Sec. 1230a.

(1) In addition to the criminal history check required under section 1230, the board of a school district or intermediate school district or the governing body of a public school academy or nonpublic school shall request the department of state police to conduct a criminal records check through the federal bureau of investigation on an applicant for, or an individual who is hired for, any full-time or part-time employment or who is assigned to regularly and continuously work under contract in any of its schools. Except as otherwise provided in this section, a board or governing body shall not employ an individual or allow an individual to regularly and continuously work under contract in any of its schools until after the board or governing body receives the results of the criminal records check. A board or governing body requesting a criminal records check under this section shall require the individual to submit his or her fingerprints to the department of state police for that purpose. The department of state police may charge a fee for conducting the criminal records check. Subject to section 1230g, a board or governing body shall require an individual to submit his or her fingerprints for the purposes of this section only at the time the individual initially applies for employment with the board or governing body or is initially employed by the board or governing body or is initially assigned to regularly and continuously work under contract in any of its schools.

(2) If the board of a school district or intermediate school district or the governing body of a public school academy or nonpublic school determines it necessary to hire an individual or to allow an individual to regularly and continuously work under contract for a particular school year during that school year or within 30 days before the beginning of that school year, the board or governing body may employ the individual as a conditional employee or conditionally allow the individual to regularly and continuously work under contract under this subsection without first receiving the results of the criminal records check under subsection (1) if all of the following apply:

(a) The board or governing body requests the criminal records check under subsection (1) before conditionally employing the individual or conditionally allowing the individual to regularly and continuously work under contract in any of its schools.

(b) The individual signs a statement identifying all crimes for which he or she has been convicted, if any, and agreeing that, if the results of the criminal records check under subsection (1) reveal information that is inconsistent with the individual's statement, his or her employment contract is voidable at the option of the board or governing body. The department shall develop and distribute to districts and nonpublic schools a model form for the statement required under this subdivision. The department shall make the model form available to public school academies. A district, public school academy, or nonpublic school shall use the model form for the purposes of this subsection.

(3) If an individual is employed as a conditional employee under subsection (2) and the results of the criminal records check under subsection (1) reveal information that is inconsistent with the individual's statement under subsection (2), the board or governing body may void the individual's employment contract. If an employment contract is voided under this subsection, the individual's employment is terminated, a collective bargaining agreement that would otherwise apply to the individual's employment does not apply to the termination, and the district, public school academy, or nonpublic school or the board or governing body is not liable for the termination.

(4) For an applicant for a position as a substitute teacher or substitute bus driver, or for an individual who regularly and continuously works under contract in more than 1 school district, intermediate school district, public school academy, or nonpublic school, if the applicant or individual agrees in writing to allow a district, public school academy, or nonpublic school to share the results of the criminal records check with another district, public school academy, or nonpublic school, then instead of requesting a criminal records check under subsection (1), a school district, intermediate school district, public school academy, or nonpublic school may use results received by another district, public school academy, or nonpublic school or maintained by the department to confirm that the applicant or individual does not have any criminal history. If that confirmation is not available, subsection (1) applies to the applicant or individual.

(5) If an applicant is being considered for employment by more than 1 school district, intermediate school district, public school academy, or nonpublic school and if the applicant agrees in writing to allow a district, public school academy, or nonpublic school to share the results of the criminal records check with another district, public

school academy, or nonpublic school, then a district, public school academy, or nonpublic school may satisfy the requirements of subsection (1) by obtaining a copy of the results of the criminal records check from another district, public school academy, or nonpublic school.

(6) An applicant for employment shall give written consent at the time of application for the criminal records division of the department of state police to conduct the criminal records check required under this section.

(7) A school district, intermediate school district, public school academy, or nonpublic school shall make a request to the department of state police for a criminal records check under this section on a form and in a manner prescribed by the department of state police.

