part if he or she continues to meet the requirements of this subsection.

(3) An individual who, on January 12, 2009, has the credential conferred by the American Speech-Language-Hearing Association as a certified speech-language pathologist is eligible for a license under this part. An individual who meets the requirements of this subsection and who maintains the credential conferred by the American Speech-Language-Hearing Association or a successor credential conferred by its successor organization shall first apply for a license on or before the expiration of 2 years after the effective date of the rules promulgated under this part. An individual who obtains a license under this subsection is eligible for renewal of that license under this part if he or she continues to meet the requirements of this subsection.

(4) An individual may apply for a temporary license under this subsection for the purpose of completing a supervised postgraduate clinical experience. The department shall issue a temporary license under this subsection for a period not to exceed 24 months. A temporary license issued under this subsection may be renewed for 1 additional 12-month term if the applicant continues to meet the requirements of this subsection. An individual seeking a temporary license under this subsection shall obtain a temporary license before beginning the supervised postgraduate clinical experience. At the conclusion of the postgraduate clinical experience, the individual's supervisor shall sign and submit to the department a report that documents the individual's satisfactory completion of the supervised postgraduate clinical experience. To be eligible for a temporary license under this subsection, an applicant must meet all of the following requirements:

(a) Possess a master's or doctor of science or doctor of philosophy degree in speech-language pathology acceptable to the board. An applicant shall have his or her academic transcripts provided directly to the department by the academic institution.

(b) Submit a plan for supervised postgraduate clinical experience on a form approved by the board and signed by a licensed professional who will provide supervision.

333.17610 Rules.

Sec. 17610.

(1) The department, in consultation with the board, may promulgate rules under section 16145 as necessary or appropriate to fulfill its functions under this article and to supplement the requirements for licensure under this part, including adopting updated standards of that organization or standards of any successor organization of the American speech-language-hearing association.

(2) Subject to section 16204, the department shall by rule prescribe continuous professional development as a condition for licensure renewal.

(3) The department, in consultation with the board, shall promulgate rules regarding the performance of speech-language pathology that includes, but is not limited to, the performance of procedures described in section 17601(1)(a)(ii). The rules shall recognize and incorporate the requirements described in section 17607(3) and (4) and the need for collaboration among a speech-language pathologist and a person licensed in the practice of medicine or osteopathic medicine and surgery and other licensed health care professionals.
