

BOYS' VOCATIONAL SCHOOL (EXCERPT)
Act 181 of 1956

803.211 Boys' vocational school; site, options, preliminary plans, estimates.

Sec. 1. The department of social welfare is authorized and directed to obtain options and to purchase a site or sites for the location of a boys' vocational school, to make studies and investigations as to size and type of construction for said school and to prepare preliminary plans and obtain the estimated cost thereof: Provided, That any purchase of a site or sites shall be subject to approval by the state administrative board as to price and accounting procedures.

History: 1956, Act 181, Imd. Eff. Apr. 17, 1956.