(8) The results of a criminal records check under this section shall be used by a school district, intermediate school district, public school academy, or nonpublic school only for the purpose of evaluating an individual's qualifications for employment or assignment in the position for which he or she has applied or been assigned and for the purposes of subsections (3), (4), (5), and (12). A member of the board of a district or of the governing body of a public school academy or nonpublic school or an employee of a district, public school academy, or nonpublic school shall not disclose those results received under this section, except a misdemeanor conviction involving sexual or physical abuse or any felony conviction, to any person who is not directly involved in evaluating the individual's qualifications for employment or assignment. However, for the purposes of subsections (4), (5), and (12) a person described in this subsection may provide a copy of the results received under this section concerning the individual to an appropriate representative of another district, public school academy, or nonpublic school. For an individual who is regularly and continuously working under contract, if the individual agrees in writing, a district, public school academy, or nonpublic school may provide a copy of the results received under this section concerning the individual to an appropriate representative of the individual's employer. A representative of the individual's employer who receives a copy of the results, or receives the results from another source as authorized by this subsection, shall not disclose the results to any person outside of the employer's business or to any of the employer's personnel who are not directly involved in evaluating the individual's qualifications for employment or assignment. A person who violates this subsection is guilty of a misdemeanor punishable by a fine of not more than \$10,000.00, but is not subject to the penalties under section 1804. As used in this subsection, "misdemeanor conviction involving sexual or physical abuse" includes, but is not limited to, a misdemeanor conviction for a listed offense; a misdemeanor conviction for violation of section 617a of the Michigan vehicle code, 1949 PA 300, MCL 257.617a; a misdemeanor conviction for violation of section 701 of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1701; a misdemeanor conviction for violation of section 81, 81a, 81c, 90c, 136b, 141a, 145, 145d, 145n, 233, 335a, or 411h of the Michigan penal code, 1931 PA 328, MCL 750.81, 750.81a, 750.81c, 750.90c, 750.136b, 750.141a, 750.145, 750.145d, 750.145n, 750.233, 750.335a, and 750.411h; a misdemeanor conviction of section 6 of 1979 PA 53, MCL 752.796; or a misdemeanor conviction for violation of a substantially similar law of another state, of a political subdivision of this state or another state, or of the United States.

(9) Within 30 days after receiving a proper request by a school district, intermediate school district, public school academy, or nonpublic school for a criminal records check on an individual under this section, the criminal records division of the department of state police shall initiate the criminal records check through the federal bureau of investigation. After conducting the criminal records check required under this section for a school district, intermediate school district, public school academy, or nonpublic school, the criminal records division of the department of state police shall provide the results of the criminal records check to the district, public school academy, or nonpublic school. A school district, intermediate school district, public school academy, or nonpublic school that receives results from the department of state police under this subsection shall retain those results in the individual's employment records.

(10) If the results received by a school district, intermediate school district, public school academy, or nonpublic school under subsection (9), or a report received under section 1230, 1230d(7), 1535a(15), or 1539b(15), disclose that an individual has been convicted of a listed offense, then the school district, intermediate school district, public school academy, or nonpublic school shall take steps to verify that information using public records and, if the information is verified, shall not employ the individual in any capacity, as provided under section 1230c, and shall not allow the individual to regularly and continuously work under contract in any of its schools. If the results received by a school district, intermediate school district, public school academy, or nonpublic school under subsection (9), or a report received under section 1230, 1230d(7), 1535a(15), or 1539b(15), disclose that an individual has been convicted of a felony other than a listed offense, then the school district, intermediate school district, public school academy, or nonpublic school shall take steps to verify that information using public records and, if the information is verified using public records, shall not employ the individual in any capacity or allow the individual to regularly and continuously work under contract in any of its schools unless the superintendent or chief administrator and the governing board or governing body, if any, of the school district, intermediate school district, public school academy, or nonpublic school each specifically approves the employment or work assignment in writing. If a school district, intermediate school district, public school academy, or nonpublic school receives results described in this subsection, within 60 days after receiving those results the school district, intermediate school district, public school academy, or nonpublic school shall submit to the department in the form and manner

prescribed by the department a report detailing the information and any action taken as a result by the school district, intermediate school district, public school academy, or nonpublic school. The department shall maintain a copy of this report for at least 6 years.

