

STATE OF MICHIGAN

OFFICE OF THE GOVERNOR  
LANSING

GRETCHEN WHITMER  
GOVERNOR

GARLIN GILCHRIST II  
LT. GOVERNOR

March 26, 2021

Michigan Senate  
State Capitol Building  
Lansing, MI 48909-7536

Senators,

Enrolled Senate Bills 29 and 114 of 2021 consist primarily of appropriations that I vetoed earlier this month. Accordingly, I am returning them to you without my approval.

I remain ready and willing to negotiate regarding the allocation of the more than \$2 billion in federal money now sitting idle in the Michigan treasury. That's money that could be immediately put to work supporting kids, families, and small business. Let's get it done for the people of Michigan.

Sincerely,

Gretchen Whitmer  
Governor