(11) Subject to subsection (12), if the criminal records check required under this section has been completed for a particular individual and the results reported to a school district, intermediate school district, public school academy, or nonpublic school as provided under this section, then another criminal records check is not required under this section for that individual as long as the individual remains employed with no separation from service by any school district, intermediate school district, public school academy, or nonpublic school in this state or remains regularly and continuously working under contract with no separation from service for the same employer in any school district, intermediate school district, public school academy, or nonpublic school in this state. For the purposes of this subsection, an employee is not considered to have a separation from service in any of the following circumstances:

(a) The employee is laid off or placed on a leave of absence by his or her employer and returns to active employment with the same employer within 1 year after being laid off or placed on the leave of absence.

(b) The employee transfers to another school district, intermediate school district, public school academy, or nonpublic school and remains continuously employed by any school district, intermediate school district, public school academy, or nonpublic school in this state.

(12) If an individual described in subsection (11) is an applicant for employment in a different school district, intermediate school district, public school academy, or nonpublic school than the one that originally received the results of the criminal records check or that currently is in possession of the results of the criminal records check, or is being assigned to regularly and continuously work under contract in a different school district, intermediate school district, public school academy, or nonpublic school than the one that originally received the results of the criminal records check or that currently is in possession of the results of the criminal records check, then all of the following apply:

(a) If the results of the individual's criminal records check have not already been forwarded to the new school district, intermediate school district, public school academy, or nonpublic school, the new school district, intermediate school district, public school academy, or nonpublic school shall request the school district, intermediate school district, public school academy, or nonpublic school that has the results to forward them to the new school district, intermediate school district, public school academy, or nonpublic school. Upon receipt of such a request, a school district, intermediate school district, public school academy, or nonpublic school that has the results shall forward them to the requesting school district, intermediate school district, public school academy, or nonpublic school.

(b) If the results of the individual's criminal records check are not received by the new school district, intermediate school district, public school academy, or nonpublic school under this subsection or otherwise, then this section applies to the individual to the same extent as if he or she has had a separation from service.

(13) Subsection (1) does not apply to an individual who is being employed by or assigned to regularly and continuously work under contract in a school of a school district, intermediate school district, public school academy, or nonpublic school if the individual is not more than 19 years of age and is enrolled as a general education pupil of a school district, intermediate school district, public school academy, or nonpublic school or is not more than 26 years of age and is enrolled in special education programs or services in a school district, intermediate school district, public school academy, or nonpublic school. However, before employing the individual or assigning the individual to regularly and continuously work under contract in a school, the school district, intermediate school district, public school academy, or nonpublic school shall perform a criminal history check on that person using the department of state police's internet criminal history access tool (ICHAT). If a search of the department of state police's ICHAT reveals that the individual has been convicted of a listed offense, then the school district, intermediate school district, public school academy, or nonpublic school shall take steps to verify that information using public records and, if the information is verified using public records, shall not employ the individual in any capacity, as provided under section 1230c, and shall not allow the individual to regularly and continuously work under contract in any of its schools. If a search of the department of state police's ICHAT reveals that the individual has been convicted of a felony other than a listed offense, then the school district, intermediate school district, public school academy, or nonpublic school shall take steps to verify that information using public records and, if the information is verified using public records, shall not employ the individual in any capacity or allow the individual to regularly and continuously work under contract in any of its schools unless the superintendent or chief administrator and the board or governing body of the school district, intermediate school district, public school academy, or nonpublic school each specifically approves the employment or work assignment in writing.

(14) For the purposes of subsections (10) and (13), the department shall make available to school districts, intermediate school districts, public school academies, and nonpublic schools information on how to verify a conviction using public records.
